3. SETUP AND ASSEMBLY

This product requires assembly. It is recommended that two adults perform the assembly. Please ensure all parts are present before beginning. The product comes in two separate packages, which may arrive at different times.

Tools Required:

- Phillips head screwdriver (not included, but usually provided with furniture)
- Allen wrench (usually included)

Assembly Steps:

1. **Unpack Components:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Bed Frame:** Follow the numerical sequence in the provided assembly diagram to connect the

main bed frame components. Ensure all bolts are finger-tightened initially.

3. **Install Slats:** Place the 10 wooden slats across the bed frame. Secure them according to the instructions to provide proper mattress support.
4. **Attach Headboard and Shelves:** Connect the headboard and integrated storage shelves to the main bed frame. Secure all connections.
5. **Assemble Desk Unit:** Attach the side desk unit, ensuring the USB ports and power outlets are correctly oriented and secured.
6. **Install Drawers:** Assemble the three storage drawers and insert them into their designated compartments under the bed.
7. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the appropriate tools. Do not overtighten.

4. OPERATING INSTRUCTIONS

This section details how to use the various features of your VilroCaz Daybed.

Using the Bed:

- Place a full-size mattress (not included) directly on the wooden slats. A mattress thickness of 6-8 inches is recommended.
- The bed is designed for sleeping or lounging.

Utilizing Storage Drawers:

- The three drawers located under the bed can be pulled out to store clothing, linens, or other personal items.
- Ensure drawers are pushed in completely when not in use to prevent tripping hazards.

Utilizing Storage Shelves:

- The headboard features multiple open shelves for displaying decorative items, storing books, or keeping frequently used items within reach.

5. MAINTENANCE

Proper care and maintenance will extend the life of your daybed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Retighten as needed to maintain stability and safety.
- **Weight Distribution:** Distribute weight evenly on the bed surface to prevent stress on the frame and slats.
- **Drawer Care:** Keep drawer tracks clean and free of debris for smooth operation.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your daybed.
