SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- **Electrical Components:** This product includes electrical components for lighting and charging. Follow all assembly and operating instructions carefully regarding electrical connections.
- **Power Outlets:** Do not overload the built-in power outlets. Ensure that the total power consumption of connected devices does not exceed the specified limits.
- **Water Exposure:** Keep the vanity desk away from water sources to prevent electrical shock or damage.
- **Ventilation:** Ensure proper ventilation around the lighting components to prevent overheating.
- **Weight Limits:** Do not exceed the weight limits for the tabletop and drawers. Refer to the specifications section for details.
- **Assembly:** Assembly is required. Follow the included assembly instructions step-by-step. Ensure all fasteners are securely tightened before use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should include:

- Vanity Desk Components (panels, drawers, cabinet doors)
- Mirror with Integrated Lights
- Power Strip with AC Outlets and USB Ports
- Hair Dryer Rack
- RGB Ambient Light Strip
- Accessory Bag (screws, dowels, hinges, drawer slides, handles, light controller)
- Assembly Instructions (separate document)

SETUP AND ASSEMBLY

Assembly of the Xixini Makeup Vanity Desk requires following the detailed instructions provided in the separate assembly guide included in your package. Below are general steps and tips:

1. **Unpack and Inspect:** Carefully unpack all components and check for any damage or missing parts. Lay out all pieces on a clean, soft surface to prevent scratches.
2. **Assemble Base Structure:** Begin by assembling the main desk frame, including the side panels and central support.
3. **Install Drawers and Cabinets:** Attach the drawer slides to the desk frame and assemble the drawers. Install hinges for the cabinet doors and attach them to the frame.
4. **Attach Top Section:** Secure the upper mirror section to the main desk. Ensure it is aligned and firmly attached.
5. **Install Mirror and Lights:** Place the mirror into its designated slot. Connect the mirror lights according to the electrical instructions.
6. **Connect Power Strip:** Install the built-in power strip and connect its power cord.
7. **Attach Hair Dryer Rack:** Secure the hair dryer rack to the side of the desk.
8. **Install RGB Ambient Light:** Adhere the RGB light strip under the tabletop and connect it to its controller.
9. **Final Checks:** Ensure all screws and fasteners are tight. Test all electrical functions (mirror lights, RGB lights, charging station).

MAINTENANCE

Proper care will ensure the longevity of your vanity desk:

- **Cleaning:** Wipe the surface with a dry cloth. For stubborn marks, use a slightly damp cloth with a mild, non-abrasive cleaner, then dry immediately. Avoid harsh chemicals.
- **Dusting:** Regularly dust all surfaces, including the mirror and lights, to maintain clarity and brightness.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied.
- **Electrical Components:** Ensure all electrical connections are secure. If any part of the lighting or charging station malfunctions, discontinue use and consult a qualified technician.
- **Fasteners:** Occasionally check and tighten any loose screws or fasteners to maintain stability.

TROUBLESHOOTING

If you encounter any issues, refer to the following common troubleshooting steps:

- **Mirror Lights Not Working:**
 - Check if the power cord is securely plugged into a working outlet.
 - Ensure the light controller is properly connected and turned on.
 - Verify that the brightness setting is not at 0%.
- **RGB Ambient Lights Not Working:**
 - Confirm the RGB light strip is correctly connected to its power source and controller.
 - If using the APP, ensure your device is properly paired and the app is functioning correctly.
 - Check the physical control button for responsiveness.
- **Charging Station Not Providing Power:**
 - Ensure the vanity desk's main power cord is plugged in.
 - Test the outlets with another device to confirm they are receiving power.
 - Avoid overloading the outlets; unplug some devices if too many are connected.

• **Drawers Sticking or Not Sliding Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides are properly aligned and securely attached.
- Apply a small amount of silicone lubricant to the slides if necessary.

If these steps do not resolve the issue, please contact customer support.
