## WHAT'S INCLUDED

This set contains 450 LEGO building elements, including:

- Assorted colorful bricks in blue, green, purple, brown, and other shades.
- Special elements such as eye pieces, mouth pieces, and decorative elements to add character to your creations.
- An intuitive building guide with step-by-step instructions for initial models and ideas for free building.

All models shown on the box can be built using the included pieces, though not all models can be built simultaneously.

## ASSEMBLY INSTRUCTIONS

The LEGO Classic Creative Dinosaurs set comes with a detailed instruction guide to help you build the primary models. For additional guidance and creative ideas, you can also utilize the LEGO Builder app.

## General Steps:

1. **Unpack:** Carefully open the box and sort the LEGO elements by color or type to make building easier.
2. **Follow Instructions:** Refer to the included building guide for step-by-step visual instructions for each model.
3. **Connect Bricks:** Securely connect the LEGO bricks as indicated in the instructions. Ensure pieces are firmly pressed together.
4. **Personalize:** Use the special eye and mouth pieces to give your dinosaurs unique expressions.

## Featured Models:

The set allows you to build several iconic dinosaur figures and accessories:

- **T. rex:** A green Tyrannosaurus rex figure, complete with a bone accessory.
- **Triceratops:** A brown Triceratops figure with distinctive horns.
- **Brontosaurus:** A blue Brontosaurus figure, often depicted with a long neck.
- **Pterosaur:** A pink Pterosaur figure with movable wings.
- **Baby T. rex in an Egg:** A small green baby T. rex hatching from an egg.
- **Volcano:** A gray and orange volcano model with white smoke elements.
- **Palm Tree:** A brown and green palm tree model.
