Kuulaa 5000mAh Magnetic Power Bank (Model KL-YD68) Instruction Manual

Model: KL-YD68 | Brand: Kuulaa

INTRODUCTION

Thank you for choosing the Kuulaa 5000mAh Magnetic Power Bank. This ultra-slim and portable charger is designed to provide convenient and efficient power to your devices on the go. Featuring MagSafe compatibility, 20W PD USB-C wired fast charging, and a versatile rotatable kickstand, it ensures your devices stay powered and accessible. This manual provides essential information for safe and optimal use of your power bank.

PACKAGE CONTENTS

- 1 x Kuulaa 5000mAh Magnetic Power Bank
- 1 x USB-C to USB-C Charging Cable
- 1 x User Manual

WHAT You Get

1x 5000 Magnetic Power Bank
1x USB C to C Cable
1x Manual

SETUP

1. Initial Charging of the Power Bank

1. Connect the provided USB-C to USB-C cable to the power bank's USB-C port.
2. Connect the other end of the cable to a compatible USB power adapter (not included).
3. The constellation-style indicator lights will illuminate to show the charging status and remaining power.
4. Charge the power bank fully before first use.

2. Compatibility

- **Magnetic Wireless Charging:** Compatible with iPhone 16/15/14/13/12 series and magnetic cases.
- **Wired Charging:** Compatible with iPhone, iPad, Samsung S23/S22/S21/S20 series, and other mobile phones, tablets, or electronic devices via USB-C.

OPERATING INSTRUCTIONS

1. Magnetic Wireless Charging (7.5W for iPhone)

1. Align the power bank with the back of your compatible iPhone (16/15/14/13/12 series) or magnetic case.
2. The power bank will snap into place securely due to its strong magnetic force (up to 10N).
3. Charging will begin automatically. To turn off, press the power button twice.

another device via USB-C.

2. Wired Fast Charging (20W PD USB-C Output)

- For faster charging, connect your device to the power bank's USB-C output port using a compatible USB-C cable.
- This supports 20W Power Delivery (PD) fast charging for quick power boosts.

3. Using the Rotatable Stand

- The integrated kickstand can be adjusted from 0-120° to prop up your iPhone on a desktop.
- This feature allows for flexible viewing angles for videos, calls, or general use while charging.
- The stand can also be used as a finger ring or grip for enhanced handling.

4. Battery Indicator Lights

- The constellation-style indicator lights provide a clear visual of the power bank's status:
 - **Orange Light:** Indicates wireless charging status.
 - **Blue Lights:** Indicate remaining power (e.g., 4 lights for 76-100%, 1 light for 0-25%).

Image: Close-up of the power bank's indicator lights, showing orange for wireless charging and blue for remaining power levels.

MAINTENANCE

- Keep the power bank dry and away from moisture.
- Avoid extreme temperatures.
- Clean with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store in a cool, dry place when not in use.

TROUBLESHOOTING

- **Device not charging:**
 - Ensure the power bank is charged.
 - Verify proper alignment for wireless charging or secure cable connection for wired charging.
 - Check device compatibility, especially for MagSafe.
- **Weak magnetic attachment:**
 - Ensure your iPhone is a compatible model (16/15/14/13/12 series) or has a magnetic case.
 - Remove any non-magnetic cases or accessories that may interfere.
- **Overheating:**
 - It is normal for the power bank to become slightly warm during charging.
 - If it becomes excessively hot, disconnect it immediately and contact customer support.

SPECIFICATIONS

Feature	Detail
Model Number	KL-YD68
Battery Capacity	5000mAh
Product Dimensions	4 x 2.7 x 0.4 inches
Item Weight	5.9 ounces
Wireless Charging Output	7.5W (for iPhone)
Wired Charging Output	20W PD (USB-C)
Special Features	Over Charging Protection, Rotatable Kickstand, Slim Design, USB C Fast Charging, Wireless Charging
Material	Aluminum Alloy Shell

Portable Option

Video Calls & Movie Watching
