## Fameill Full Size LED Bed Frame with Bluetooth Speaker and Charging Station (Model: B0DJ5SMLBZ)

# Fameill Full Size LED Bed Frame

## USER MANUAL

### 1. Product Overview

The Fameill Full Size LED Bed Frame is designed to enhance your bedroom experience with integrated features for comfort and convenience. This platform bed frame includes built-in Bluetooth speakers, RGB LED light strips, and a charging station within the headboard. Its unique wave-like curved design and upholstered headboard provide both style and ergonomic support.

Image 1.1: Overview of the Fameill Full Size LED Bed Frame, showcasing its modern design with integrated blue LED lighting and the overall structure.

### Key Features:

- **Built-in Bluetooth Speakers:** Two speakers integrated into the bed frame for audio playback.
- **RGB LED Light Strips:** Customizable lighting along the headboard and bed sides with remote control.
- **Integrated Charging Station:** Features 2 AC outlets, 1 USB port, and 1 Type-C port in the headboard.
- **Ergonomic PU Leather Headboard:** Soft, comfortable, and designed for optimal back support.
- **Wave-Like Curved Design:** Modern aesthetic with softened, rounded corners for safety.
- **Noise-Free Construction:** Designed for quiet and stable support.

## 2. Safety Information

Please read and understand all safety warnings before assembly and use of the bed frame. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limit:** Do not exceed the maximum weight recommendation of 1100 pounds (approximately 499 kg).
- **Handling:** Exercise caution when handling components during assembly and use to prevent injury, especially around the gap between the mattress and the wooden slat support.
- **Electrical Safety:** Ensure all electrical connections for the charging station and LED lights are secure and follow local electrical codes. Do not overload the charging station.
- **Children and Pets:** Keep small children and pets away from small parts during assembly. Ensure the bed frame is fully assembled and stable before use.
- **Placement:** Place the bed frame on a flat, stable surface.

### 3. Setup and Assembly

Assembly of the Fameill Full Size LED Bed Frame is required. It is recommended that two adults assemble this product. Please ensure all parts are present before beginning assembly. Tools for assembly are typically included or standard household tools may be required.

#### 3.1. Unpacking and Part Identification

1. Carefully unpack all components from the packaging.
2. Lay out all parts on a clean, soft surface (e.g., a rug or blanket) to prevent scratching.
3. Refer to the included parts list (not provided in this manual, typically in a separate assembly guide) to identify and count all components and hardware.

#### 3.2. Assembly Steps (General Guidelines)

While specific step-by-step instructions are provided with your product packaging, the general assembly sequence involves:

1. Attach the side rails to the headboard and footboard.
2. Install the center support beam(s) and legs.
3. Place and secure the wooden slats onto the bed frame.
4. Connect the LED light strips and charging station wiring as per the specific instructions provided with the product.
5. Ensure all bolts and screws are tightened securely, but do not overtighten.

#### SOFT BED CORNER

Protect your family from bumps and bruises

#### PREMIUM PU LEATHER

Envelops you in comfort and luxury

#### SUNKEN DESIGN

Prevent mattress movement

Image 3.2: Features like soft bed corners, premium PU leather, and the sunken mattress design, which aids in securing the mattress.

## 4. Operating Instructions

### 4.1. Bluetooth Speaker Operation

The bed frame features two built-in Bluetooth speakers for audio playback.

1. **Power On:** Ensure the bed frame is connected to a power source. The speakers will typically power on automatically or have a dedicated power button (refer to product-specific controls).
2. **Pairing:** On your smartphone or Bluetooth-enabled device, search for available Bluetooth devices. Select the device named "Fameill Bed Speaker" or similar (check product label for exact name).
3. **Connect:** Once paired, your device will connect to the speakers. You can now play audio through the bed frame speakers.
4. **Volume Control:** Adjust volume directly from your connected device.

Image 4.1: Illustration of the integrated Bluetooth speakers, emphasizing their ability to play music.

### 4.2. RGB LED Light Strips Control

The RGB LED light strips can be controlled using the provided 17-key wireless remote control.

1. **Power On/Off:** Use the power button on the remote to turn the lights on or off.

2. **Color Selection:** Press the color buttons on the remote to select from 20 static colors.
3. **Dynamic Modes:** Choose from 21 dynamic modes (e.g., flash, fade, strobe) to create different lighting effects.
4. **Brightness Adjustment:** Use the brightness up/down buttons to adjust the light intensity (8 levels available).
5. **Speed Adjustment:** For dynamic modes, use the speed up/down buttons to adjust the transition speed (8 levels available).
6. **Music Sync Mode:** If available, activate the music sync mode to have the lights react to audio played through the Bluetooth speakers.

### 4.3. Charging Station Usage

The integrated charging station provides convenient power access for your electronic devices.

- **AC Outlets:** Plug in standard electronic devices requiring 125V / 12A power.
- **USB Port:** Connect USB-A compatible devices for 5V / 2A charging.
- **Type-C Port:** Connect USB-C compatible devices for 5V / 2A charging.
- **Simultaneous Charging:** Up to four devices can be charged simultaneously.

Image 4.3: Detailed view of the charging station, showing the AC outlets, USB, and Type-C ports for device charging.

## 5. Maintenance

Regular maintenance will help prolong the life and appearance of your Fameill bed frame.

- **PU Leather Cleaning:** Wipe the upholstered headboard and frame surfaces with a soft, damp cloth. For tougher stains, use a mild leather cleaner specifically designed for PU leather. Avoid abrasive cleaners or solvents.
- **Frame Cleaning:** Dust the metal and wooden components with a dry or slightly damp cloth.
- **Electrical Components:** Keep the charging station and LED light strips free from dust and moisture. Do not spray liquids directly onto electrical parts.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **Ventilation:** Ensure adequate airflow around the bed frame, especially near electrical components, to prevent overheating.

## 6. Troubleshooting

This section addresses common issues you might encounter with your bed frame.

Problem	Possible Cause	Solution
LED lights not working.	Not plugged in; remote control battery low; remote not aimed correctly; loose connection.	Ensure power cord is securely plugged in. Replace remote control battery. Aim remote directly at the receiver. Check all LED strip connections.
Bluetooth speakers not connecting.	Speakers not powered on; device Bluetooth off; already paired to another device; out of range.	Ensure bed frame is powered. Turn on Bluetooth on your device. Disconnect from other devices. Move device closer to speakers.
Charging station not providing power.	Bed frame not plugged in; circuit breaker tripped; device cable faulty; overloaded.	Verify bed frame is plugged into a working outlet. Check household circuit breaker. Try a different charging cable. Reduce number of devices charging simultaneously.
Bed frame is noisy or wobbly.	Loose hardware; uneven floor.	Retighten all assembly bolts and screws. Ensure bed frame is on a level surface; use shims if necessary.

*If the problem persists after attempting these solutions, please contact customer support.*

## 7. Specifications

Detailed specifications for the Fameill Full Size LED Bed Frame:

Feature	Detail
Brand	Fameill
Model Name	Full Size LED Bed Frame with Bluetooth Speaker and Charging Station
ASIN	B0DJ5SMLBZ
