Lamshaw ID208 Plus Smart Watch Case

Lamshaw ID208 Plus Smart Watch Case with Screen Protector User Manual

MODEL: ID208 PLUS SMART WATCH CASE

Brand: Lamshaw

1. Introduction

This manual provides essential information for the proper installation, use, and maintenance of your Lamshaw ID208 Plus Smart Watch Case with Screen Protector. Please read these instructions carefully to ensure optimal performance and protection for your device.

Lamshaw: Professional Smartwatch Accessories

2. Product Overview

The Lamshaw ID208 Plus Smart Watch Case is designed to provide comprehensive protection for your 1.8-inch smartwatch. Made from premium TPU material, it safeguards both the screen and the edges of your watch from dust, fingerprints, and scratches.

Key Features:

- **All-Around Protection:** Premium TPU material protects the watch screen, edges, and sides.
- **Precise Cutouts:** Full access to all ports, controls, and sensors without affecting insertion or charging.
- **Easy Installation:** Soft TPU material allows for easy installation and removal without harming the smartwatch screen.
- **Built-in Screen Protector:** Integrated screen protector prevents dust, fingerprints, and scratches.

What's in the Box:

- 2 x HD TPU Case with Screen Protector for ID208 Plus Smartwatch-1.8"

Lamshaw ID208 Plus Smart Watch Cases in Black and Rose Gold.

3. Installation Instructions

Follow these steps to properly install your Lamshaw ID208 Plus Smart Watch Case with Screen Protector:

1. **Verify Compatibility:** Ensure your smartwatch is an ID208 Plus (1.8-inch screen). This case is NOT compatible with ID208BT (1.69-inch).

ID208 BT - 1.69"

ID208 Plus-1.8"

Ensure your smartwatch is the 1.8-inch ID208 Plus model for proper fit.

2. **Clean the Smartwatch Screen:** Use the provided wet and dry wipes, followed by the dust absorber sticker, to thoroughly clean the smartwatch screen. Ensure no dust particles remain to prevent bubbles.

Easy Installation

Easy to install and remove, snap-on design, keep the watch from popping off, firm and secure

Easy snap-on design for secure installation.

4. **Check for Proper Fit:** After installation, ensure the case is flush with the watch and all buttons and touch functions operate correctly.

Perfect Match

Precise cutting, allow access to all controls, buttons, sensors. Wrap securely to avoid popping off

The case provides a perfect match with precise cutouts.

4. Operating the Smartwatch with Case

The Lamshaw ID208 Plus Smart Watch Case is designed to maintain full functionality of your smartwatch. The built-in screen protector offers high touch sensitivity and clear display.

- **Touch Sensitivity:** The screen protector is engineered to maintain the original touch sensitivity of your smartwatch.
- **Display Clarity:** Enjoy HD clarity through the integrated screen protector.
- **Button Access:** All physical buttons remain accessible and functional.

Features of the Lamshaw Smart Watch Case.

5. Maintenance

To keep your Lamshaw Smart Watch Case in optimal condition:

- **Regular Cleaning:** Wipe the case and screen protector regularly with a soft, dry cloth to remove fingerprints and smudges.
- **Moisture Management:** If moisture (e.g., from perspiration during exercise) becomes trapped between the case and the watch screen, remove the case and clean both surfaces thoroughly with a dry cloth before reattaching. This is due to the nature of the product not adhering directly to the screen.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or solvents, as these can damage the TPU material or screen protector.

6. Troubleshooting

- **Moisture Trapped Under Screen:** If you notice fog or moisture, remove the case, dry both the watch screen and the inside of the case completely, then re-install. This is a common occurrence with non-adhesive screen protectors during activities involving perspiration.
- **Reduced Touch Sensitivity:** Ensure the screen is clean and free of dust or moisture. If the issue persists, try removing and re-installing the case to ensure proper alignment.
- **Case Not Fitting Properly:** Double-check that your smartwatch model is indeed the ID208 Plus (1.8-inch). If it is, ensure the case is aligned correctly and pressed firmly into place around all edges.

7. Specifications
