SAFETY INFORMATION

Always adhere to the following safety guidelines:

- Follow all assembly instructions carefully to ensure the desk is stable and safe for use.
- Do not exceed the maximum weight recommendation of **132 pounds (60 kg)** to maintain the desk's stability and safety.
- Keep children and pets away from the desk during height adjustments.
- Ensure no obstacles are present in the desk's path during movement.
- Avoid placing liquids directly on the control panel or motor components.
- Unplug the desk from the power outlet before cleaning or performing any maintenance.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Electric Standing Desk Frame and Tabletop
- Monitor Shelf
- Control Panel
- Power Adapter and Cable
- Cup Holder
- Headphone Hook
- Assembly Tool Kit
- Installation and Usage Manual (this document)

SETUP INSTRUCTIONS

Assembly is required. All necessary tools are included in the package. Follow the steps below for a hassle-free setup:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Desk Frame:** Attach the desk legs to the crossbar and feet according to the diagrams in the included assembly guide. Ensure all screws are tightened securely.
3. **Attach Tabletop:** Place the tabletop upside down on your soft surface. Carefully align the assembled frame with the pre-drilled holes on the tabletop and secure it with the provided screws.
4. **Install Monitor Shelf:** Attach the monitor shelf supports to the tabletop, then secure the monitor shelf to the supports.
5. **Mount Control Panel:** Secure the control panel to the underside of the tabletop in an easily accessible location.
6. **Connect Cables:** Connect the motor cables to the control box and the control panel cable to the control box. Plug the power adapter into the control box.
7. **Attach Accessories:** Install the cup holder and headphone hook to your preferred locations on the desk edges.
8. **Cable Management:** Use the integrated cable holes and any provided cable ties to organize power and data cables for a tidy workspace.

Product Dimensions

OPERATING INSTRUCTIONS

Your electric standing desk offers smooth and quiet height adjustments with memory presets.

Height Adjustment

- **Up/Down Buttons (▲ / ▼):** Press and hold the up (▲) or down (▼) buttons on the control panel to raise or lower the desk to your desired height. The desk will move smoothly between 28.7 inches and 46.4 inches.

Memory Presets

The control panel allows you to save up to three preferred height settings.

- **To Save a Preset:** Adjust the desk to your desired height using the up/down buttons. Press the 'M' button, then press one of the numbered preset buttons (1, 2, or 3) within 3 seconds. The display will show 'S-' followed by the number, indicating the height is saved.
- **To Use a Preset:** Simply press the corresponding numbered preset button (1, 2, or 3). The desk will automatically move to the saved height.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your desk.

- **Cleaning:** Wipe the desk surface and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cable Check:** Periodically inspect all cables for any signs of wear or damage. Ensure they are securely connected and not pinched.
- **Screw Tightness:** Occasionally check and tighten any loose screws on the frame or tabletop to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the desk surface to prevent strain on the lifting mechanism.

TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk does not move	Power cable disconnected; Motor cable loose; Overload protection activated	Check power connection; Reconnect motor cables; Reduce weight on desk
Desk moves unevenly	Uneven weight distribution; Loose screws	Redistribute weight; Tighten all assembly screws
Error code on display	Specific system error	Refer to the detailed error code section in the full manual (if available) or contact customer support. Try unplugging and replugging the power after 10 seconds.
Desk makes unusual noise	Obstruction; Loose components	Check for obstructions under the desk; Ensure all screws are tight.
