LIGE a8849f3e-1eac-4c6f-81b6-6b1082eec950

LIGE ST2 PRO Smartwatch Instruction Manual

Model: a8849f3e-1eac-4c6f-81b6-6b1082eec950

INTRODUCTION

Thank you for choosing the LIGE ST2 PRO Smartwatch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it carefully to ensure optimal performance and longevity of your smartwatch.

PACKAGE CONTENTS

Verify that all items are present in your package:

- LIGE Smartwatch (1 unit)
- Leather Strap (1 unit)
- Silicone Strap (1 unit)
- Charging Cable (1 unit)
- Instruction Manual (1 unit)
- Strap Adjustment Tool (1 unit)

SETUP

1. Charging the Smartwatch

Before first use, fully charge the smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or computer USB port. A full charge takes approximately 2 hours.

2. Installing the App

Download the "GloryFit" app from your smartphone's app store (Google Play Store for Android, Apple App Store for iOS). Ensure your phone meets the compatibility requirements: Android 5.0+ or iOS 9.0+.

3. Pairing with Your Smartphone

1. Enable Bluetooth on your smartphone.
2. Open the "GloryFit" app and follow the on-screen instructions to create an account and set up your profile.
3. In the app, navigate to the device section and search for your smartwatch. Select the device to pair.
4. Confirm the pairing request on both your phone and the smartwatch.
5. For Bluetooth calling functionality, an additional connection may be required. On iOS 13 or later, a one-click call connection is available. For other devices, go to your phone's Bluetooth settings and connect to the smartwatch's call audio profile (e.g., "LIGE_Call").

OPERATING INSTRUCTIONS

Basic Navigation

- **Touchscreen:** Swipe left/right, up/down to navigate through menus and functions. Tap to select.
- **Side Buttons:** Use the physical buttons on the side for power on/off, returning to the home screen, or quick access to specific functions.

Bluetooth Call & Message Notification

The built-in Hi-Fi speaker and the microphone can easily respond to calls.

Always-On Display

The smartwatch features a 1.43-inch AMOLED display with an Always-On Display function. This allows the screen to remain active continuously, showing essential information without needing to raise your wrist or press a button.

HEALTH MONITORING

The smartwatch is equipped with advanced sensors (VP60A2 chip) for comprehensive health tracking:

- **Heart Rate:** Monitors dynamic heart rate 24/7.
- **Blood Oxygen (SpO2):** Measures blood oxygen levels.
- **Sleep Tracking:** Analyzes sleep patterns, including deep sleep, light sleep, and awake times.
- **Stress Levels:** Tracks stress levels throughout the day.
- **Breathing Rate:** Monitors your breathing rate.

Access detailed health reports through the "GloryFit" app to better understand your physical condition.

SPORT MODES

The smartwatch supports over 100 indoor and outdoor sport modes. It tracks daily activity data including steps, calories burned, distance, and activity time. Connect to your phone's GPS for enhanced outdoor activity tracking.

CUSTOMIZATION

Watch Faces

Choose from over 200 watch faces available in the "GloryFit" app. You can also customize the watch face using photos from your phone's gallery.

Interchangeable Straps

The smartwatch comes with two interchangeable straps: a sophisticated black/brown leather strap and a casual black silicone strap. Use the provided strap adjustment tool to change them according to your preference.

WATER RESISTANCE

The LIGE Smartwatch has an IP68 water resistance rating, providing daily protection against splashes and short immersions. It is suitable for everyday activities but avoid prolonged immersion in water, hot water, or steam.

Image: The LIGE Smartwatch being worn on a wrist with water droplets, illustrating its IP68 water resistance feature, alongside other functions like music control, weather, and battery life.

BATTERY AND CHARGING

The smartwatch is equipped with a 400 mAh battery. A full charge takes approximately 2 hours, providing 5 to 7 days of typical use and up to 20 days in standby mode.

- **Charging Time:** 2 hours
- **Typical Usage:** 5-7 days
- **Standby Time:** Up to 20 days

MAINTENANCE

- **Cleaning:** Regularly clean the watch and straps with a soft, dry cloth. If necessary, use a slightly damp cloth for the silicone strap. Avoid harsh chemicals.
- **Storage:** Store the smartwatch in a cool, dry place when not in use.
- **Avoid Extreme Conditions:** Do not expose the watch to extreme temperatures, direct sunlight for prolonged periods, or strong magnetic fields.
- **Water Exposure:** While water-resistant, dry the watch thoroughly after exposure to water to prevent skin irritation or damage to the charging contacts.

TROUBLESHOOTING

Problem	Solution
Smartwatch does not turn on.	Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
Cannot pair with smartphone.	<p>Ensure Bluetooth is enabled on your phone.</p> <p>Make sure the "GloryFit" app is installed and running.</p> <p>Restart both your phone and the smartwatch.</p> <p>Check if the watch is already paired with another device.</p>
Inaccurate health data.	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors regularly. Avoid excessive movement during measurements.
Notifications not received.	<p>Check app permissions for "GloryFit" on your phone to allow notifications.</p> <p>Ensure the watch is connected via Bluetooth.</p> <p>Disable "Do Not Disturb" mode on the watch.</p>
Bluetooth calling not working.	Ensure the call audio profile (e.g., "LIGE_Call") is connected in your phone's Bluetooth settings, in addition to the main device connection.
