# Nifeliz Maus Tank Building Model NF10289 Instruction Manual

Brand: Nifeliz | Model: NF10289

## INTRODUCTION

This manual provides detailed instructions for assembling and understanding the Nifeliz Maus Tank Building Model (NF10289). Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience. This model is designed for enthusiasts aged 14 and above.

## SAFETY INFORMATION

This product contains small parts and is not suitable for children under 3 years old due to choking hazards. Adult supervision is recommended during assembly. Keep all packaging materials away from children.

## WHAT'S IN THE BOX

Verify that all components are present before starting assembly:

- 1 Instruction Manual
- 2272 parts in numbered bags
- 4 storage boxes

If any parts are missing, please contact Nifeliz customer support for assistance.

## ASSEMBLY INSTRUCTIONS (SETUP)

Follow the step-by-step instructions provided in the included instruction manual. The parts are organized into numbered bags to facilitate a structured building process.

1. **Preparation:** Unpack all components and organize the numbered bags according to the manual's sequence. Ensure a clean, well-lit workspace.

2. **Base Construction:** Begin by assembling the main chassis of the tank. Refer to the manual for specific part identification and connection points.
3. **Internal Mechanisms:** Construct the internal details, including the engine compartment and ammunition storage. These sections are designed to be removable for inspection.
4. **Turret Assembly:** Assemble the turret, paying close attention to the aiming mechanism. The turret is designed for omnidirectional rotation.
5. **Track Installation:** Attach the track links to the chassis. Ensure they move freely.
6. **Final Details:** Add all remaining exterior details and camouflage elements as indicated in the manual.

## MAINTENANCE

This building model requires minimal maintenance. To preserve its appearance:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using abrasive cleaners or solvents.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** Handle the model carefully, especially when moving or adjusting components, to prevent accidental disassembly or damage.

## TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** If you find any missing pieces, refer to the "What's in the Box" section and contact Nifeliz customer support with the specific part number or description.
- **Loose Connections:** If parts do not connect securely, double-check the instruction manual to ensure correct orientation and proper force application. Some connections may require firm pressure.
- **Assembly Errors:** If a section does not look correct, carefully retrace your steps in the instruction manual to identify any missed or incorrectly placed parts.
