TRAUSI i27

TRAUSI Wireless Earbuds User Manual

Model: i27

INTRODUCTION

Thank you for choosing TRAUSI Wireless Earbuds. This manual provides detailed instructions for setting up, operating, and maintaining your new Bluetooth headphones. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

These earbuds feature Bluetooth 5.3 for stable connectivity, 3D stereo sound with a 14.2mm composite diaphragm for rich audio, and CVC 8.0 noise reduction for clear calls. Designed for comfort with soft earhooks and IPX7 waterproof rating, they are ideal for sports and daily use. The compact charging case provides extended playtime and features an LED display for battery status.

SETUP GUIDE

Package Contents

Before you begin, please ensure all items are present in the package:

- i27 Wireless Earbuds (2)
- Wireless Charging Case (1)
- Type-C Charging Cable (1)
- S, M, L Eartips (3 pairs)
- User Manual (1)

Charging the Earbuds and Case

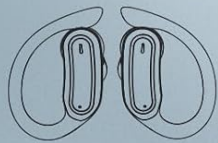

For first-time use, fully charge the earbuds and charging case. Connect the Type-C cable to the charging case and a USB power source. The LED display on the charging case will show the battery percentage (1%-100%).

- A full charge for the case takes approximately 1.5 hours.
- A 10-minute quick charge provides up to 2 hours of playback.
- Earbuds provide 6-8 hours of playtime on a single charge, and up to 54 hours with the charging case.

Long-lasting Power Time

Pairing with Your Device

The earbuds use Bluetooth 5.3 for quick and stable connections.

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices and select "i27" from the list.
5. Once paired, the earbuds will automatically connect to your device when taken out of the case for future use.

Wearing the Earbuds

The i27 sport headphones are designed with soft, ultra-light, and flexible 45° earhook structures for a secure and comfortable fit. Choose the appropriate eartip size (S/M/L) for optimal sound and comfort.

- Select the eartips that provide a snug fit in your ear canal.
- Place the earbud in your ear and gently adjust the earhook over your ear until it feels secure and comfortable.

Secure and Comfort Fit

Audio Quality

Experience impressive 3D stereo sound with an AAC/SBC audio decoder and a 14.2mm composite diaphragm, enhancing audio frequency and delivering resonant bass and authentic highs.

Small Buds, Big Sound

Premium 10mm large dynamic drivers deliver new levels of audio precision with captivating bass and exceptional clarity.

Crystal Clear Calls

Built-in dual microphones and CVC 8.0 noise reduction technology ensure clear call quality by retaining 80% of the sound and minimizing background noise.

MAINTENANCE

Cleaning Your Earbuds

Regular cleaning helps maintain sound quality and hygiene.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For eartips, remove them from the earbuds and clean with a damp cloth and mild soap if necessary. Ensure they are completely dry before reattaching.
- Do not use abrasive cleaners or immerse the charging case in water.

Water Resistance (IPX7)

The earbuds are IPX7 waterproof, meaning they can withstand sweat and rain during sports or daily use. This rating indicates protection against immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof.

- Do not intentionally submerge the earbuds in water for extended periods.
 - Ensure earbuds are dry before placing them back into the charging case to prevent damage.
-

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

TROUBLESHOOTING

If you encounter any issues with your TRAUSI Wireless Earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	• Ensure earbuds are charged. • Turn off and on Bluetooth on your device. • Forget "i27" in your device's Bluetooth settings and try pairing again. • Place earbuds back in the case, close, then reopen to reset.
No sound from one earbud	• Ensure both earbuds are charged. • Place both earbuds back in the charging case, close the lid, wait a few seconds, then take them out again. • Check your device's audio balance settings.
Earbuds not charging	• Ensure the charging cable is securely connected to both the case and the power source. • Check if the charging pins on the earbuds and in the case are clean and free of debris. • Try a different charging cable or power adapter.

Problem	Possible Solution
Poor sound quality	• Ensure the eartips provide a good seal in your ear. Try different sizes. • Clean the earbud mesh to remove any earwax or debris. • Move closer to your connected device to avoid interference.
