3. FEATURES

- **Magnetic Detachable Design:** The keyboard can be easily attached or removed from the case, allowing for flexible use.

- **Adjustable Kickstand:** The integrated kickstand provides multiple viewing angles (30° to 160°) for typing, drawing, watching, or gaming.

- **Touchpad & Backlit Keyboard:** Features a multi-touch trackpad for laptop-like navigation and a backlit keyboard with 7 colors and 3 brightness levels for comfortable typing in various lighting conditions.

- **360° Full Protection:** Constructed with soft PU and flexible TPU inner shell for drop-proof and scratch-resistant protection. Precise cutouts ensure full access to all ports and buttons.

- **Built-in S Pen Holder:** Securely stores your S Pen for easy access and transport.

4.2 Pairing with Your Tablet

1. Ensure the keyboard is charged.
2. Turn on the keyboard using the power switch.
3. On your Samsung Galaxy Tab, go to Settings > Connected devices > Bluetooth.
4. Enable Bluetooth and search for available devices.
5. Select the keyboard (usually named "Bluetooth Keyboard" or similar) from the list to pair.
6. Once paired, the keyboard's indicator light will turn off, and it will be ready for use.

5. OPERATING INSTRUCTIONS

5.1 Attaching and Detaching the Keyboard

Align the keyboard with the magnetic strip at the bottom of the tablet case. The magnets will securely hold the keyboard in place. To detach, simply pull the keyboard away from the case.

5.2 Using the Trackpad

The integrated multi-touch trackpad allows for precise cursor control. Standard gestures like tapping, scrolling, and pinch-to-zoom are supported. Refer to your tablet's operating system for specific multi-touch gesture functionalities.
Image: Visual guide to multi-touch gestures on the trackpad, including managing files.

5.3 Adjusting Backlight and Brightness

The keyboard features 7 backlight colors and 3 brightness levels. Use the dedicated function keys (Fn + Shift + Light icon) to cycle through colors and adjust brightness. A breathing backlight mode is also available.

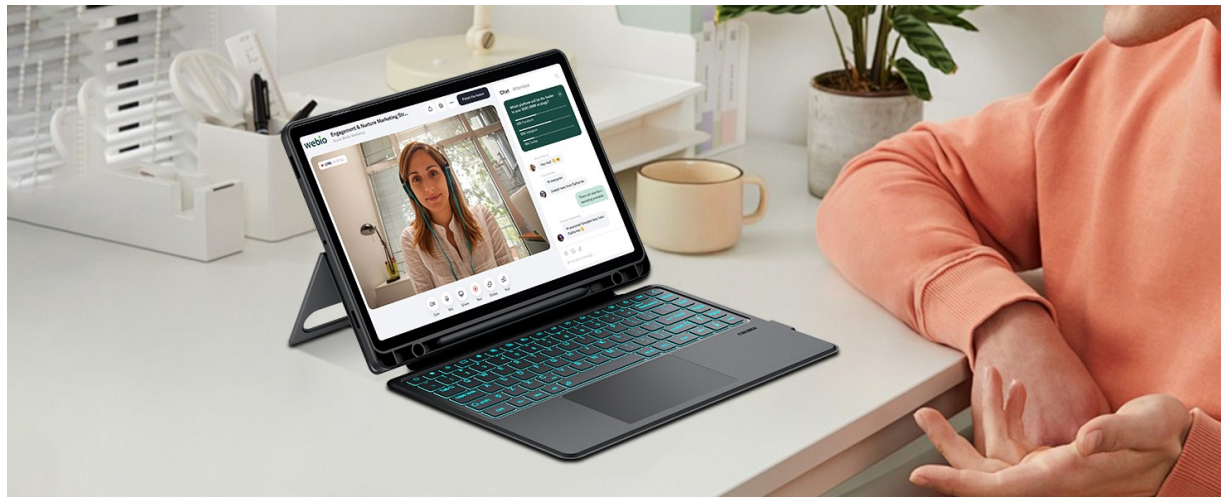

Image: A user typing on the backlit keyboard, illustrating the 7 backlight colors and 3 brightness levels.

5.4 Function Keys Overview

The top row of the keyboard includes various function keys for quick access to tablet features such as screen brightness, volume control, media playback, and more.

5.5 Versatile Usage Modes

The case and keyboard support various modes for different activities:

- **Laptop Mode:** Tablet in case with keyboard attached for typing and productivity.
- **Tablet Mode:** Keyboard detached, using the case with its kickstand for reading or media consumption.
- **Portrait Mode:** The kickstand allows for vertical orientation, ideal for video calls or document viewing.

5.6 Auto Wake/Sleep Function

The case supports auto wake/sleep functionality. Opening the case will wake your tablet, and closing it will put your tablet to sleep, conserving battery life.
6. MAINTENANCE

To ensure the longevity of your JUQITECH Trackpad Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case and keyboard with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the case and keyboard in a cool, dry place when not in use.
- **Avoid Liquids:** Do not expose the keyboard to excessive moisture or liquids.

7. TROUBLESHOOTING

- **Keyboard not connecting:**
  - Ensure the keyboard is charged and turned on.
  - Verify Bluetooth is enabled on your tablet and the keyboard is in pairing mode.
  - Forget the device on your tablet's Bluetooth settings and re-pair.

- **Trackpad not responding:**
  - Ensure the trackpad is enabled (check keyboard function keys).
  - Restart the keyboard and tablet.

- **Backlight not working:**
  - Ensure the keyboard is turned on.
  - Press the backlight function keys to activate or adjust.
