### Merax B0DHXPLMWQ

## Merax 47" Hall Tree User Manual

Model: B0DHXPLMWQ

### PRODUCT OVERVIEW

The Merax 47" Hall Tree is a versatile 4-in-1 entryway furniture piece designed to optimize space and provide comprehensive storage solutions. It integrates a bench, coat hooks, shoe cabinets, and additional item storage into a single unit, making it suitable for living rooms, entryways, hallways, and mudrooms.

Crafted from durable particleboard, this hall tree features a black finish with a brown wood grain seat, complemented by golden hooks and handles. It is designed for stability and includes robust anti-tipping devices for secure wall anchoring.

Figure 1: Front view of the Merax 47" Hall Tree with both bottom drawers partially open, showcasing its storage capabilities. The unit features a black frame, a brown wooden bench seat, and golden hooks.

Figure 2: The Merax Hall Tree positioned in an entryway, demonstrating its functional use with coats, bags, and decorative items on display. The black and brown color scheme complements a modern home interior.

## SAFETY INFORMATION

---

- Always secure the hall tree to the wall using the provided anti-tipping devices to prevent tip-overs.
- Do not exceed the weight capacity of 352 lbs for the overall piece.
- The bench has a maximum weight capacity of 176 lbs.
- Each hook has a maximum weight capacity of 11 lbs.
- Be cautious of potential color differences in low-light conditions or across different displays.
- Adult supervision is required during assembly.
- Follow all assembly instructions carefully to ensure safety and proper construction.

Figure 3: Close-up view of the anti-tipping device, illustrating the secure wall attachment mechanism. This device is crucial for preventing accidental tip-overs and ensuring stability.

## ***Anti-toppling Device***

Crafted from durable particleboard, this hall tree is designed to withstand daily use without easily sustaining damage.

Equipped with robust anti-tipping devices, our entryway cabinet can be securely anchored to the wall.

Figure 4: Diagram explaining the importance and function of the anti-toppling device, showing how it secures the hall tree to the wall for enhanced safety and stability.

## **SETUP AND ASSEMBLY**

Full assembly is required for the Merax Hall Tree. It is recommended that two people participate in the assembly process. The estimated time for setup is approximately 2 hours.

### **Required Tools (Not Included):**

- Power Drill (Recommended)
- Screwdriver (Phillips head)
- Hammer (Optional, for dowels)

### **Assembly Steps:**

1. Unpack all components and verify against the parts list provided in the separate assembly instruction manual.

2. Identify all hardware and ensure no pieces are missing.
3. Begin by assembling the base unit, including the shoe cubbies and drawers, following the step-by-step diagrams.
4. Attach the back panel and side panels to form the main structure.
5. Install the bench seat onto the base unit.
6. Assemble the upper section, including the top shelves and coat rack panel.
7. Attach the golden hooks to the designated positions on the coat rack panel.
8. Securely attach the upper section to the base unit.
9. Install the anti-tipping devices to the top rear of the hall tree and anchor them to a wall stud using appropriate hardware.
10. Ensure all screws and fasteners are tightened securely, but do not overtighten.

## OPERATING INSTRUCTIONS

---

The Merax Hall Tree is designed for convenient storage and organization in your entryway or living space.

### Using the Storage Features:

- **Coat Hooks:** Utilize the six golden hooks for hanging coats, jackets, hats, scarves, and bags. Ensure the weight on each hook does not exceed 11 lbs.
- **Bench Seat:** The sturdy bench provides a convenient place to sit while putting on or taking off shoes. Do not exceed the bench's weight capacity of 176 lbs.
- **Shoe Cubbies/Drawers:** The two bottom drawers are ideal for storing shoes, umbrellas, or other entryway essentials, keeping them out of sight and organized.
- **Top Shelves:** The open shelves at the top can be used for displaying decorative items, storing small baskets, or keeping frequently used items accessible.

## 4-in-1 Multiple Storage Options

This hall tree boasts an integrated and multifunctional design, seamlessly combining a bench, coat hooks, shoe cabinets, and item storage, to create an organized and functional entryway.

• Shoe Cabinet

• Item Storage

• Coat Hooks

• Bench

Figure 6: Close-up view of one of the bottom drawers, demonstrating its depth and the golden handle. These drawers provide concealed storage for various items.

## MAINTENANCE AND CARE

---

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the hall tree with a dry, soft cloth to prevent buildup.
- **Inspections:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Avoid Moisture:** Protect the hall tree from excessive moisture and direct sunlight to prevent warping or fading.
- **Weight Distribution:** Distribute weight evenly across shelves and hooks to prevent strain on the structure.

## TROUBLESHOOTING

---

## Common Issues and Solutions:

- **Wobbling or Instability:**

- Ensure all assembly screws are fully tightened.
- Verify that the anti-tipping devices are securely anchored to the wall.
- Check if the hall tree is placed on a level surface. Adjust furniture levelers if present.

- **Drawers Not Sliding Smoothly:**

- Check for any obstructions in the drawer glides.
- Ensure the drawer slides are correctly installed and aligned.
- Lightly lubricate the drawer glides with a silicone-based lubricant if needed.

- **Missing Parts:**

- Carefully re-check all packaging materials.
- Contact Merax customer support with your product model and a description of the missing part.
