FUSOU NS001-NA-2PCS

FUSOU NS001-NA-2PCS Fluted Night Stand Set 2 User Manual

Model: NS001-NA-2PCS

1. INTRODUCTION

Thank you for purchasing the FUSOU Fluted Night Stand Set 2. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new nightstands. Each nightstand features a built-in charging station, integrated LED lighting, and ample storage.

Image 1.1: Overview of the FUSOU Fluted Night Stand Set 2. This image shows two oak-colored nightstands with fluted drawer fronts, illuminated open shelves, and devices charging on top surfaces.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all connections for the charging station are secure and properly grounded. Do not overload electrical outlets.
- Do not place hot items directly on the surface. Use coasters or protective pads.
- Avoid exposing the nightstand to excessive moisture or direct sunlight.
- Do not stand or sit on the nightstand.
- Distribute weight evenly on the top surface and inside the drawer to prevent tipping. The maximum weight recommendation for the top surface is 70 pounds.
- If any parts are missing or damaged, do not attempt to assemble the product. Contact customer support

immediately.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any items are missing or damaged, please contact customer support.

- Nightstand Panels (Engineered Wood)
- Drawer Components
- Charging Station Unit (2 AC Outlets, 2 USB Ports, 5-foot Power Cord)
- LED Light Strip
- LED Remote Control
- Hardware Pack (Screws, dowels, cam locks, drawer slides, handle)
- Assembly Guide
- Installation Tool (e.g., Hex Key, Screwdriver)

4. SETUP AND ASSEMBLY

Assembly typically requires two people. Follow the included assembly guide for detailed, step-by-step instructions. A screwdriver is recommended for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in the assembly guide to identify each piece.
2. **Assemble the Frame:** Attach the side panels to the base and top panels using the provided hardware (dowels, screws, cam locks). Ensure all connections are tight and secure.
3. **Install Drawer Slides:** Secure the drawer slides to the interior side panels of the nightstand frame according to the assembly guide.
4. **Assemble the Drawer:** Construct the drawer box using the drawer panels and hardware. Attach the fluted drawer front and the gold handle.
5. **Insert the Drawer:** Carefully slide the assembled drawer onto the installed drawer slides. Ensure it operates smoothly.
6. **Install Charging Station:** Place the charging station unit into the designated cutout on the top surface of the nightstand. Ensure it sits flush and is securely positioned.
7. **Install LED Light Strip:** Adhere the LED light strip to the underside of the drawer or the designated area within the open storage shelf. Connect it to the power source as instructed.
8. **Final Placement:** Position the nightstand in its desired location. Plug the power cord into a wall outlet.

5. OPERATING INSTRUCTIONS

5.1 Charging Station

The integrated charging station provides convenient power access for your electronic devices.

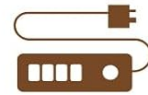

- **AC Outlets:** The nightstand includes 2 standard 120V/12A AC outlets. Plug in lamps, laptops, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is connected via a 5.0-foot power cord. Ensure it is plugged into a functional wall outlet.

5.2 LED Lighting

The nightstand features a hidden LED strip with customizable lighting options, controlled by the included remote.

- **Power On/Off:** Press the power button on the remote control to turn the LED lights on or off.
- **Color Selection:** Use the color buttons on the remote to choose from 7 available colors.
- **Brightness Adjustment:** Use the brightness up/down buttons to increase or decrease the light intensity.
- **Mode Selection:** Select between dynamic modes (e.g., flash, strobe, fade, smooth) or static mode using the corresponding buttons on the remote.

Image 5.2: The LED light strip offers multiple color options, brightness control, and dynamic modes, managed by a remote control.

6. MAINTENANCE

Proper care will extend the life and appearance of your nightstands.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining. The surface is waterproof, but prolonged exposure to liquids should be avoided.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied to the slides.
- **Electrical Components:** Ensure the charging station and LED lights are unplugged before cleaning. Do not attempt to disassemble electrical components.

7. TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
LED lights do not turn on.	- Power cord not plugged in. - Remote control battery is dead. - LED strip connection is loose.	- Ensure the nightstand's power cord is securely plugged into a working outlet. - Replace the remote control battery. - Check the connection between the LED strip and its power source.

Problem	Possible Cause	Solution
Charging station is not working.	◦ Nightstand power cord is unplugged. ◦ Device cable is faulty. ◦ Outlet is overloaded or faulty.	◦ Verify the nightstand's power cord is plugged in. ◦ Try a different charging cable or device. ◦ Plug the nightstand into a different wall outlet. Reduce the number of devices connected.
Drawer is difficult to open/close.	◦ Drawer slides are misaligned or dirty. ◦ Drawer is overloaded.	◦ Check drawer slide alignment and clean any debris. Apply silicone lubricant if necessary. ◦ Remove some items from the drawer to reduce weight.
Nightstand feels unstable.	◦ Loose assembly hardware. ◦ Uneven floor.	◦ Retighten all screws and connections. ◦ Place shims under the legs to level the nightstand.
