MAINTENANCE

To ensure the longevity and cleanliness of your LEGO bricks, follow these simple maintenance tips:

- **Cleaning:** Wash LEGO bricks by hand using lukewarm water (not exceeding 40°C or 104°F) and a mild detergent. Rinse thoroughly with clear water and allow them to air dry at room temperature. Do not use hot water, washing machines, or dryers, as this can damage the bricks.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight to prevent discoloration and warping. Keep small pieces in a container to avoid loss.

TROUBLESHOOTING

If you encounter any issues with your LEGO DREAMZzz set, please refer to the following common solutions:

- **Missing Pieces:** In the rare event of a missing piece, please visit the official LEGO Customer Service website to request replacement parts. You will need the set number (71488) and the part number (if known).
- **Difficulty Following Instructions:** If the printed instructions are unclear, try using the LEGO Builder app for interactive 3D instructions, which can provide a clearer visual guide.
- **Loose Connections:** Ensure that all bricks are firmly pressed together. LEGO bricks are designed for a snug fit.
