AWEI T68

AWEI T68 Wireless Headphones User Manual

Model: T68 | Brand: AWEI

INTRODUCTION

Thank you for choosing the AWEI T68 Wireless Headphones. These earbuds are designed to provide a superior audio experience with advanced features such as Bluetooth 5.3 connectivity, powerful 13mm drivers, and Environmental Noise Cancellation (ENC) for clear calls. With an IPX6 waterproof rating and ergonomic design, they are suitable for various activities, from daily commutes to sports workouts. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

WHAT'S IN THE Box

Please check the package contents to ensure all items are present:

- AWEI T68 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable (Type-C)
- User Manual
- Eartips (various sizes)

The AWEI T68 Wireless Earbuds securely placed within their charging case.

SETUP GUIDE

1. Initial Charging

1. Before first use, fully charge the earbuds and the charging case.
2. Connect the provided USB Type-C cable to the charging port on the case and a power source.
3. The indicator light on the charging case will show charging status. A full charge takes approximately 1.5 hours.
4. Once fully charged, disconnect the cable.

2. Pairing with Your Device

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, PC), enable Bluetooth.
3. Search for "AWEI T68" in the list of available Bluetooth devices.
4. Select "AWEI T68" to connect. Once connected, you will hear a confirmation tone.
5. The earbuds will automatically reconnect to the last paired device when taken out of the case.

Note: If pairing fails, place the earbuds back into the charging case, close the lid, and then reopen it to restart the pairing process.

OPERATING INSTRUCTIONS

The AWEI T68 earbuds feature intuitive touch controls for easy management of your audio and calls.

Touch Controls

Action	Left Earbud	Right Earbud
Play/Pause	Single tap	Single tap
Volume Up	N/A	Long press
Volume Down	Long press	N/A
Next Song	Triple tap	N/A
Previous Song	N/A	Triple tap
Answer/End Call	Double tap	Double tap
Reject Call	Long press	Long press
Activate Voice Assistant	Quadruple tap	Quadruple tap

Single and Dual Ear Modes

The AWEI T68 earbuds support both single and dual ear modes. You can use either earbud independently for calls or music, or both together for a stereo experience. The earbuds will automatically switch between modes when one is placed back into the charging case or taken out.

Semi-In-Ear Design Senseless & Snug Wearing

Lightweight earbuds and different sizes of earcaps suit people of different genders, ages, and skin tones

The ergonomic semi-in-ear design ensures a comfortable and secure fit for extended wear.

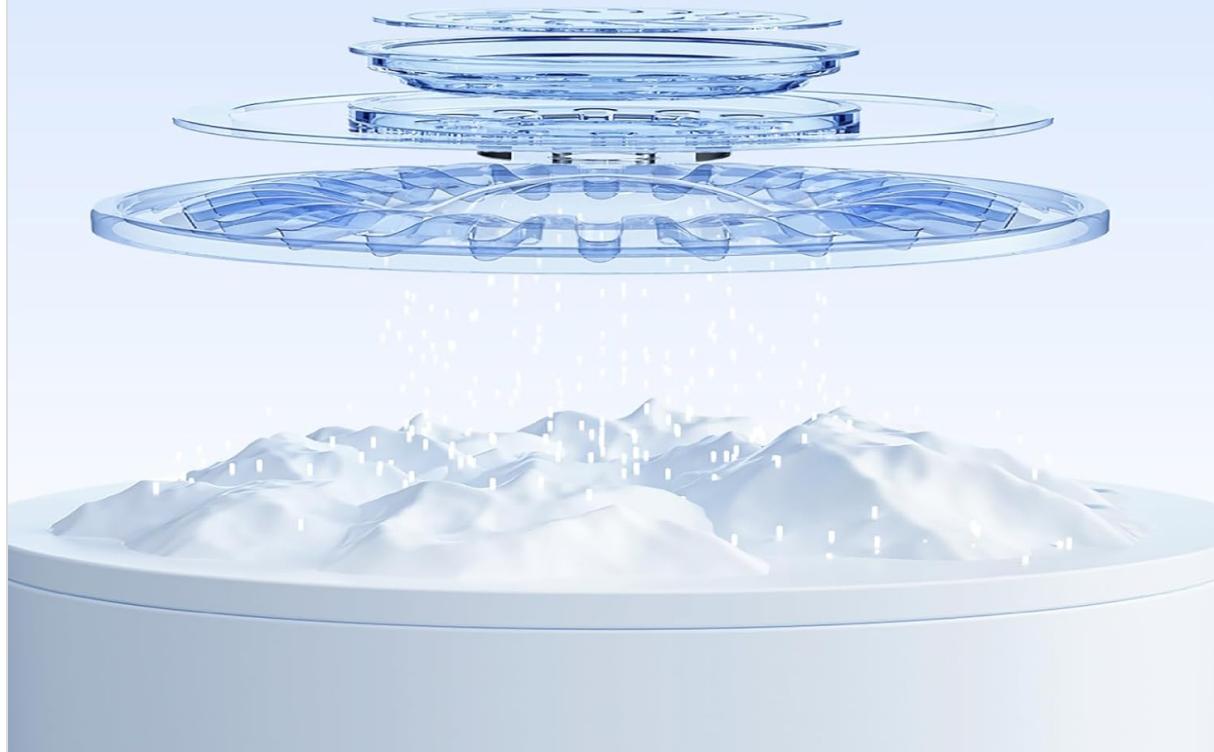

KEY FEATURES

Hi-Fi Sound Quality & Clear Calls

Equipped with 13mm speaker drivers, the AWEI T68 delivers rich, immersive audio with powerful bass. The Environmental Noise Cancellation (ENC) technology ensures crystal-clear call quality by effectively reducing ambient noise, making your conversations clear whether indoors or outdoors.

High-Fidelity Soundtrack Restoring Lossless Details

With professional tuning and high-elasticity composite diaphragms, it creates a natural stereo field, increases stability of sound quality, and reduces acoustic resonance & THD to improve the clarity of sound

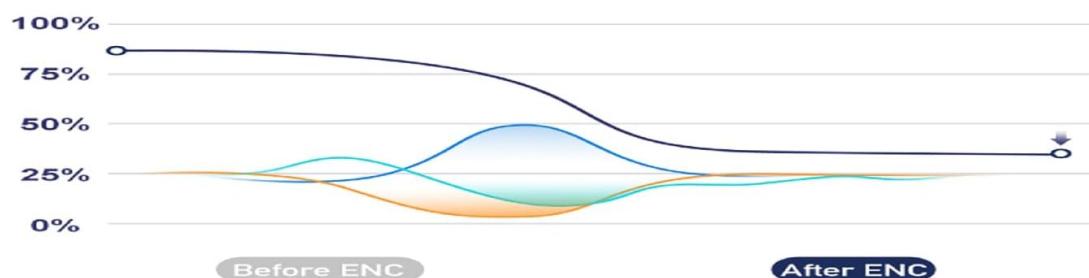

Detailed view of the 13mm speaker drivers, designed for high-fidelity sound and lossless detail restoration.

ENC Call For Face-To-Face Conversation

Pick up voice and reduce ambient noise accurately through new ENC algorithm

Effectively reducing over 90% of ambient noise

The above data are the test values of AWEI laboratory. The actual data may vary slightly depending on the specific test environment.

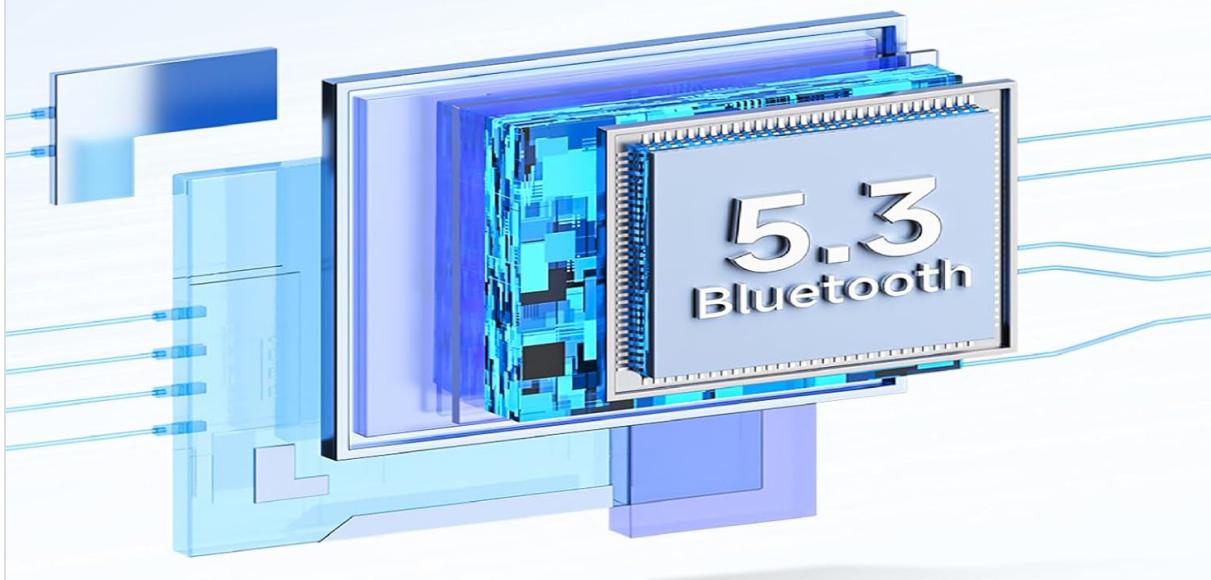

ENC technology significantly reduces ambient noise for clear face-to-face conversations, even in noisy environments.

Advanced Bluetooth 5.3 Connectivity

Experience stable and low-latency connections with Bluetooth 5.3 technology. This advanced chipset ensures faster signal transmission and a reliable connection up to 10 meters (33 feet), minimizing interruptions whether you're at home, in the office, or on the go.

Bluetooth 5.3 Smooth as Silk

Anti-electromagnetic interference, no jam or disconnection, high-speed transmission, low power consumption

The Bluetooth 5.3 chip provides anti-electromagnetic interference, ensuring a smooth and stable wireless connection.

Extended Battery Life

Enjoy long listening sessions with up to 7 hours of continuous playback on a single charge. The compact 300mAh charging case extends the total playtime to 35 hours in dual-ear mode, and an impressive 70 hours when alternating between single earbuds. The case fully recharges in just 1.5 hours via its fast Type-C charging port.

300 Hours Standby Time 300mAh Charging Case

More powerful and safer Li-polymer batteries contribute more enduring entertainment, more focused learning, and sweeter call

≈ 24 h
Total Play Time

≈ 4
Charging Time

≈ 6 h
Play Time of Earbuds

The 300mAh charging case provides extended battery life, offering up to 35 hours of total playtime.

Durable & Ergonomic Design

The AWEI T68 earbuds are built with an IPX6 waterproof rating, protecting them from dust and rain, making them ideal for workouts and outdoor activities. Their lightweight, semi-in-ear design with soft silicone ear caps ensures a comfortable and secure fit for all-day wear, allowing you to focus solely on your audio.

New Choices and Favorites

Cute pink, noble purple, mysterious black, silent blue, pure white... Each color can arouse your young heart

The AWEI T68 earbuds are available in a range of colors, featuring a sleek and modern design.

MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** While IPX6 rated (resistant to strong jets of water), avoid submerging the earbuds in water. Dry them thoroughly if they get wet before placing them back in the charging case.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid extreme temperatures.
- **Charging:** Use only the provided charging cable or a certified Type-C cable. Do not attempt to charge with damaged cables or chargers.

TROUBLESHOOTING

Common Issues and Solutions

- **Earbuds not pairing/connecting:**

- Ensure earbuds are charged.

- Place earbuds back in the case, close, then reopen to reset pairing mode.
- Turn off and on Bluetooth on your device.
- Forget "AWEI T68" from your device's Bluetooth list and re-pair.

- **No sound from one earbud:**

- Ensure both earbuds are charged.
- Place both earbuds back in the case, close, and reopen.
- Try resetting the earbuds (refer to specific reset instructions if available in a full manual, otherwise, the above steps usually suffice).

- **Charging case not charging:**

- Check the USB cable and power adapter. Try a different one.
- Ensure the charging port is clean and free of debris.

- **Low volume:**

- Adjust volume on both the earbuds (long press right for up, left for down) and your connected device.
- Ensure ear tips are properly sealed in your ear canal.
