3. SETUP

Follow these steps for the initial setup of your DOOGEE T35 tablet:

1. **Charge the Tablet:** Before first use, fully charge the tablet using the provided Type-C USB cable and charger.
2. **Power On:** Press and hold the power button located on the side of the tablet until the DOOGEE logo appears.
3. **Initial Configuration:** Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.
4. **Install Screen Protector:** Carefully apply the included protective film to the tablet screen to prevent scratches.
5. **Attach Case:** Place the tablet into the business leather case for protection.
6. **Connect Bluetooth Keyboard:** Turn on the Bluetooth keyboard and pair it with your tablet via the Bluetooth settings.
7. **Insert SIM Card (Optional):** If you plan to use 4G LTE calling or mobile data, insert your SIM card using the provided tool into the designated slot.

5. MAINTENANCE

To ensure the longevity and optimal performance of your DOOGEE T35 tablet, please follow these maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials.

- **Temperature:** Do not expose the tablet to extreme temperatures (hot or cold) or direct sunlight for prolonged periods.
- **Water Exposure:** Keep the tablet away from water and high humidity. While durable, it is not waterproof.
- **Software Updates:** Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements.
- **Battery Care:** Avoid fully discharging the battery frequently. For optimal battery health, try to keep the charge between 20% and 80%.
- **Storage:** When not in use for extended periods, store the tablet in a cool, dry place.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your DOOGEE T35 tablet. If you experience a problem not listed here, please contact customer support.

- **Tablet will not power on:**
 - Ensure the battery is charged. Connect the tablet to the charger and wait a few minutes before attempting to power on again.
 - Press and hold the power button for at least 10-15 seconds to perform a forced restart.
- **Tablet is slow or unresponsive:**
 - Close unnecessary background applications.
 - Clear cache data for frequently used apps.
 - Restart the tablet.
 - Ensure sufficient storage space is available. Delete unused files or apps.
- **Wi-Fi or 4G LTE connectivity issues:**
 - Toggle Wi-Fi/Mobile Data off and on in settings.
 - Restart your Wi-Fi router or check your mobile network signal.
 - Forget the Wi-Fi network and reconnect.
 - Ensure your SIM card is properly inserted and activated with your carrier.
- **Cannot connect to Google Server or sign in to account:**
 - Check your internet connection.
 - Verify your Google account credentials.
 - Ensure the date and time settings on your tablet are correct.
 - Clear the cache and data for Google Play Services and Google Play Store apps.
 - If the issue persists, a factory reset might be necessary (*Note: This will erase all data on the tablet. Back up important information first.*)
- **Bluetooth keyboard not pairing:**
 - Ensure the keyboard is charged and in pairing mode.
 - Make sure Bluetooth is enabled on the tablet.
 - Remove any previously paired keyboards from the tablet's Bluetooth settings and try pairing again.
