Inateck KB05114-BK-US

Inateck Bluetooth Keyboard User Manual

Model: KB05114-BK-US

1. Introduction

Thank you for choosing the Inateck Bluetooth Keyboard. This manual provides detailed instructions for setting up, operating, and maintaining your new keyboard. Please read this manual thoroughly before use to ensure optimal performance and longevity of your device.

2. Compatibility

This keyboard is designed for specific Microsoft Surface Pro models. Ensure your device is compatible before attempting to connect.

- **Supported Models:** Surface Pro 11, Surface Pro 10, Surface Pro X (1st/2nd/3rd generation), Surface Pro 9, Surface Pro 8.
- **Not Compatible With:** Other Surface Pro models (e.g., Surface Pro 7/7+/6/5/4) or Surface Go models.

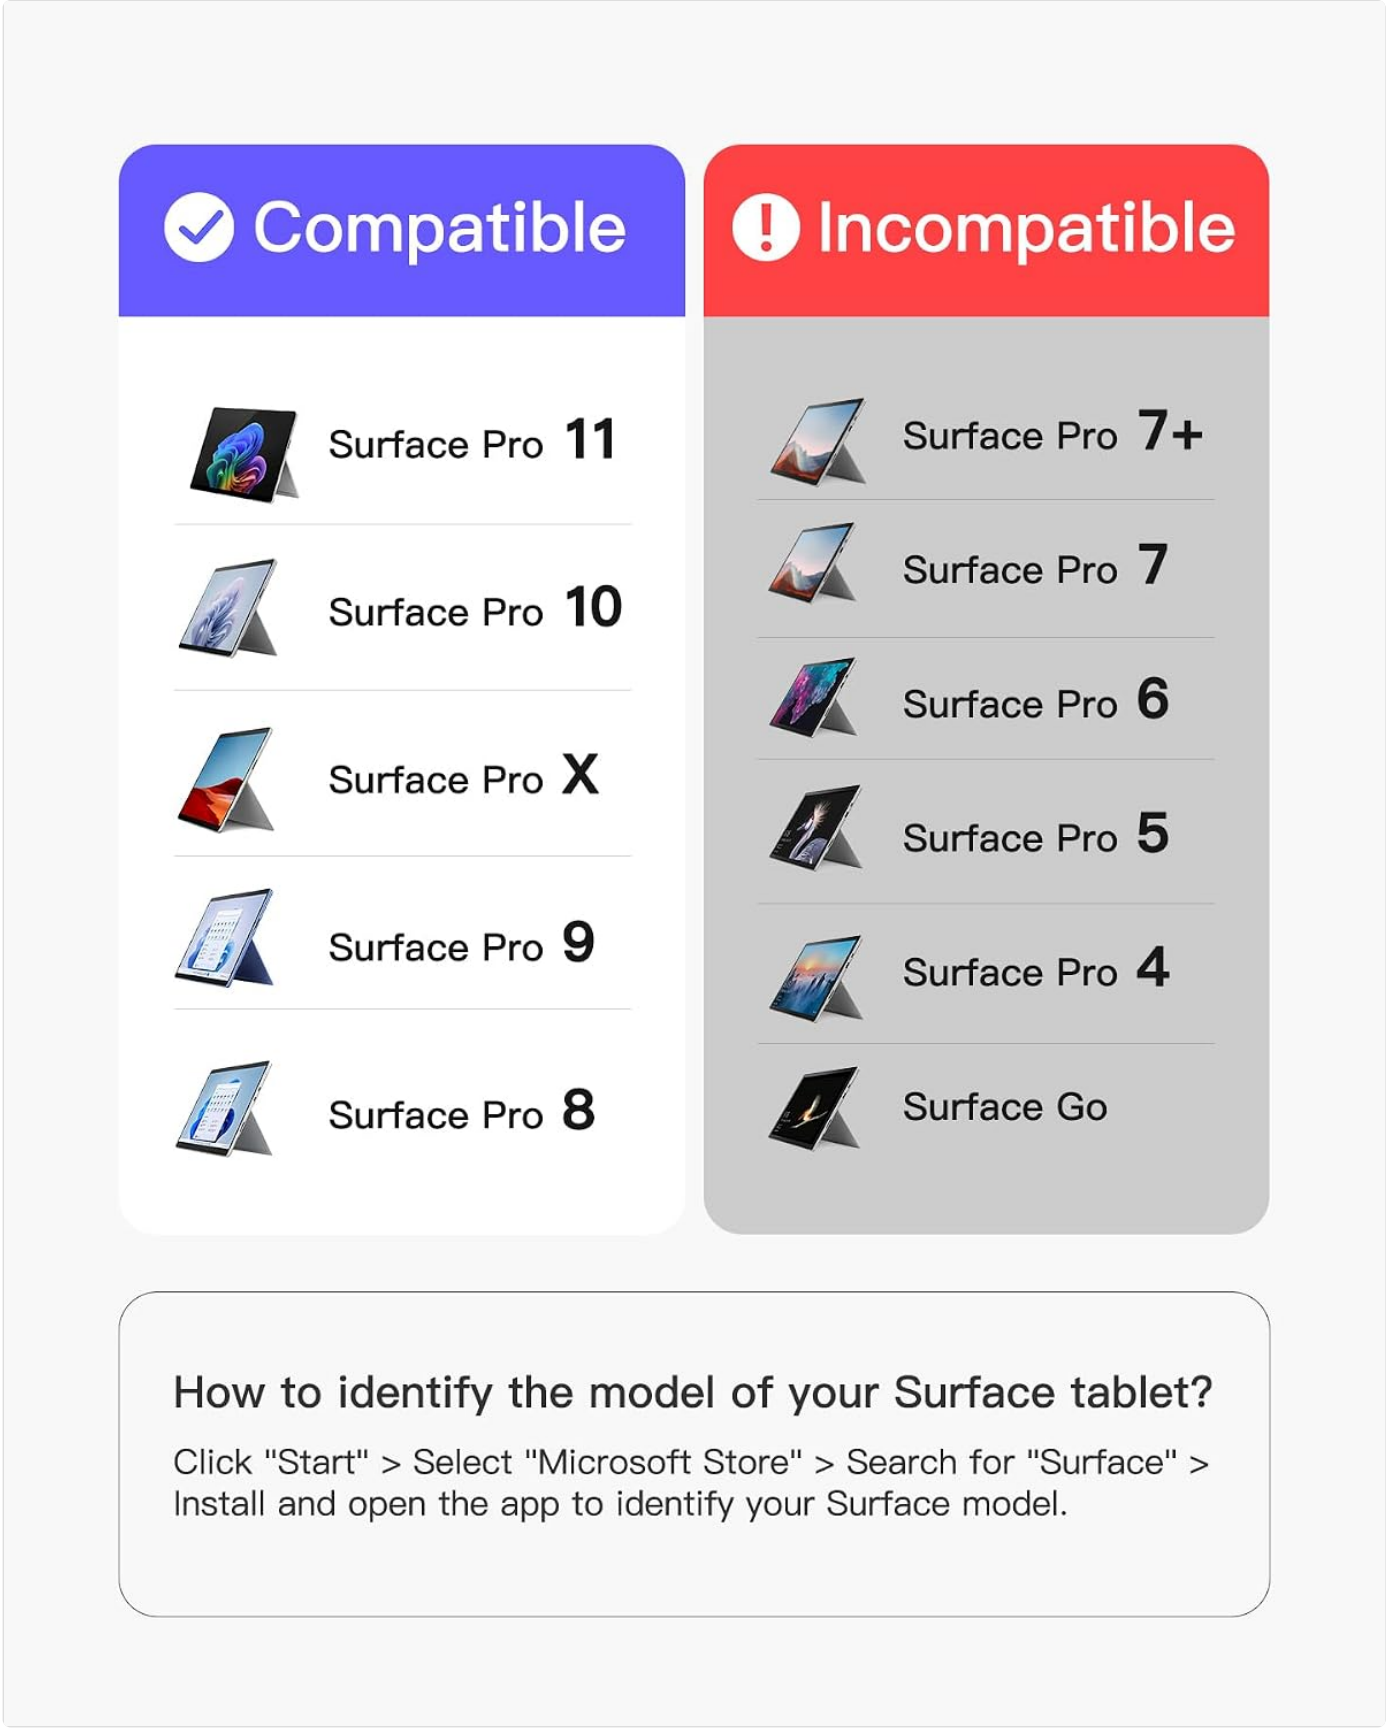

Image Description: A visual chart clearly delineating compatible Surface Pro models (11, 10, X, 9, 8) and incompatible models (7+, 7, 6, 5, 4, Go). This helps users quickly verify their device's compatibility.

How to identify your Surface tablet model: Click "Start" > Select "Microsoft Store" > Search for "Surface" > Install and open the app to identify your Surface model.

3. Key Features

- **7-Color Backlight:** Features 7-color backlight with 3 adjustable brightness levels for enhanced visibility in various lighting conditions.
- **Efficient Office Work:** Scissor-structure keys and ultra-short keystroke provide a smooth and comfortable typing experience.
- **Precise Touchpad:** Responsive touchpad with anti-mistouch design for accurate control and navigation.
- **Built-in Pen Holder:** Conveniently store your stylus to prevent loss and ensure quick access.*Note: The pen holder is for storage only and does not provide charging.*
- **Bluetooth 5.3 Connectivity:** Offers faster and more stable wireless connection.
- **AI Model Support:** Activate the Inateck APP via FN+R for AI functions like pop-up translation and AI-supported Q&A.

Image Description: A top-down view of the Inateck keyboard, showcasing its full layout with the 7-color backlight illuminated in a vibrant blue hue. This highlights the keyboard's aesthetic and functional lighting feature.

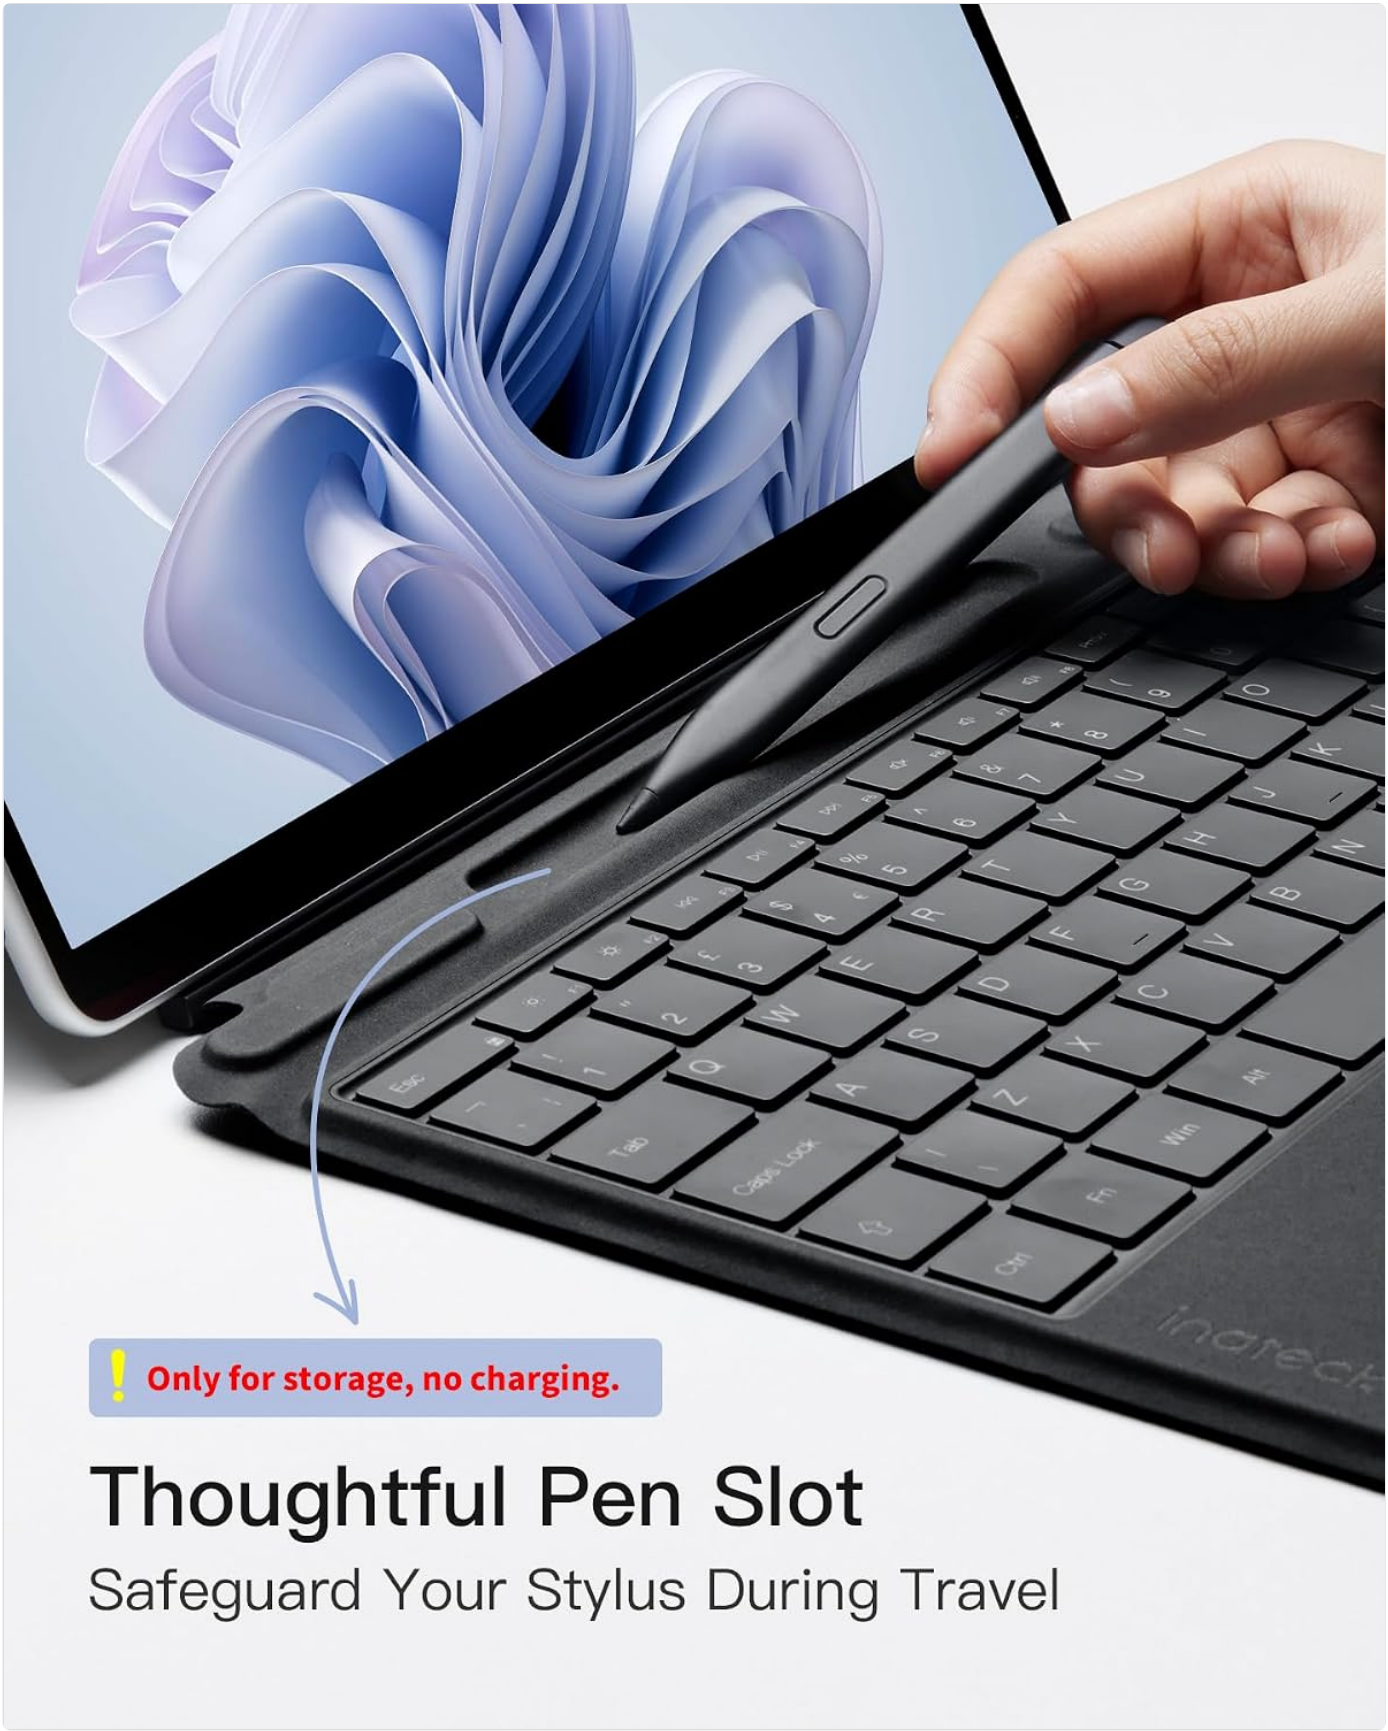

Image Description: A close-up image focusing on the integrated pen holder of the Inateck keyboard, with a stylus securely placed within it. A text overlay indicates that the holder is for storage only and does not charge the pen.

Image Description: This image illustrates the responsive touchpad of the Inateck keyboard. It features two sections: one showing hands positioned to demonstrate the anti-mistouch design, and another showing fingers performing a gesture for multi-touch control.

4. Setup Guide

4.1 Initial Charging

Before first use, fully charge the keyboard using the provided USB-C cable. Connect the cable to the keyboard's Type-C port and a power source (e.g., USB wall adapter, computer USB port).

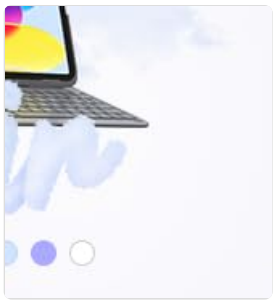

Image Description: A close-up view of the Inateck keyboard's side, showing the USB-C charging port with a charging cable plugged in, illustrating the charging process.

Note: This keyboard needs to be charged separately and does not draw power from the Surface Pro device.

4.2 Bluetooth Pairing

1. Ensure the keyboard is charged.
2. Toggle the power switch on the keyboard to the "ON" position.
3. Simultaneously press the **Fn** and **Del** keys on the keyboard to enter Bluetooth pairing mode. The Bluetooth indicator light will flash.
4. On your Surface Pro, go to **Settings** > **Bluetooth & devices**.
5. Select **Add device** > **Bluetooth**.
6. Locate "New Inateck KB05114" or similar in the list of available devices and click **Connect**.
7. Follow any on-screen prompts to complete the pairing process. The indicator light on the keyboard will stop flashing once successfully paired.

Bluetooth 5.3
Faster and More Stable

Note: Toggle the switch to ON and simultaneously press Fn+Del keys for Bluetooth pairing.

Image Description: A digital rendering showing a Surface Pro screen displaying a Bluetooth pairing prompt. The prompt reads "New Inateck KB05114 found. To pair your keyboard, select Connect." with "Connect" and "Dismiss" buttons. This illustrates the final step of the Bluetooth pairing process.

5. Operating Instructions

5.1 Attaching to Surface Pro

Align the magnetic connector of the keyboard with the corresponding port on your Surface Pro. The keyboard will snap into place. While the keyboard attaches magnetically, its primary connection is via Bluetooth.

5.2 Smart Screen Switching

The keyboard supports smart screen switching. Opening the keyboard will wake up the Surface Pro screen, and closing it will put the screen to sleep. This feature requires the keyboard to be ON and paired via Bluetooth.

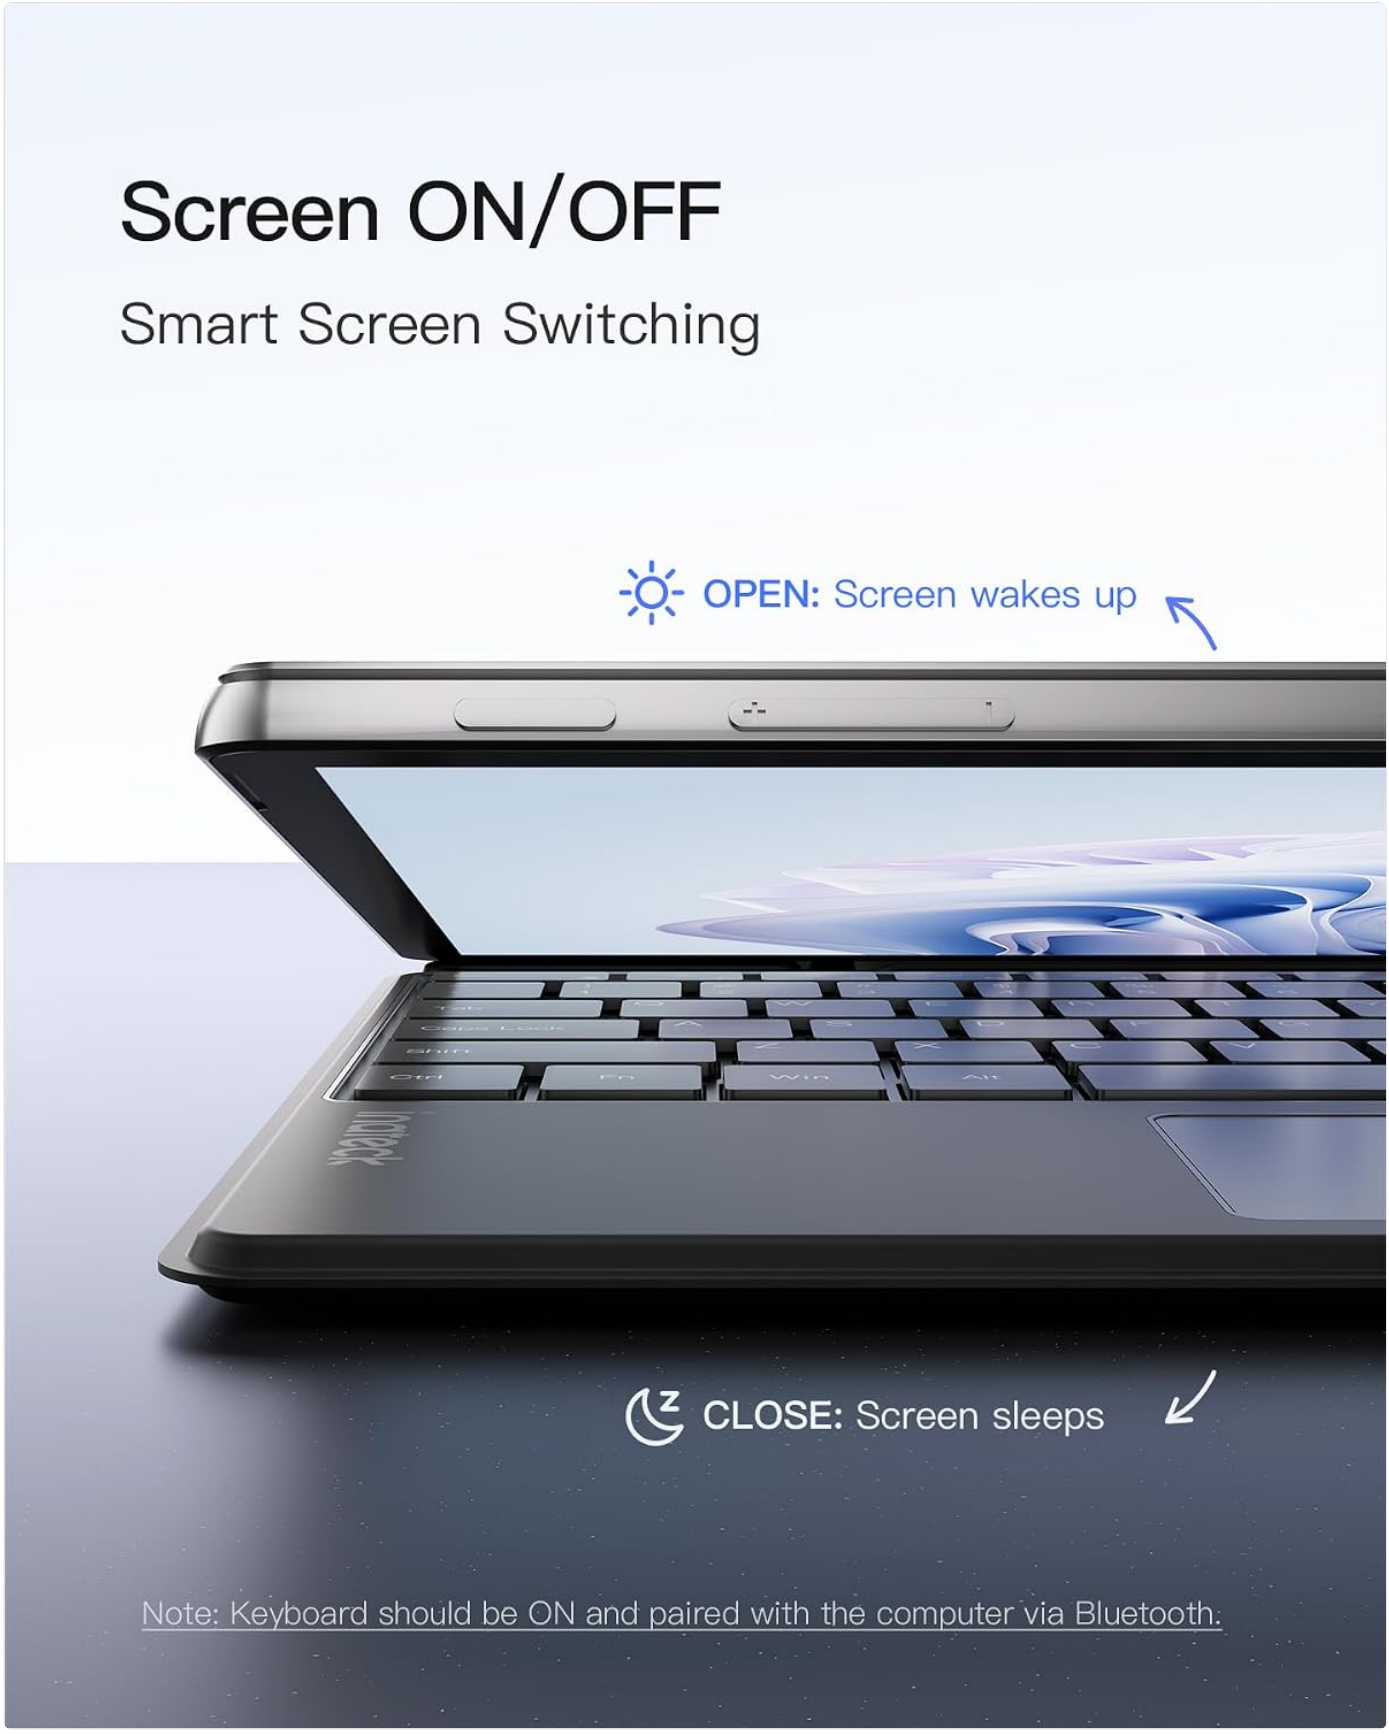

Image Description: An image illustrating the smart screen switching functionality. It shows a Surface Pro with the keyboard attached, depicting the screen waking up when the keyboard is opened and sleeping when closed. A note clarifies that the keyboard must be on and paired for this feature.

5.3 Backlight Control

The keyboard features a 7-color backlight with 3 adjustable brightness levels. Use the dedicated backlight keys (usually Fn + a specific key, refer to keyboard layout) to cycle through colors and adjust brightness.

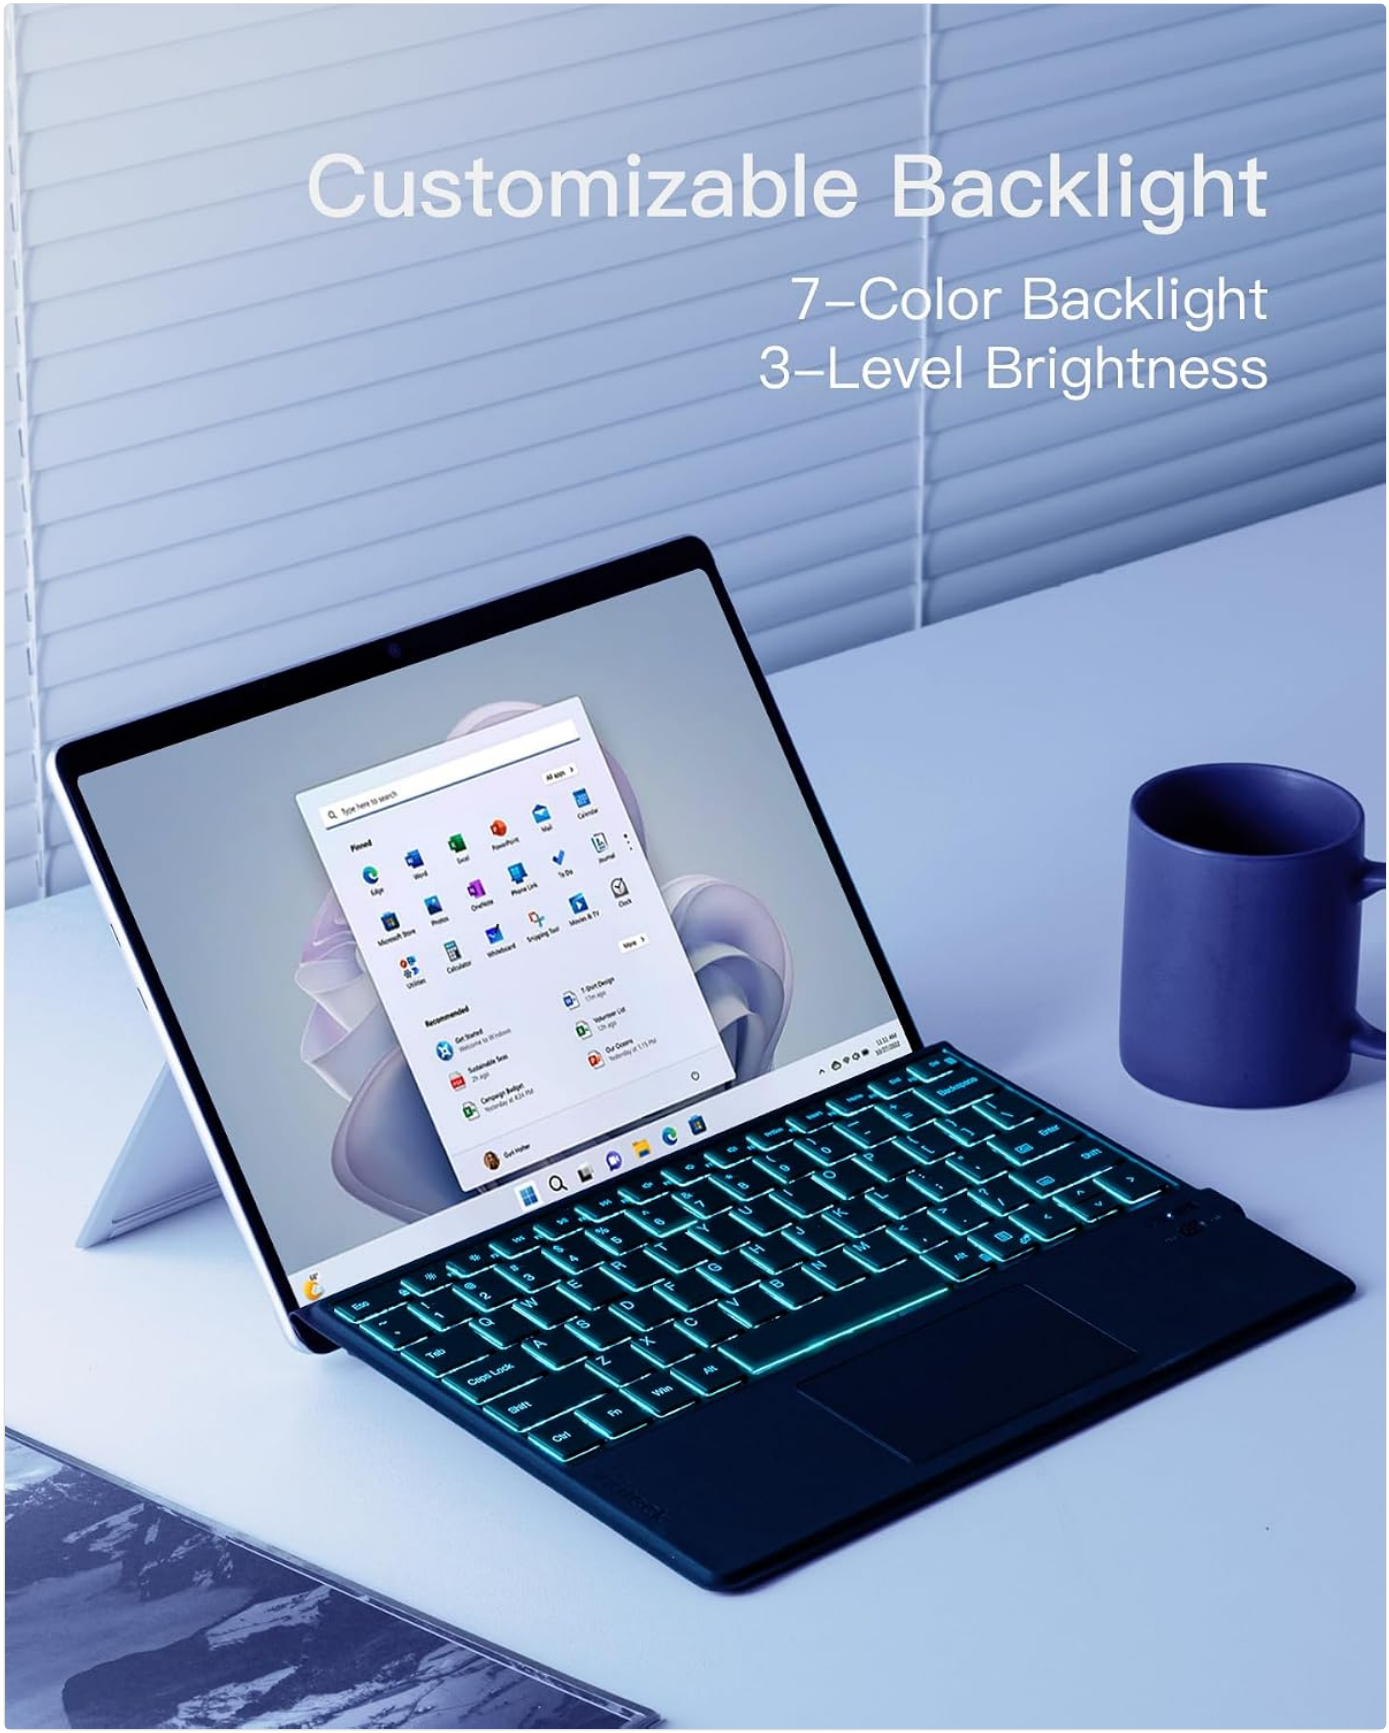

Image Description: A Surface Pro tablet with the Inateck keyboard attached, showcasing the customizable 7-color backlight feature. The keyboard's keys are illuminated, demonstrating the visual effect of the backlight.

5.4 Using the Inateck APP (AI Functions)

The Inateck keyboard supports AI functions through the Inateck APP. To activate and use these features:

1. Download and install the "Inateck Origin" APP from the Microsoft Store.
2. Once installed, press **FN + R** on your keyboard to activate the APP and access various AI functions.

3. Features include pop-up translation and AI-supported Q&A.

Image Description: A visual representation of the Inateck keyboard's integration with the Inateck Origin app. It shows the app interface on a Surface Pro screen, highlighting AI functionalities like smart responses and text translation, activated by pressing FN+R on the keyboard.

Image Description: A three-step visual guide demonstrating the text translation feature of the Inateck APP. Step 1 shows selecting text, Step 2 shows pressing FN+R on the keyboard, and Step 3 shows the translated text appearing on the screen.

Image Description: A two-step visual guide illustrating how to download the Inateck Origin app. Step 1 shows a pop-up prompt to download the app, and Step 2 shows the app's page within the Microsoft Store, ready for installation.

6. Maintenance

- **Cleaning:** Use a soft, damp cloth to wipe the surface of the keyboard. Avoid harsh chemicals or abrasive materials. The stain-resistant Mocha PU material is designed for easy cleaning.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly, especially if not used for extended periods.

7. Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Keyboard not connecting via Bluetooth.	Keyboard not in pairing mode. Low battery. Bluetooth on Surface Pro is off. Interference.	Ensure keyboard is ON and press **Fn + Del** to enter pairing mode. Charge the keyboard fully. Enable Bluetooth on your Surface Pro. Move closer to the Surface Pro; avoid other wireless devices.
Keys not responding or typing incorrectly.	Keyboard disconnected. Low battery. Software issue.	Re-establish Bluetooth connection. Charge the keyboard. Restart your Surface Pro.
Backlight not working or dim.	Backlight turned off or set to lowest brightness. Low battery.	Adjust backlight brightness using function keys. Charge the keyboard.
Touchpad not responsive.	Touchpad disabled. Software glitch.	Ensure touchpad is enabled (check keyboard function keys or Surface settings). Restart your Surface Pro.
