## SETUP

### 1. Initial Power On

Press and hold the **Power Button** located on the side of the tablet until the screen lights up. The tablet will guide you through the initial setup process.

### 2. Language and Wi-Fi Selection

Follow the on-screen prompts to select your preferred language and connect to a Wi-Fi network. A stable Wi-Fi connection is necessary for downloading apps and system updates.

### 3. Google Account Setup

Sign in with an existing Google account or create a new one. This account is essential for accessing the Google Play Store, Kids Space, and other Google services.

### 4. Kids Space Configuration

The tablet comes preloaded with Google Kids Space. During the initial setup or later through the Google Family Link app, you can configure Kids Space profiles for your children. This includes setting content filters, screen time limits, and approving apps.

# Google Kids Space

1. Rich Learning Resources and Interactive Games
2. Personalized and Safe User Experience

## Parental Controls

The tablet features enhanced parental controls accessible through Kids Mode. Parents can:

- Create and customize child profiles.
- Curate accessible content.
- Set screen time limits.
- Exit Kids Mode with a secure passcode.
- Adjust safety settings as children grow.

## Easy-To-Use Parental Control

**Password protection**  
Prevent children from exiting the kids protection area

**Time management**  
Set the learning break time to avoid addiction

**APP management**  
Filter and select which apps children can use safely

**Tablet uses management**  
View the statistical report of app user behavior

**Website management**  
Choose safe and healthy websites to browse

**Create more kid accounts**  
Customize different proper content for every kid

## BATTERY MANAGEMENT

The tablet is equipped with a 6000mAh battery, providing 8-10 hours of reading or video playback on a full charge. For optimal battery life:

- Charge the tablet fully before first use.
- Use the provided charger and USB cable.
- Avoid extreme temperatures during charging and use.
- Close unused applications to conserve power.

## MAINTENANCE

To ensure the longevity and optimal performance of your AWOW Funtab 1003 Kids Tablet:

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and exterior. Avoid abrasive cleaners or solvents.
- **Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures.
- **Software Updates:** Regularly check for and install system updates to ensure the tablet has the latest features and security patches.
- **Case Care:** The shockproof silicone case can be wiped clean with a damp cloth.

## TROUBLESHOOTING

If you encounter issues with your tablet, refer to the following common solutions:

Problem	Possible Solution
Tablet does not turn on	Ensure the tablet is charged. Connect it to the charger for at least 30 minutes, then try pressing the power button again.
Screen is unresponsive or frozen	Perform a force restart by pressing and holding the power button for about 10-15 seconds until the tablet restarts.
Wi-Fi connection issues	Check if Wi-Fi is enabled in settings. Restart your router and the tablet. Ensure you are within range of the Wi-Fi signal.

Problem	Possible Solution
Apps are slow or crashing	Close background applications. Clear app cache in settings. Ensure sufficient storage space is available. Restart the tablet.
Battery drains quickly	Reduce screen brightness. Close unused apps. Disable Wi-Fi or Bluetooth when not in use. Check for apps consuming excessive battery in settings.
