Fixwal Vanity Desk 0002

Fixwal Small White Vanity Desk with Lighted Mirror and Chair

Model: Vanity Desk 0002

Introduction

Thank you for choosing the Fixwal Small White Vanity Desk. This manual provides detailed instructions for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before assembly and use, and retain this manual for future reference.

Important Safety Information

Please observe the following safety precautions to prevent injury or damage to the product:

- Always disconnect the vanity desk from the power outlet when not in use or before cleaning.
- Exercise caution with sharp edges and pinch points during assembly and use.
- Keep the vanity desk away from water or damp environments to prevent electrical hazards.
- Do not exceed the weight limit of the vanity desk and chair combined. (Specific weight limit not provided, use with reasonable care).
- Ensure all connections are secure before using the power outlet and USB ports.

Setup and Assembly

The assembly process is designed to be straightforward. All necessary tools and step-by-step instructions are included with your product. Please follow the provided assembly guide carefully.

1. Unpack all components and verify against the parts list in your assembly guide.
2. Assemble the main frame of the vanity desk according to the diagrams.
3. Attach the drawers and shelves. Ensure the fabric drawers are correctly inserted.
4. Mount the lighted mirror and connect its power cable.
5. Assemble the accompanying chair.
6. Connect the power station to a suitable wall outlet.
7. Ensure all screws and fasteners are tightened securely before use.

Operating Instructions

Lighted Mirror Operation

The integrated mirror features adjustable LED lighting with three color modes:

- **Changing Color Mode:** Briefly tap the touch sensor on the mirror screen to cycle through Cold White, Warm White, and Warm Yellow lighting modes.
- **Adjusting Brightness:** Press and hold the touch sensor on the mirror screen to adjust the brightness within the selected color mode. Release when the desired brightness is achieved.

Power Outlet and USB Charging Station

The vanity desk includes a convenient charging station to power your devices:

- **Outlets:** Features 2 standard AC outlets for hair dryers, curling irons, or other small appliances.
- **USB Ports:** Includes 2 USB-A ports and 1 USB-C port for charging mobile phones, tablets, and other compatible

devices.

- Ensure the vanity desk is plugged into a functional wall outlet for the charging station to operate.

Storage Features

The vanity desk offers ample storage for your cosmetics and accessories:

- **Drawers:** Two fabric drawers provide enclosed storage for makeup palettes, brushes, and other items.
- **Shelves:** Two-tier open shelves above the main desk surface offer additional space for frequently used items or decorative pieces.

Maintenance

Regular maintenance will help prolong the life and appearance of your vanity desk:

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the electrical components.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and damp cloth. Allow to air dry completely.
- **Electrical Components:** Ensure the power outlet and USB ports are kept dry and free from dust. Do not attempt to repair electrical components yourself.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure stability.

Troubleshooting

If you encounter any issues with your Fixwal Vanity Desk, please refer to the following common solutions:

Problem	Possible Cause	Solution
Mirror light not turning on or flickering.	Power cable not connected; loose connection; power outage.	Ensure the vanity desk is properly plugged into a working outlet. Check the mirror's power connection. Test the outlet with another device.
Power outlets/USB ports not working.	Vanity desk not plugged in; circuit breaker tripped; device not compatible.	Verify the main power cord is securely plugged in. Check your home's circuit breaker. Ensure your device is compatible with the USB ports.
Desk or chair feels wobbly.	Loose screws or uneven assembly.	Inspect all connection points and tighten any loose screws. Ensure the desk and chair are on a level surface.
Drawers do not slide smoothly.	Improper installation; obstruction.	Re-check drawer runner installation. Remove any items obstructing the drawer's path.

If the problem persists after attempting these solutions, please contact customer support.
