Merax HA951-3

Merax Modern Farmhouse Solid Wood Murphy Cabinet Bed User Manual

Model: HA951-3 | Brand: Merax

PRODUCT OVERVIEW

The Merax Modern Farmhouse Solid Wood Murphy Cabinet Bed is a versatile and space-saving furniture solution designed for modern living. This innovative piece functions as a stylish cabinet and easily converts into a comfortable full-size bed, making it ideal for guest rooms, small apartments, or multi-functional spaces. It features a rustic design with a minimalistic look, allowing it to blend seamlessly with various decor styles. Constructed from sturdy manufactured wood, it ensures stability and durability for long-term use. Additionally, the unit includes integrated storage drawers, providing convenient space for bedding or other items.

IMPORTANT SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe operation and longevity of your Murphy Cabinet Bed:

- **Foundation and Mattress:** Do not use the bed without a proper foundation or mattress.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 600 pounds.
- **Moisture Protection:** Keep the bed frame dry to prevent structural damage or mold growth.
- **Assembly:** Always follow the assembly instructions carefully to ensure stability and prevent collapse.
- **Pinch Points:** Be cautious of pinch points and sharp edges during assembly and use, especially when converting the unit.

ASSEMBLY & SETUP

Your Merax Murphy Cabinet Bed is designed for straightforward assembly. All necessary tools and a step-by-step instruction guide are included with your purchase. It is recommended to have two adults for assembly to ensure safety and efficiency.

Assembly Steps Overview:

- 1. Unpack and Organize:** Carefully unpack all components and verify against the parts list in the instruction guide. Organize parts by type and size.
- 2. Assemble Cabinet Frame:** Begin by assembling the main cabinet frame according to the provided diagrams. Ensure all connections are secure.
- 3. Install Drawers:** Assemble and install the storage drawers into their designated slots within the cabinet.
- 4. Attach Bed Frame Components:** Connect the foldable bed frame components to the cabinet structure.
- 5. Final Adjustments:** Once assembled, ensure all parts are tightly secured and the bed mechanism operates smoothly.

OPERATION

The Merax Murphy Cabinet Bed is designed for easy conversion between a cabinet and a bed, maximizing your living space.

Converting to Bed:

1. **Clear Area:** Ensure the area in front of the cabinet is clear of obstructions.
2. **Open Cabinet:** Gently pull the front panel of the cabinet outwards. The bed frame will begin to unfold.
3. **Extend Legs:** As the bed unfolds, the support legs will automatically extend. Ensure they are fully locked into place for stability.
4. **Position Mattress:** Adjust the mattress if necessary to ensure it is centered on the frame.

Converting to Cabinet:

1. **Remove Bedding:** Remove any pillows, blankets, or heavy bedding that might obstruct the folding mechanism.
2. **Fold Bed Frame:** Gently lift the foot of the bed and push it inwards towards the cabinet. The support legs will retract.
3. **Close Cabinet:** Continue pushing the bed frame until it fully retracts into the cabinet. Close the front panel securely.

Using Storage Drawers:

The integrated storage drawers provide convenient space for storing bed linens, pillows, or other items. Simply pull the drawer handles to open and push to close. Ensure drawers are fully closed before converting the bed.

MAINTENANCE & CARE

To maintain the appearance and longevity of your Merax Murphy Cabinet Bed, follow these care instructions:

- **Cleaning:** For general cleaning, wipe surfaces with a dry cloth. For more stubborn marks, a damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong chemicals, or solvents, as these can damage the wood finish.
- **Regular Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as needed to maintain structural integrity.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause warping or fading. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

If you encounter any issues with your Merax Murphy Cabinet Bed, refer to the following common problems and solutions:

- **Difficulty Assembling:** If assembly proves challenging, ensure all parts are correctly identified and oriented according to the instruction manual. Double-check that all hardware is used in the correct locations. Sometimes, a slight adjustment or loosening of screws before final tightening can help align components. Refer to the step-by-step guide carefully.
- **Bed Not Folding/Unfolding Smoothly:** Check for any obstructions around the mechanism or within the cabinet. Ensure no bedding is caught in the folding parts. Verify that all hinges and moving parts are clean and free of debris. Do not force the mechanism; if resistance is met, re-examine the setup.
- **Drawers Sticking:** Ensure the drawer slides are clean and free of dust or debris. Check that the drawers are properly aligned on their tracks. Avoid overloading drawers, as excessive weight can cause them to stick.
- **Unstable Frame:** If the bed feels wobbly, re-check all connections and ensure all screws and bolts are fully tightened. Verify that the bed is placed on a flat, level surface.

If problems persist after attempting these solutions, please contact customer support for further assistance.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Merax
