

## AromaTech Ambience

# AromaTech Ambience Scent Diffuser User Manual

Model: Ambience

## 1. INTRODUCTION

Thank you for choosing the AromaTech Ambience Scent Diffuser. This waterless nebulizing diffuser is designed to disperse essential oil blends and fragrances efficiently, covering areas up to 1000 sq ft. Featuring Bluetooth connectivity for app control and ambient LED lighting, the Ambience diffuser provides a consistent and enjoyable scenting experience without heat or water. Please read this manual thoroughly before operation to ensure proper use and maintenance.

## 2. SAFETY INFORMATION

- Read all instructions before using the appliance.

- Keep the diffuser out of reach of children and pets.
- Use only AromaTech essential oil blends or fragrances. Other oils may damage the device.
- Do not immerse the diffuser in water or any other liquid.
- Ensure the power adapter is compatible with your local power supply.
- Unplug the diffuser from the power outlet before cleaning or when not in use for extended periods.
- Do not block the air vents during operation.
- Avoid placing the diffuser on unstable surfaces.

### 3. PACKAGE CONTENTS

---

Verify that all items are present in the package:

- AromaTech Ambience Scent Diffuser (White Stone Resin)
- Power Adapter
- Empty 60ml Diffuser Oil Bottle (for your chosen fragrance oil, not included)
- User Manual (this document)

### 4. PRODUCT OVERVIEW

---

Familiarize yourself with the components of your AromaTech Ambience Scent Diffuser.

Ambience Diffuser in White Stone

Image: A detailed view of the Ambience Diffuser, highlighting its design and the AromaTech logo.

- **Diffuser Body:** The main unit housing the nebulizing technology.
- **Control Buttons:** Located at the base for basic operation (e.g., power, LED).
- **Oil Compartment:** Area where the essential oil bottle is inserted.
- **Air Vents:** Openings for scent dispersion.
- **Power Port:** For connecting the power adapter.

## 5. SETUP

---

1. **Unpack:** Carefully remove all components from the packaging.

2. **Placement:** Place the diffuser on a flat, stable surface in your desired area. Ensure it is away from direct sunlight, heat sources, and out of reach of children and pets.
3. **Prepare Oil Bottle:** Unscrew the cap from your AromaTech essential oil blend or fragrance bottle. If using the empty 60ml bottle, fill it with your chosen AromaTech oil.
4. **Insert Oil Bottle:** Locate the oil compartment on the diffuser. Carefully screw the oil bottle into the designated port until secure. Do not overtighten.
5. **Connect Power:** Plug the power adapter into the diffuser's power port, then plug the adapter into a suitable electrical outlet.

## 6. OPERATING INSTRUCTIONS

---

### 6.1 Power On/Off

- To power on the diffuser, press the power button located at the base of the unit.
- To power off, press the power button again.

### 6.2 Bluetooth Connectivity and AromaTech App

The AromaTech Ambience diffuser can be controlled via the AromaTech App on your smartphone (compatible with Apple and Android devices).

Image: A smartphone displaying the AromaTech App's scheduling and intensity control interface, alongside the Ambience diffuser and a bottle of fragrance oil.

1. **Download App:** Download the "AromaTech" app from your device's app store (Apple App Store or Google Play Store).

2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Pair Device:** Open the AromaTech App and follow the on-screen instructions to pair with your Ambience diffuser.
4. **Adjust Scent Intensity:** Within the app, you can adjust the scent intensity from Grade 1 to 5.
5. **Create Schedules:** Set custom operating hours and days for the diffuser to automatically turn on and off.

### 6.3 Ambient LED Lighting

The diffuser features ambient LED lighting. Refer to the AromaTech App for specific controls to turn the LED light on/off or adjust its settings, if available.

## 7. MAINTENANCE

---

### 7.1 Cleaning the Diffuser

Regular cleaning ensures optimal performance and extends the lifespan of your diffuser.

1. **Power Off and Unplug:** Always turn off and unplug the diffuser before cleaning.
2. **Remove Oil Bottle:** Carefully unscrew and remove the essential oil bottle.
3. **Wipe Exterior:** Use a soft, damp cloth to wipe the exterior of the diffuser. Do not use abrasive cleaners or solvents.
4. **Clean Nozzle (if necessary):** If you notice reduced scent output or clogging, you may need to clean the nebulizing nozzle. Consult AromaTech support for specific instructions or use a small amount of rubbing alcohol on a cotton swab to gently clean the nozzle opening. Ensure it is completely dry before reassembling.
5. **Dry Thoroughly:** Ensure all parts are completely dry before reassembling and reconnecting power.

### 7.2 Refilling/Replacing Oil

- When the oil bottle is empty, power off and unplug the diffuser.
- Carefully unscrew the empty bottle.
- Screw in a new bottle of AromaTech essential oil blend or fragrance.
- Reconnect power and resume operation.

## 8. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Diffuser does not turn on.	No power; Power adapter not connected properly.	Ensure the power adapter is securely plugged into both the diffuser and a working electrical outlet.
No scent or weak scent output.	Oil bottle empty; Oil bottle not inserted correctly; Nozzle clogged; Incorrect intensity setting.	Check oil level and replace if empty. Ensure bottle is securely screwed in. Clean the nebulizing nozzle as per maintenance instructions. Adjust scent intensity via the AromaTech App.
Bluetooth connection issues.	Bluetooth not enabled on phone; Diffuser too far from phone; App not updated.	Ensure Bluetooth is active on your device. Move closer to the diffuser. Restart the AromaTech App or reinstall it.

Problem	Possible Cause	Solution
Diffuser making unusual noise.	Diffuser not on a flat surface; Internal component issue.	Place the diffuser on a stable, flat surface. If noise persists, contact AromaTech customer support.
