POVISON 71" Modern Dining Table User Manual

Model: 515ad4bb-7a9a-4715-9959-6298755dcb81

1. PRODUCT OVERVIEW

The POVISON 71" Modern Dining Table is designed for contemporary living spaces, offering a minimalist aesthetic with its glossy white sintered stone tabletop and a distinctive gray carbon steel pedestal. This table comfortably seats up to 6 people and is built for durability and ease of maintenance.

Figure 1.3: Close-up view of the gray carbon steel U-shape pedestal, demonstrating its robust construction and modern aesthetic.

Key Features:

- **Minimalist Design:** Clean lines and a sleek profile for a modern aesthetic.
- **Sintered Stone Tabletop:** Hardwearing, scratch-resistant, heat-resistant, and easy to clean.
- **U-Shape Pedestal:** Gray carbon steel base provides excellent stability and a unique design element.
- **Safe Materials:** Made from materials suitable for direct contact with food.
- **Versatile Use:** Suitable for family dinners, entertaining, or as a workspace.

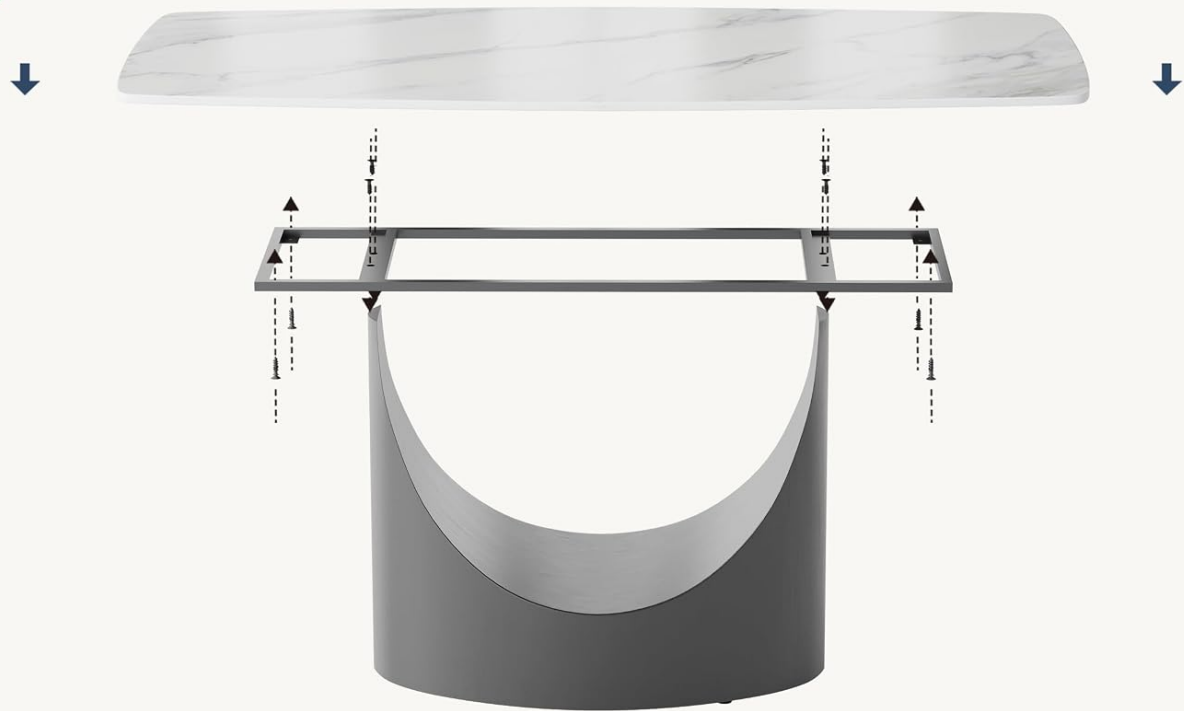

2. SETUP AND ASSEMBLY

This dining table is designed for straightforward assembly. It is recommended for two-person installation due to the weight of the tabletop. Please ensure all components are present before beginning assembly.

2.1 Components Overview

Easy To Assemble

Just **3 steps** to assemble
and enjoy it!

· Recommended For Two-person Installations ·

Figure 2.1: Main components of the POVISON Dining Table, including the tabletop, steel base, and adjustable feet.

The table consists of three primary components: the glossy sintered stone tabletop, the stable stainless steel base, and the ABS plastic adjustable feet. The base also includes an internal metal frame for securing the tabletop.

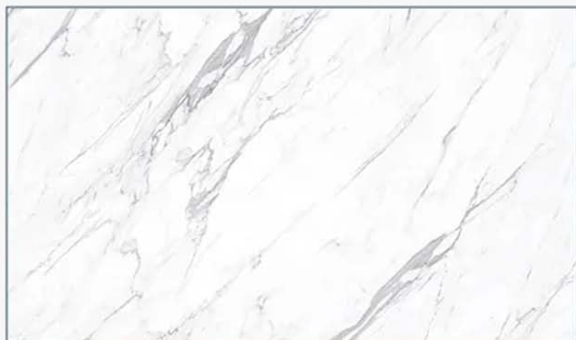

2.2 Assembly Instructions

Follow these three simple steps to assemble your dining table:

1. **Step 1: Attach the internal frame to the pedestal base.** Secure the metal frame to the U-shape carbon steel pedestal using the provided screws. Ensure all screws are tightened for stability.
2. **Step 2: Position the tabletop.** Carefully lift and align the sintered stone tabletop with the attached metal frame on the pedestal.
3. **Step 3: Secure the tabletop.** Fasten the tabletop to the metal frame using the remaining screws. Double-check all connections to ensure the table is stable and secure.

Sintered Stone Pattern Details

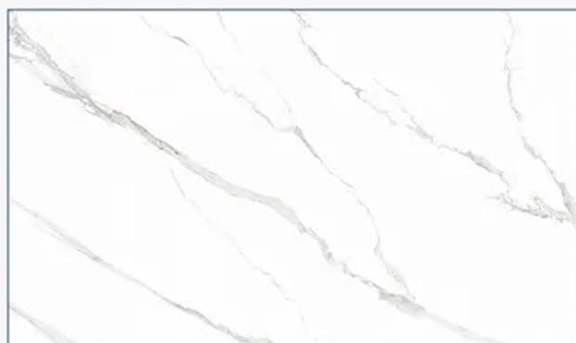

Each sintered stone table has unique, random patterns, so it may differ from online images. These subtle differences do not affect the table's overall appearance, quality, or function. If you are concerned about pattern differences, please consider carefully before purchasing.

Pattern density varies

Pattern shape varies

Pattern length varies

Pattern thickness varies

3. OPERATING AND USAGE

The POVISON dining table is designed for daily use in a dining room setting. Its robust construction ensures stability for various activities.

3.1 Seating Capacity and Dimensions

The 71-inch table comfortably seats 6 people. Refer to the diagram below for detailed dimensions and recommended room layouts.

HOW TO LAYOUT A DINING TABLE

- Measure 36" From The Table's Edge To Walls Or Furniture.
- Try To Keep Chairs About 6" From The Table's Edge.
- Leave At Least 9 Inches Between Chairs For Comfort.

Table Size	Recommended Room Dimensions	Seating Capacity
63" × 32-36"	9.5' × 11.5'	4 people
71" × 36"	10' × 12'	6 people
79" × 36-40"	10.5' × 12.5'	6 people
87" × 40-43"	11' × 13'	8 people
94" × 40-43"	11.5' × 14'	8-10 people

Please note, this guide is for reference only. Choose the table shape and size that best fits your space and seating needs for the most comfortable dining experience.

Figure 3.1: Detailed dimensions of the 71" table and its 300 LBS weight capacity. The table measures 70.87"D x 35.43"W x 30.7"H.

Figure 3.2: Guide on optimal dining table layout, including recommended clearances for chairs and surrounding furniture.

For optimal comfort, ensure at least 36 inches from the table's edge to walls or other furniture, and at least 9 inches between chairs.

4. MAINTENANCE AND CARE

Proper care and maintenance will prolong the lifespan of your POVISON dining table and preserve its aesthetic appeal. The sintered stone tabletop is highly durable, but certain precautions should be observed.

4.1 Sintered Stone Properties

Sintered stone is made from natural raw materials, processed under high pressure and temperature, resulting in a material that is heat-resistant, scratch-resistant, easy to clean, and safe for food contact. Each sintered stone table has unique, random patterns, which may differ slightly from online images.

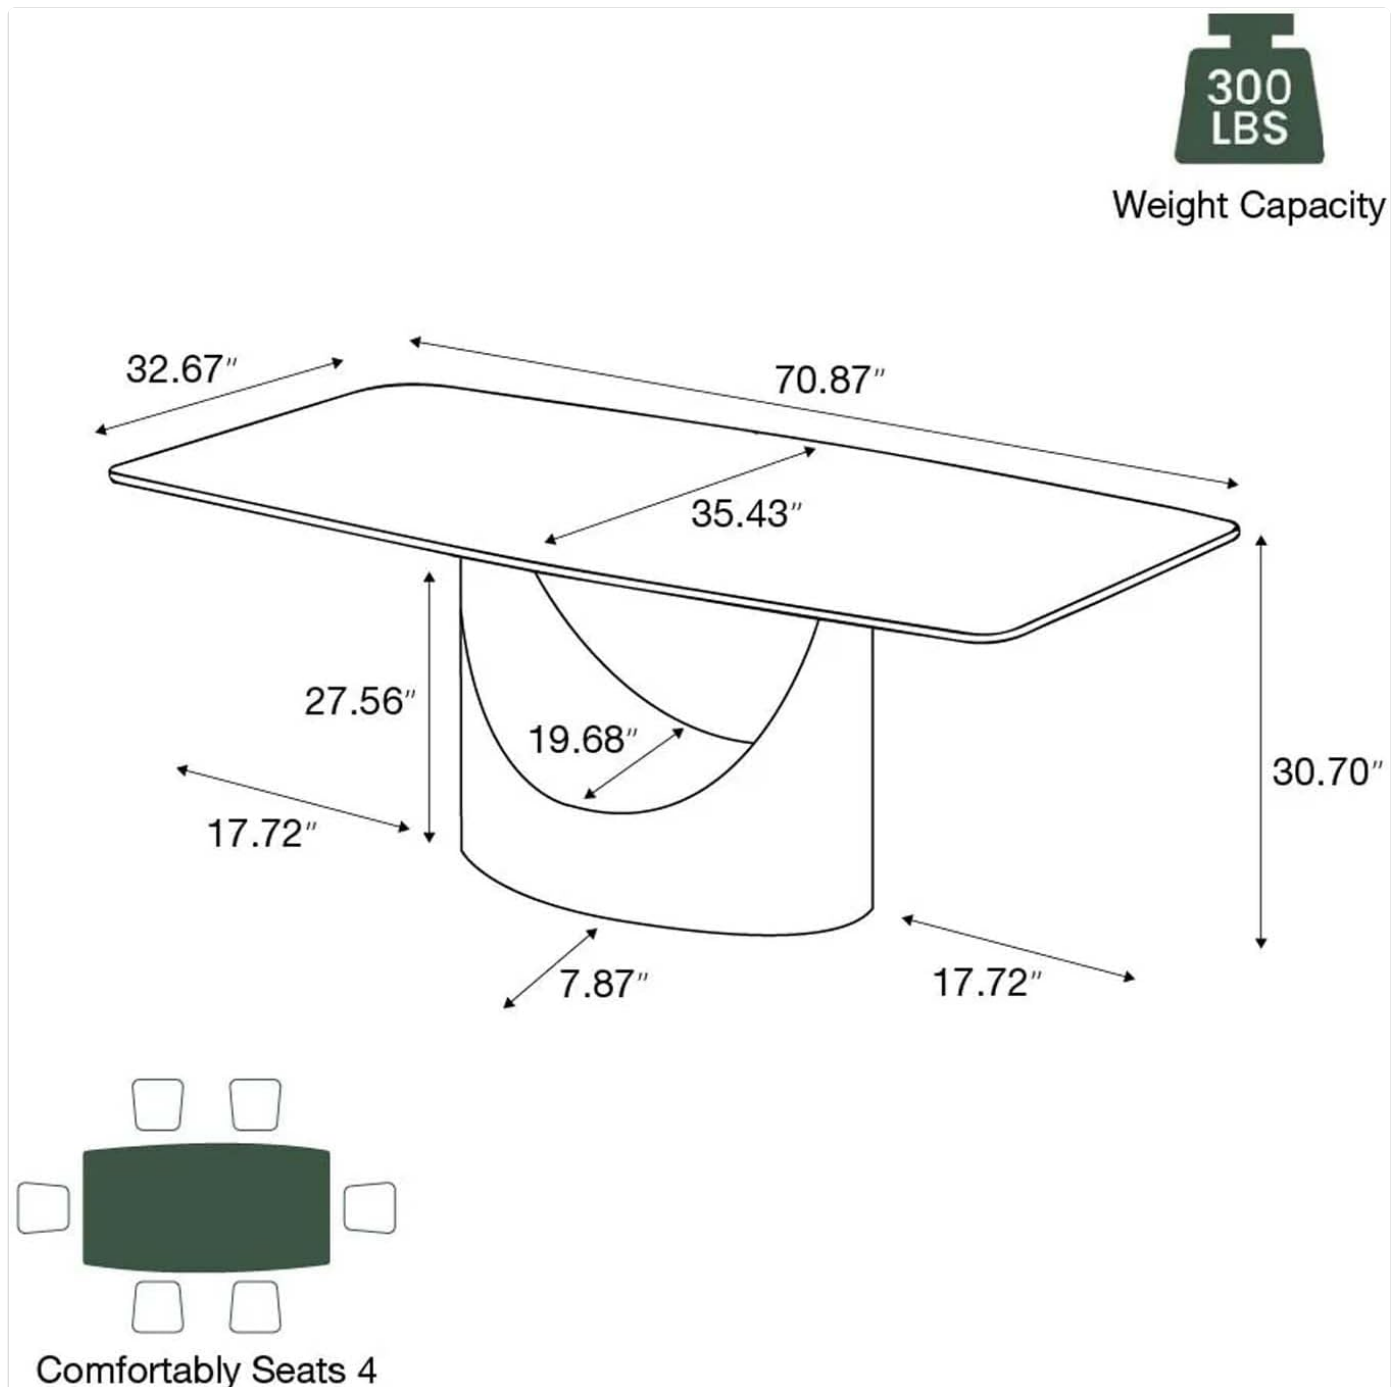

Figure 4.1: Examples of natural variations in sintered stone patterns. These subtle differences are inherent to the material and do not affect quality or function.

4.2 Regular Maintenance Tips

- **Cleaning:** Wipe the tabletop with a soft, damp cloth. For spills, clean immediately to prevent staining. The surface is easy to clean.
- **Heat Protection:** In cold environments, avoid direct contact with hot sources on the tabletop. Use trivets or pan protectors if possible to prevent thermal shock.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaning tools, or strong detergents, as these can damage the surface finish.
- **Impact Protection:** Avoid striking the tabletop with hard objects, which could cause chips or cracks.
- **Base Care:** Clean the carbon steel pedestal with a soft, dry cloth. Avoid abrasive cleaners.

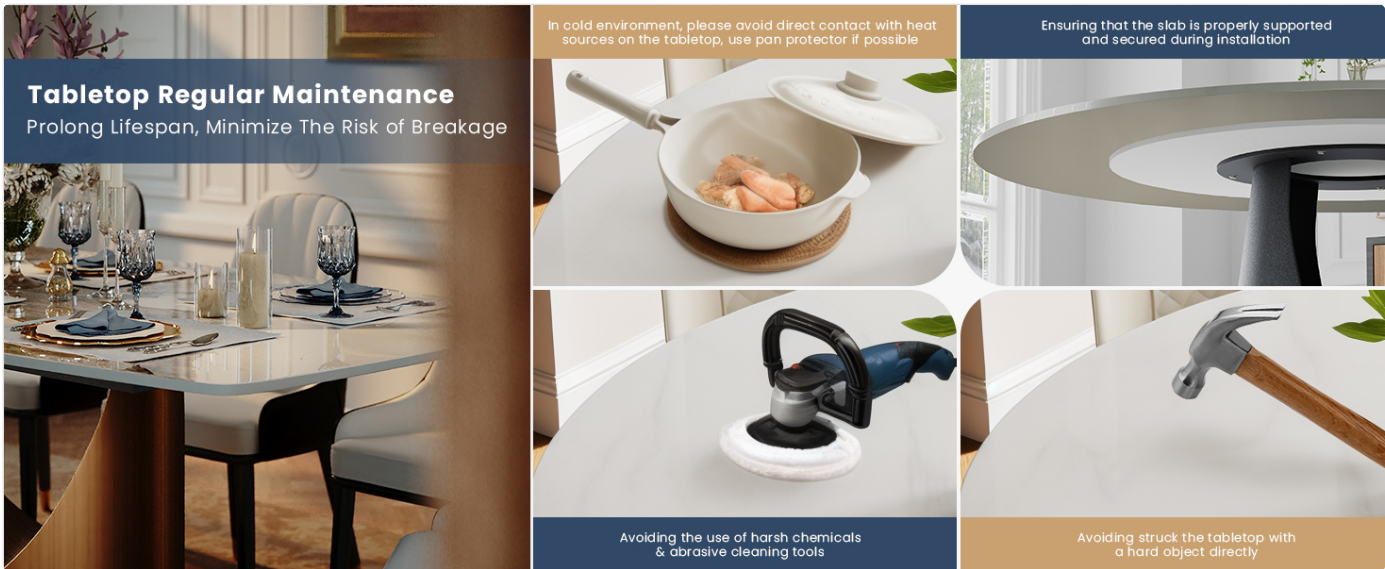

Figure 4.2: Visual tips for prolonging the lifespan and minimizing the risk of breakage for your tabletop.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your POVISON dining table.

Problem	Possible Cause	Solution
Table is wobbly.	Loose connections or uneven floor.	Check and tighten all screws connecting the tabletop to the base and the base components. Adjust the ABS plastic adjustable feet to level the table on uneven surfaces.
Scratches on tabletop.	Sharp objects or abrasive materials.	While sintered stone is scratch-resistant, deep scratches can occur from extreme force. Use placemats and coasters to protect the surface. Minor scratches may be buffed out with specialized stone polish (consult a professional).
Stains on tabletop.	Spilled liquids or food left for extended periods.	Clean spills immediately with a soft, damp cloth. For stubborn stains, use a mild, non-abrasive cleaner specifically designed for stone surfaces.
Base appears discolored or damaged.	Harsh chemicals or physical impact.	Ensure only soft cloths and mild cleaners are used on the carbon steel base. Avoid impacts. For significant damage, contact customer support.
