## Weofly Curve

# Weofly Smart Watch (Model Curve) User Manual

Your guide to setup, operation, and maintenance.

## INTRODUCTION

Thank you for choosing the Weofly Smart Watch, Model Curve. This device is designed to enhance your daily life with advanced features including a vibrant AMOLED display, comprehensive health monitoring, multi-sport tracking, and convenient Bluetooth calling. This manual provides essential information to help you get started and make the most of your new smartwatch.

## SETUP GUIDE

### 1. Charging the Smart Watch

Before first use, fully charge your Weofly Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or a computer USB port. A full charge typically takes approximately 2.5 hours.

## 2. App Installation and Pairing

To unlock all features and synchronize data, download the companion application to your smartphone. Refer to the included user manual in the box for specific app name and QR code for download. Once installed, open the app and follow the on-screen instructions to pair your smartwatch via Bluetooth. Ensure Bluetooth is enabled on your phone.

## OPERATING THE SMART WATCH

### Display and Navigation

The Weofly Smart Watch features a 1.43-inch AMOLED HD screen with a resolution of 466x466 pixels, offering clear and vibrant visuals. Navigate through menus and functions by swiping across the touchscreen and pressing the physical buttons on the side of the watch.

### HEALTH MONITORING

The Weofly Smart Watch provides comprehensive health tracking features to help you monitor your well-being.

- **Heart Rate Monitoring:** Continuous 24-hour heart rate tracking.
- **Blood Oxygen Monitoring:** Measures your blood oxygen saturation levels.
- **Sleep Monitoring:** Analyzes your sleep patterns to help improve sleep quality.
- **Stress Tracker:** Monitors your stress levels throughout the day.

## OTHER FEATURES

The Weofly Smart Watch includes several additional features for convenience:

- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Music Control:** Manage music playback on your paired smartphone.
- **Voice Assistant:** Access your phone's voice assistant directly from the watch.
- **Alarm Clock:** Set alarms for reminders.
- **Weather Forecast:** Get real-time weather updates.

## MAINTENANCE

To ensure the longevity and optimal performance of your Weofly Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and dry thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong chemicals, as they can damage the watch's finish and internal components.

- **Storage:** When not in use for extended periods, store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Charging:** Use only the provided magnetic charging cable. Avoid overcharging by disconnecting once fully charged.

## TROUBLESHOOTING

If you encounter issues with your Weofly Smart Watch, try the following solutions:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot Pair with Phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then try pairing again through the app.
- **Inaccurate Health Data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Notifications Not Received:** Check your phone's app settings to ensure notifications are enabled for the companion app and the specific applications you wish to receive alerts from. Ensure the watch is connected via Bluetooth.
- **Screen Unresponsive:** Try restarting the watch by pressing and holding the power button. If unresponsive, allow the battery to drain completely and then recharge.

## SPECIFICATIONS

Display Size	1.43 Inches AMOLED
Resolution	466x466 pixels
Model Number	Curve
Battery Capacity	400 Milliamp Hours (Lithium Polymer)
Connectivity	Bluetooth 5.0
Water Resistance	IP68
Operating System	Compatible with Android 5.0+
Memory Storage Capacity	128 MB
Item Weight	5.9 ounces
