

Deryan Rolo X2 XL

Deryan Rolo X2 XL 2-in-1 Foldable Stroller Instruction Manual

Model: Rolo X2 XL

Brand: Deryan

1. INTRODUCTION

Thank you for choosing the Deryan Rolo X2 XL 2-in-1 Foldable Stroller. This modern and versatile stroller is designed to provide comfort, convenience, and safety for two children from birth up to approximately 4 years old, with a maximum capacity of 22 kg per seat. Its compact and foldable design ensures ease of use and transport.

Please read this instruction manual carefully before assembly and use. Keep this manual for future reference.

Important Safety Information

- Always ensure children are secured with the 3-point harness.
- Never leave children unattended in the stroller.
- Engage the brake when parking the stroller.
- Do not overload the stroller or storage basket.
- Ensure the stroller is fully open and locked before placing children inside.
- Keep children clear of moving parts when folding or unfolding the stroller.

2. COMPONENTS OVERVIEW

The Deryan Rolo X2 XL stroller consists of the following main components:

- Stroller Frame
- Two Seat Units with 3-point Harnesses
- Two Adjustable Canopies (UV 50+ protection)
- Front Wheels (XL off-road)

- Rear Wheels (XL off-road)
- Storage Basket
- Adjustable Handlebar
- Foot Brake System

Image 2.1: Overview of the Deryan Rolo X2 XL 2-in-1 Foldable Stroller, showcasing its dual seats, canopies, and robust frame.

3. SETUP AND ASSEMBLY

3.1 Unfolding the Stroller

1. Place the folded stroller on a flat, stable surface.
2. Release the folding latch (if present, typically on the side of the frame).
3. Lift the handlebar firmly until the frame clicks into its fully open and locked position. Ensure all locking

mechanisms are engaged.

3.2 Attaching the Wheels

The XL off-road wheels are designed for easy attachment:

1. For front wheels: Insert the wheel axle into the designated slot on the front leg until it clicks securely into place. Pull on the wheel to ensure it is firmly attached.
2. For rear wheels: Insert the wheel axle into the designated slot on the rear leg until it clicks securely into place. Pull on the wheel to ensure it is firmly attached.

3.3 Adjusting the Harness

The 3-point safety harness should be adjusted to fit your child snugly and securely.

1. Place your child in the seat.
2. Fasten the buckle.
3. Adjust the shoulder straps and waist straps to ensure a snug fit without being too tight.

4. OPERATING INSTRUCTIONS

4.1 Folding the Stroller

The Deryan Rolo X2 XL features a well-designed folding system for automatic, smooth folding:

1. Ensure both seat backrests are in the upright position and canopies are retracted.
2. Locate the folding mechanism (refer to the stroller frame for specific lever/button).
3. Activate the mechanism and push the handlebar forward or downward (depending on the design) until the stroller folds compactly.
4. Secure the folding latch to prevent accidental unfolding.

4.2 Adjusting the Seat Backrest

Each seat features a 3-position adjustable backrest for your child's comfort, allowing them to sit upright or recline for naps.

1. Locate the recline mechanism behind the seat backrest (usually a lever or strap).
2. Adjust to the desired position: upright, semi-recline, or full recline.

4.3 Adjusting the Footrest

The footrest can be adjusted to 2 positions to support your child's legs as they grow.

1. Locate the adjustment buttons or levers on either side of the footrest.
2. Press the buttons/levers and move the footrest to the desired position.

4.4 Using the Brake System

The stroller is equipped with a user-friendly and safe foot brake.

1. To engage the brake: Press down firmly on the brake pedal, typically located near the rear wheels, until it locks.
2. To release the brake: Lift the brake pedal upwards until it disengages.

5. MAINTENANCE AND CARE

5.1 Cleaning

- **Fabric Parts:** Wipe clean with a damp cloth and mild soap. Do not machine wash unless specified on the care label. Allow to air dry completely.
- **Frame:** Wipe the frame with a soft, damp cloth. Dry thoroughly to prevent rust.
- **Wheels:** Regularly clean wheels and axles to remove dirt and debris. Lubricate moving parts with a silicone-based spray if necessary to ensure smooth operation.

5.2 Storage

Store the stroller in a dry, well-ventilated area, away from direct sunlight and extreme temperatures. Ensure it is clean and dry before storing to prevent mold or mildew.

6. TROUBLESHOOTING

If you encounter any issues with your Deryan Rolo X2 XL stroller, please refer to the following common solutions:

Problem	Possible Cause	Solution
Stroller does not fold/unfold smoothly.	Folding mechanism obstructed or not fully engaged.	Check for any obstructions. Ensure all levers/buttons are pressed correctly. Lubricate moving parts if stiff.
Wheels squeak or do not turn freely.	Dirt/debris in axles, lack of lubrication.	Clean wheels and axles. Apply a silicone-based lubricant.
Brake not engaging/disengaging.	Debris in brake mechanism, cable issue.	Clear any debris from the brake pedal and mechanism. Ensure the pedal is fully pressed/lifted.
Harness difficult to buckle/unbuckle.	Buckle mechanism dirty or misaligned.	Clean the buckle mechanism. Ensure straps are not twisted.

7. SPECIFICATIONS

Feature	Detail
Model	Rolo X2 XL
Brand	Deryan
