Regular cleaning will help maintain the appearance and longevity of your furniture set. Use a soft cloth and mild soap with water for general cleaning of the rattan and metal frame. Rinse thoroughly and dry completely.

Cushion Care

The cushion covers are zippered and removable for easy cleaning. Machine wash cold with mild detergent on a gentle cycle, or hand wash. Air dry only; do not tumble dry. Ensure cushions are completely dry before re-attaching to prevent mildew. Store cushions indoors during inclement weather or prolonged periods of non-use.
