Lehoo Castle RC-019

Lehoo Castle Remote Control Police Car & Fire Truck Instruction Manual

Model: RC-019

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your Lehoo Castle Remote Control Police Car and Fire Truck set. Designed for toddlers aged 3 and up, these vehicles offer engaging play with simple controls, lights, and sounds. Please read these instructions carefully before use and retain them for future reference.

2. PACKAGE CONTENTS

Ensure all items listed below are present in your package:

- 1 x Remote Control Police Car
- 1 x Remote Control Fire Truck
- 2 x Remote Controllers (one for each vehicle)
- 2 x Detachable Little People Figures (Police Officer, Firefighter)
- 1 x Screwdriver
- 1 x USB Charging Cable
- 1 x User Guide

My Easy RC

Each remote control requires 2 AA batteries. (Not included)

3.2 Vehicle Charging

The remote control cars feature built-in 3.7V 500mAh lithium batteries. Before first use, fully charge both vehicles. The charging time is approximately 60-120 minutes.

1. Ensure the ON/OFF switch on the bottom of the car is in the 'OFF' position before charging.
2. Connect the USB charging cable to the charging port located on the underside of each vehicle.
3. Connect the other end of the USB cable to a 5V USB device (e.g., computer, USB wall adapter).
4. The indicator light on the charging cable will turn red while charging and will turn off when the battery is full.

4. OPERATING INSTRUCTIONS

4.1 Powering On/Off

Locate the ON/OFF switch on the bottom of each vehicle and slide it to the 'ON' position to activate. To turn off, slide the switch to 'OFF'.

4.2 Remote Controller Functions

Each remote controller features simple 2-button controls for easy operation:

- **Forward Button (Up Arrow):** Press to move the vehicle forward.
- **Reverse Left Button (Curved Arrow):** Press to move the vehicle backward and turn left simultaneously.
- **Lights Button (Lightbulb Icon):** Press to activate or deactivate the vehicle's lights.
- **Music/Sound Effects Button (Music Note Icon):**
 - a. First Press: Engine startup sound.
 - b. Second Press: Horn sound.
 - c. Third Press: Police car/fire truck sirens.
 - d. Press twice quickly to switch off sounds.

5. MAINTENANCE

- Wipe the vehicles and remotes with a dry, soft cloth to clean.
- Avoid exposing the toys to water or excessive moisture.
- Store in a cool, dry place away from direct sunlight when not in use.
- Remove batteries from remote controllers if storing for extended periods to prevent leakage.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Vehicle does not move or respond to remote.	Vehicle battery low/dead; Remote controller batteries low/dead; Vehicle ON/OFF switch is OFF.	Charge vehicle battery; Replace remote controller batteries; Turn vehicle ON/OFF switch to ON.
Lights/Sounds not working.	Vehicle ON/OFF switch is OFF; Battery issues.	Turn vehicle ON/OFF switch to ON; Check/charge vehicle battery or replace remote batteries.
