AWEI T58

AWEI T58 Wireless Bluetooth Earbuds User Manual

Model: T58

1. INTRODUCTION

Thank you for choosing the AWEI T58 Wireless Bluetooth Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.3 connectivity, IPX6 waterproofing, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Transparent Aesthetics Retro Trendy

Transparent Cover / TWS Earbuds

2. WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable (Type-C)
- Eartips (various sizes)
- User Manual (this document)

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Connect the provided USB Type-C cable to the charging port on the case and to a USB power adapter (not

included).

2. The LED indicators on the charging case will show the charging status. Red lights indicate charging, and blue lights indicate decorative ambient lighting.
3. Place the earbuds into the charging case. Ensure they are properly seated; the earbuds will automatically begin charging.
4. A full charge for the case takes approximately 1.5 hours. The earbuds provide up to 7 hours of continuous use per charge. The charging case extends total playtime to 35 hours in dual-ear mode, or up to 70 hours in single-ear mode by alternating earbuds.

3.2 Pairing with Your Device

The earbuds utilize Bluetooth 5.3 technology for a stable and efficient connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices and select "AWEI T58" from the list.
4. Once connected, you will hear an audible confirmation, and the earbuds will be ready for use.
5. The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth

is enabled on the device.

Bluetooth 5.3 Chip Make Music Smoother

Stronger performance, lower power consumption,
more stable connection without delay and heat

3.3 Wearing the Earbuds

For optimal sound quality and comfort, ensure a proper fit.

- Select the eartip size that best fits your ear canal.
- Gently insert each earbud into your ear, twisting slightly until it feels secure and comfortable.
- The ergonomic design is intended for a snug fit without discomfort.

Comfortable to Wear No Oppression

4. OPERATING THE EARBUDS

4.1 Touch Controls

The AWEI T58 earbuds feature sensitive touch controls on both the left and right earbuds for easy management of audio and calls.

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap
Next Song	Double Tap	Double Tap
Previous Song	Triple Tap	Triple Tap
Answer/End Call	Single Tap	Single Tap
Reject Call	Long Press (2s)	Long Press (2s)
Activate Voice Assistant	Long Press (2s)	Long Press (2s)
Volume Up	N/A	Long Press (Right)
Volume Down	Long Press (Left)	N/A

4.2 Single and Dual Earbud Mode

The AWEI T58 earbuds support both single and dual earbud usage:

- **Dual Earbud Mode:** Both earbuds connect to your device for stereo sound.
- **Single Earbud Mode:** Either the left or right earbud can be used independently. Simply take one earbud out of the case, and it will connect to your device. The other earbud can remain in the case or be used by another person.

4.3 Hi-Fi Sound Quality and Noise Cancellation

Equipped with 13mm speakers, the earbuds deliver deep bass, clear vocals, and bright treble. The integrated ANC (Active Noise Cancellation) technology specifically enhances call clarity by reducing ambient noise during phone conversations, ensuring clear communication whether indoors or outdoors.

5. MAINTENANCE

5.1 Cleaning

To maintain optimal performance and hygiene:

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Avoid using abrasive materials, solvents, or harsh chemicals.

5.2 Water Resistance (IPX6)

The AWEI T58 earbuds are rated IPX6 waterproof, meaning they are protected against high-pressure water jets from any direction. This makes them suitable for use during workouts or in light rain.

- Do not submerge the earbuds in water.
- Ensure the charging port on the case is dry before charging.
- The IPX6 rating applies to the earbuds, not the charging case.

Play in Water Freely IPX6 Waterproof Rate

The closed sound chamber effectively prevents water, sweat, rain, and fog with easier cleanliness

5.3 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

6. TROUBLESHOOTING

If you encounter issues with your AWEI T58 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:**

- Ensure both earbuds are charged.
- Turn off Bluetooth on your device, then turn it back on.
- Forget "AWEI T58" in your device's Bluetooth settings and attempt to pair again.
- Place earbuds back in the case, close the lid, wait a few seconds, then open to re-enter pairing mode.

- **Only one earbud working:**

- Ensure both earbuds are charged.
- Place both earbuds back into the charging case, close the lid, then open it again. This often resets the

connection between them.

- If the issue persists, try resetting the earbuds (refer to manufacturer's website for specific reset instructions if not covered here).

- **No sound or low volume:**

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly connected to your device.
- Clean any debris from the earbud speakers.

- **Charging issues:**

- Verify the charging cable is securely connected to both the case and the power source.
- Try a different USB cable or power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.

7. SPECIFICATIONS

Feature	Specification
