Letaya 5-Drawer Metal Dresser Instruction Manual

Model: 1
Brand: Letaya

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Letaya 5-Drawer Metal Dresser, Model 1. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Image 1.1: The Letaya 5-Drawer Metal Dresser, Model 1, showcasing its white finish and five drawers, positioned in a home entryway.

2. SAFETY INFORMATION

- **Anti-Tip System:** This dresser is equipped with an anti-tip locking system. It is crucial to install this system as instructed to prevent accidental tipping, which can cause serious injury.
- **Weight Limits:** The top surface of the dresser has a maximum weight limit of 250 lbs. Each individual drawer can hold up to 40 lbs. Do not exceed these weight limits to ensure stability and prevent damage.
- **Placement:** Place the dresser on a flat, stable surface. Use the adjustable feet to compensate for uneven floors.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Always ensure drawers are closed when not in use.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package includes all

necessary installation tools and hardware. If any parts are missing or damaged, please contact customer support.

4. SETUP AND ASSEMBLY

Assembly of the Letaya 5-Drawer Metal Dresser typically takes approximately 30 minutes. Detailed instructions are provided within the package to guide you through each step. Ensure you have adequate space and follow the instructions carefully.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Follow the step-by-step instructions provided in the included manual for assembling the frame and drawers.
3. Install the anti-tip locking system securely to a wall stud or appropriate anchor point as directed.
4. Attach the drawer handles. Note: If the provided screws for the handles appear too long, ensure you are using the correct set of screws for the handle attachment. Shorter screws may be included for this specific purpose.
5. Once assembled, adjust the four feet at the base of the dresser to ensure it is level and stable on your floor.

5. OPERATING INSTRUCTIONS

The Letaya 5-Drawer Metal Dresser is designed for efficient and secure storage.

- **Drawer Operation:** Each drawer features ball-bearing full suspension slides, allowing for smooth and quiet opening and closing. Pull the elegant handles gently to open and push firmly to close.
- **Interlock System:** The built-in interlock system ensures that only one drawer can be opened at a time, enhancing stability and preventing accidental tipping. This system also secures all drawers when locked.
- **Key Lock:** A convenient folding key lock is provided for securing the drawers, offering portability and added security for stored items.

Heavy and Sturdy, Solid Final Product!

Metal drawer

- ✓ No smell
- ✓ Sturdy & practical
- ✓ Can bear more weight

Wooden drawer

- ✗ Has a smell
- ✗ Flimsy drawer
- ✗ Can't bear more weight

Image 5.1: Detailed view highlighting the elegant black handles and the smooth ball-bearing drawer slides for effortless operation.

Image 5.2: The dresser with multiple drawers open, demonstrating its large storage capacity for various items like hats, socks, shirts, pants, scarves, diapers, blouses, and tissues.

6. MAINTENANCE

To maintain the appearance and longevity of your Letaya 5-Drawer Metal Dresser, follow these simple care instructions:

- **Cleaning:** The dresser features an eco-friendly powder-coated surface that is easy to clean. Wipe with a damp cloth for general cleaning. For drying, use a dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Protection:** The metal material is resistant to deformation, scratches, and rust. However, avoid sharp objects that could scratch the surface.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

• Drawers not sliding smoothly:

- Ensure the dresser is level. Adjust the feet if necessary.
- Check that the drawer slides are properly aligned and free from obstructions.
- Verify that the drawer is not overloaded, exceeding the 40 lbs capacity.

• Knobs are loose:

- Tighten the screws holding the knobs. If the screws provided seem too long and prevent proper tightening, check for alternative shorter screws in the hardware package or contact customer support for assistance.

• Dresser feels unstable:

- Confirm that the anti-tip system is correctly installed and secured to a wall.
- Ensure all assembly screws are tightened.
- Adjust the leveling feet to eliminate any wobbling.
