Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list provided in the manual to ensure all pieces are present and undamaged.
2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard

to protect the furniture pieces and your floor.

3. **Assemble Frame:** Follow the step-by-step diagrams to construct the main frame of the dresser. Ensure all connections are secure.

6. Troubleshooting

If you encounter any issues with your dresser, refer to the following common solutions:
