Safety Information

To ensure safe operation and prevent damage, observe the following precautions:

- Do not expose the headphones to extreme temperatures, humidity, or direct sunlight.
- Avoid dropping or subjecting the headphones to strong impacts.
- Do not disassemble, modify, or attempt to repair the headphones yourself. Refer to qualified service personnel.
- Keep out of reach of children and pets.

- Clean only with a soft, dry cloth. Do not use liquid cleaners or aerosols.
- Prolonged listening at high volume levels may cause hearing damage.

Package Contents

Verify that all items are present in the package:

- JVC HA-S75N Wireless Active Noise Cancelling Headphones
- USB Charging Cable
- User Manual (this document)
- Headband (integrated)

Product Overview

The JVC HA-S75N headphones are designed for comfort and superior audio performance. They feature a lightweight construction and soft ear pads for extended wear.

Figure 2: The headphones feature a honeycomb ribbed construction, contributing to their lightweight design and durability.

Key Features:

- **Active Noise Cancellation (ANC):** Reduces ambient noise for an immersive listening experience.
- **Ambient Sound Mode:** Allows you to hear your surroundings while listening to audio.
- **Bluetooth 5.3:** Provides stable and efficient wireless connectivity.
- **3 Audio Modes:** Normal, Bass, and Clear modes to customize your sound.
- **Multipoint Connection:** Connect to two devices simultaneously.
- **Long Battery Life:** Up to 35 hours with ANC on, 50 hours with ANC off.
- **Foldable Design:** Two-way folding for compact storage and portability.
- **Comfortable Fit:** Soft comfort pads and an ergonomic hanger design.

Figure 4: The soft ear pads and lightweight design ensure ultimate comfort for prolonged use.

Controls and Ports:

The headphones feature intuitive button controls for easy management of audio and calls.

- **Power Button:** Located on the left ear cup. Press and hold to power on/off.
- **Volume Rockers:** Located on the right ear cup. Adjust volume up or down.
- **Multi-function Button:** For play/pause, answering/ending calls.

- **ANC/Ambient Mode Button:** Toggles between Active Noise Cancellation, Ambient Sound Mode, and Off.
- **USB-C Port:** For charging the headphones.

Setup

1. Charging the Headphones

Before first use, fully charge the headphones. Connect the supplied USB charging cable to the USB-C port on the headphones and to a USB power adapter (not included) or a computer's USB port. The LED indicator will show charging status.

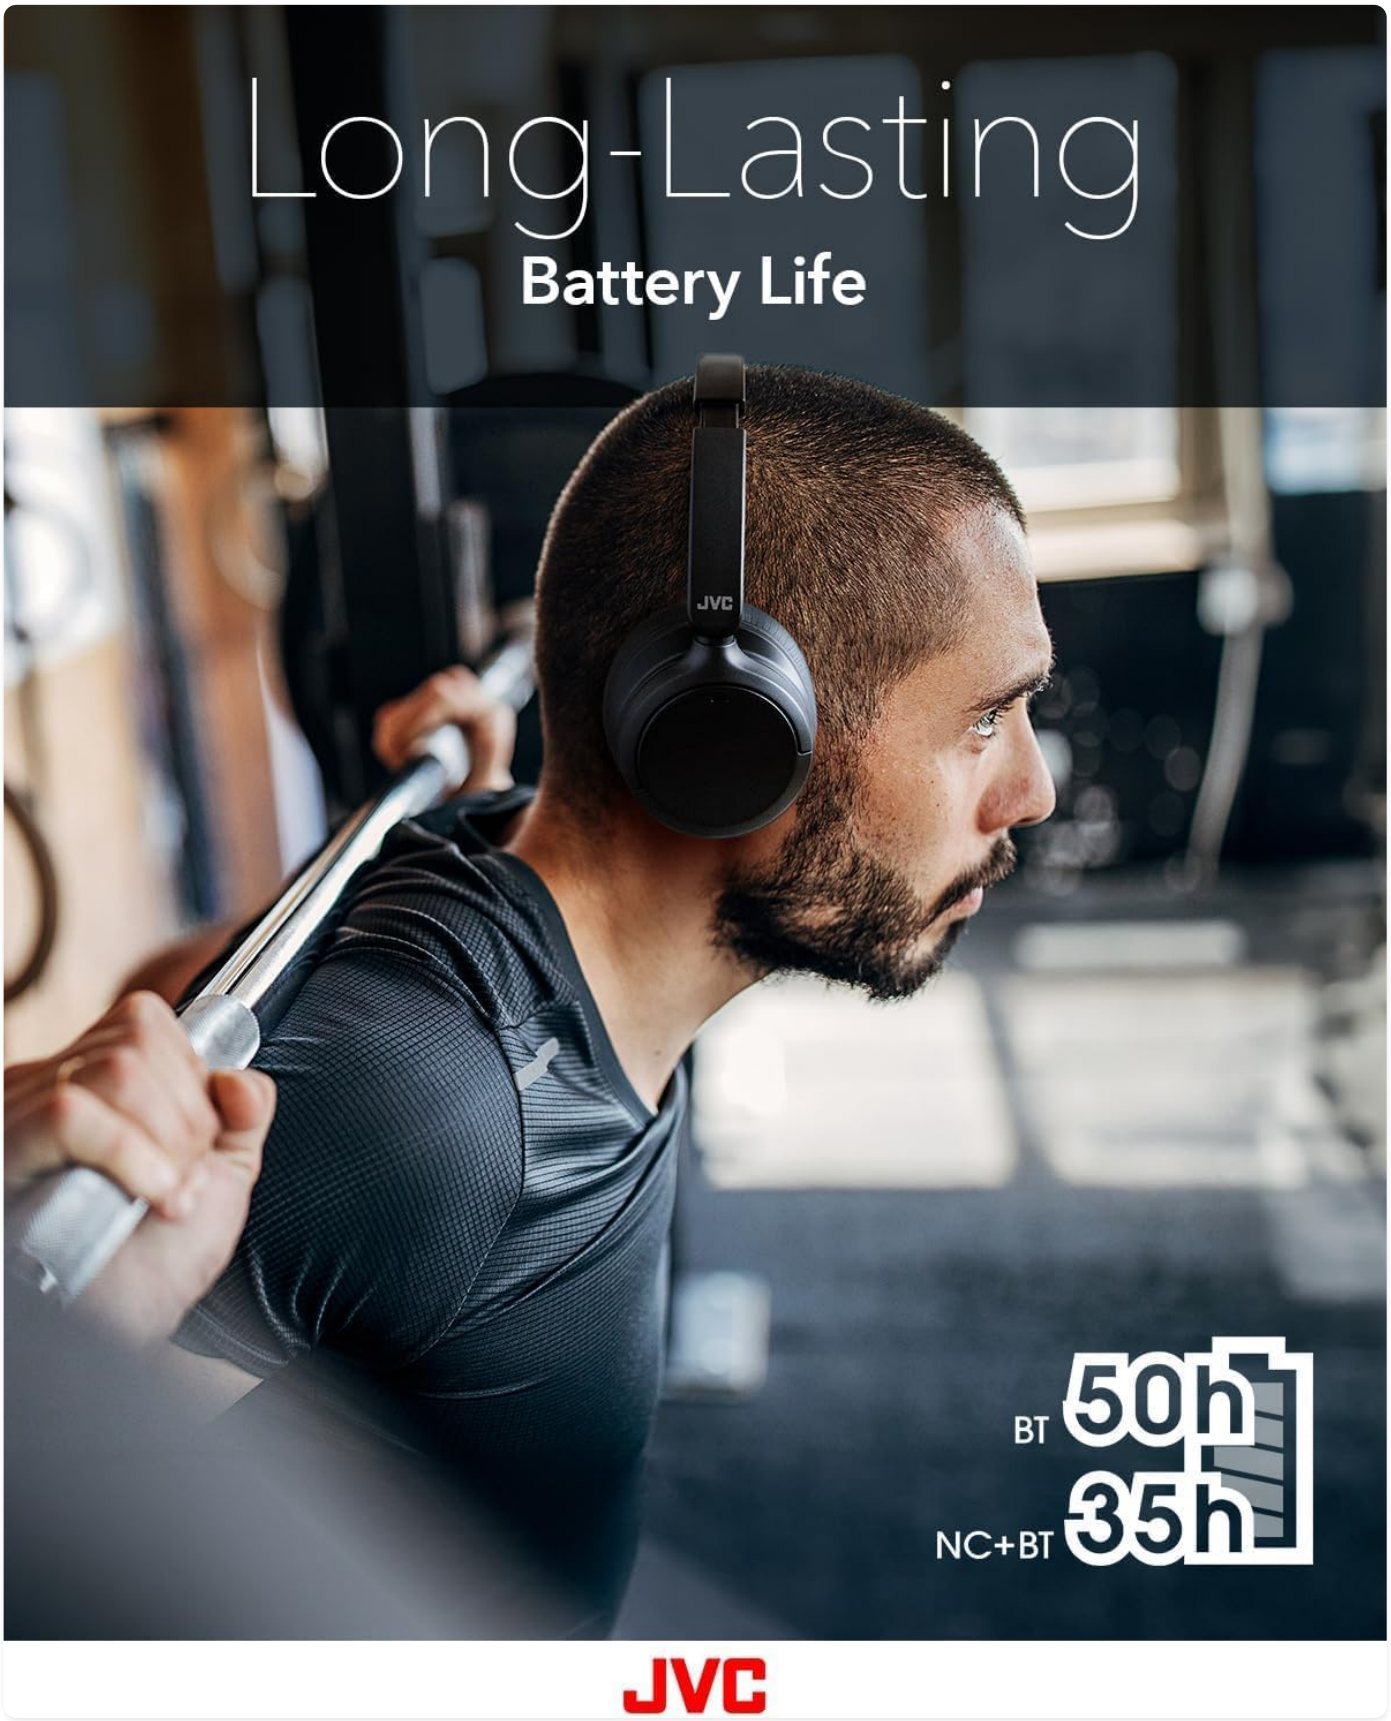

Figure 6: The headphones offer long-lasting battery life, up to 50 hours via Bluetooth and 35 hours with Noise Cancelling and Bluetooth enabled.

2. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "JVC HA-S75N" from the list of devices.

5. Once connected, the LED indicator will turn solid blue.

For multipoint connection, pair the headphones with the first device, then disable Bluetooth on the first device. Put the headphones back into pairing mode and pair with the second device. Re-enable Bluetooth on the first device, and the headphones should connect to both.

Operating Instructions

Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds.
- **Power Off:** Press and hold the Power button for approximately 3 seconds.

Active Noise Cancellation (ANC) and Ambient Sound Mode

Press the ANC/Ambient Mode button to cycle through the modes:

- **Active Noise Cancellation:** Reduces external noise.
- **Ambient Sound Mode:** Allows you to hear surrounding sounds for awareness.
- **Off:** Disables both ANC and Ambient Sound Mode.

Audio Modes

The headphones offer three distinct audio modes for personalized listening:

- **Normal:** Standard balanced audio.
- **Bass:** Enhances low-frequency sounds for a richer bass experience.
- **Clear:** Optimizes vocal clarity for podcasts and audiobooks.

Refer to the JVC app for further customization of audio settings.

Figure 7: Personalize your sound experience and fine-tune settings using the dedicated JVC app.

Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button.

Figure 8: The headphones are suitable for telework, offering clear voice communication and convenient features.

Maintenance

Cleaning

Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners, alcohol, or solvents, as these may damage the surface or internal components.

Storage

When not in use, store the headphones in a cool, dry place. The two-way foldable design allows for compact storage, making them ideal for travel.

Figure 9: The headphones feature a two-way foldable design for easy storage and portability.

Troubleshooting

If you encounter issues with your headphones, refer to the following common solutions:

Problem	Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source and allow time to charge.
Cannot pair with a device.	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Move closer to the device.
No sound or low volume.	Check headphone and device volume levels. Ensure headphones are properly paired. Try restarting both devices.
Noise Cancellation is not effective.	Ensure ANC mode is activated. Check that the ear pads form a good seal around your ears.
Intermittent connection.	Reduce distance between headphones and device. Avoid obstacles. Disconnect from other devices if using multipoint connection.

Specifications

Feature	Detail
