Tribesigns HOGA-1002-2

Tribesigns Modern Computer Desk (Model HOGA-1002-2) User Manual

Brand: Tribesigns | Model: HOGA-1002-2

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Tribesigns Modern Computer Desk, Model HOGA-1002-2. Designed for home and office use, this 63-inch desk offers a spacious work surface and a sturdy metal frame. Please read this manual thoroughly before assembly and use to ensure proper setup and longevity of your product.

2. SAFETY INFORMATION

For your safety and to prevent damage to the product, observe the following guidelines:

- Always ensure the desk is level and stable before use.
- Do not exceed the maximum weight limit of 900 lbs (approximately 408 kg).
- Follow the assembly instructions carefully to prevent injury and ensure structural integrity.
- Keep small parts away from children during assembly.
- Avoid placing hot items directly on the desk surface without protection.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

1. Desktop Panel (1)
2. Desk Legs (4)
3. Leg Support Bars (2)
4. Adjustable Leg Pads (4)

5. Assembly Hardware (screws, bolts, hex key)
6. Instruction Manual (1)

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes less than 15 minutes with the included hex key. It is recommended to have two people for easier assembly, especially when attaching the desktop.

1. **Prepare the Workspace:** Clear an open area and lay out all components on a soft, clean surface to prevent scratches.
2. **Attach Leg Support Bars:** Connect the two leg support bars between the desk legs using the provided screws. Ensure the holes align correctly. *Important: Do not overtighten screws at this stage.*
3. **Install Adjustable Leg Pads:** Screw the adjustable leg pads into the bottom of each desk leg. These pads help stabilize the desk on uneven surfaces.

4. **Assemble the Frame:** Ensure the leg frame is securely assembled. The triangular junction design enhances stability.
5. **Attach Desktop:** Carefully place the desktop panel upside down on your prepared surface. Align the assembled leg frame with the pre-drilled holes on the underside of the desktop. Secure the frame to the desktop using the remaining screws.
6. **Final Tightening:** Once all screws are in place, gradually tighten all screws evenly until the desk is firm and stable. Avoid excessive force to prevent damage.
7. **Position the Desk:** With assistance, carefully flip the desk upright and move it to its desired location. Adjust the leg pads as needed to ensure the desk is level and does not wobble.

5. OPERATION AND USAGE

Your Tribesigns Modern Computer Desk is designed for versatile use in various environments, including home offices, study rooms, bedrooms, and dormitories.

- **Work Surface:** The 63" x 23.6" desktop provides ample space for computers, monitors, printers, and other office essentials.
- **Weight Capacity:** The desk can support up to 900 lbs, making it suitable for heavy-duty equipment.
- **Leg Room:** The design offers generous leg room, enhancing comfort during extended use.
- **Adjustable Feet:** Utilize the adjustable leg pads to ensure stability on uneven flooring.

6. CARE AND MAINTENANCE

Proper care will help maintain the appearance and extend the lifespan of your desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage to the engineered wood top.
- **Protection:** Use coasters for drinks and protective pads under hot items or sharp objects to prevent marks and scratches.
- **Hardware Check:** Periodically check and retighten all screws and bolts to ensure the desk remains stable.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the material.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Issue: Desk is wobbly or unstable.

Solution:

- Ensure all screws and bolts are securely tightened.
- Adjust the leg pads on the bottom of each leg to compensate for uneven flooring. Turn them clockwise or counter-clockwise until the desk is stable.

Issue: Difficulty aligning parts during assembly.

Solution:

- Do not fully tighten screws until all components are loosely assembled. This allows for minor adjustments.
- Refer to the assembly diagrams to ensure correct orientation of parts.

Issue: Scratches or marks on the desktop.

Solution:

- For minor scratches, furniture repair pens or waxes matching the desk color may be used.
- Always use protective mats or pads for items that might scratch the surface.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	HOGA-1002-2
Product Dimensions (D x W x H)	23.6"D x 63"W x 28.7"H
Color	Black
Style	Modern
Top Material Type	Engineered Wood
Base Material	Alloy Steel
Finish Type	Powder Coated
Item Weight	46.1 Pounds
Maximum Weight Recommendation	900 Pounds
Required Assembly	Yes
Recommended Number of People for Assembly	1 (2 recommended for ease)
