Daewoo 43S-BL

Daewoo 110cm (43 inches) Android Ultra Slim Ultra Thin Frameless HD Smart LED TV

Model: 43S-BL

1. INTRODUCTION

This user manual provides detailed instructions for the setup, operation, and maintenance of your Daewoo 110cm (43 inches) Android Ultra Slim Ultra Thin Frameless HD Smart LED TV. Please read this manual thoroughly before using the product to ensure proper functionality and safety.

Front view of the Daewoo 43-inch Smart LED TV.

2. PRODUCT OVERVIEW

The Daewoo 43-inch Smart LED TV offers a high-definition viewing experience with its 1920 x 1080 resolution and 60 Hertz refresh rate. It features an A+ Grade Panel with a 178-degree viewing angle and a typical contrast ratio of 1000:1. Powered by Android, this TV provides access to a wide range of smart features and applications.

Key Features:

- **Display:** 43-inch Full HD (1920x1080) LED display with a 60Hz refresh rate and 178-degree viewing angle.
- **Smart TV Functionality:** Built-in Wi-Fi, Android operating system, and support for popular streaming applications including Prime Video, Netflix, Disney+Hotstar, Google TV, and YouTube.
- **Audio:** Integrated 12Wx2 box speakers with advanced noise reduction for clear sound.
- **Connectivity:** Multiple ports including HDMI, USB, VGA, AV Input, and Audio IN.
- **Performance:** Equipped with 2GB RAM and 16GB ROM for smooth operation and app storage.

Overview of smart features and design elements.

3. PACKAGE CONTENTS

Verify that all items listed below are included in your product packaging. If any items are missing or damaged, please contact customer support.

- 1 x LED Smart TV
- 1 x Remote Control
- 1 x Wall Mount Bracket
- 1 x User Manual (this document)
- 1 x Table Stand (set)

4. SETUP GUIDE

4.1 Unpacking

Carefully remove the TV and all accessories from the packaging. Retain the packaging materials for future transport or storage.

4.2 Stand Installation / Wall Mounting

Your Daewoo TV supports both table-top placement using the included stand and wall mounting using the provided bracket.

- **For Table Stand Installation:** Attach the two table stands to the designated slots at the bottom of the TV using the screws provided. Ensure they are securely fastened.

- **For Wall Mounting:** Follow the instructions provided with the wall mount bracket. Ensure the wall can support the TV's weight (approximately 22 kg) and that the mounting is done by a qualified professional if you are unsure.

4.3 Connecting Peripherals

Connect your external devices to the TV using the appropriate ports:

- **HDMI:** Connect set-top boxes, gaming consoles, or Blu-ray players to the HDMI ports. This TV has 1 HDMI port.
- **USB:** Connect USB drives for media playback to the 2 USB ports.
- **VGA:** Connect a computer using the VGA port.
- **AV Input:** For older devices, use the AV input.
- **Earphone Out:** Connect headphones or external audio systems.
- **Audio IN:** For audio input from external sources.
- **Ethernet:** For a wired internet connection.

4.4 Initial Power On and Network Setup

1. Connect the power cord to the TV and then to a power outlet.
2. Press the power button on the TV or remote control to turn it on.
3. Follow the on-screen instructions to complete the initial setup, including language selection, time zone, and network configuration.
4. For network setup, select your Wi-Fi network and enter the password, or connect an Ethernet cable for a wired connection.

5. OPERATING INSTRUCTIONS

5.1 Remote Control Usage

The included remote control allows you to navigate the TV's features. Ensure batteries are inserted correctly. The maximum operating distance for the remote is approximately 9.5 feet.

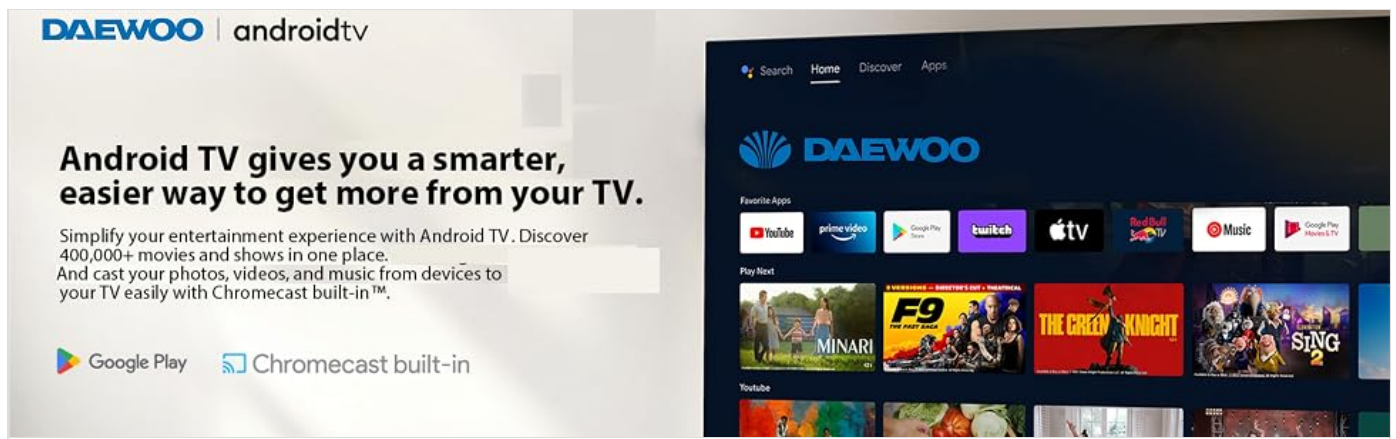

Daewoo Smart TV Remote Control.

5.2 Smart TV Interface Navigation

Your Daewoo TV runs on Android, providing an intuitive interface. Use the remote's navigation buttons (up, down, left, right, OK) to browse menus, select apps, and adjust settings.

Android TV interface with app selection.

5.3 App Usage

Access pre-installed apps like Prime Video, Netflix, Disney+Hotstar, Google TV, and YouTube directly from the home screen or through dedicated buttons on the remote. You can also download more apps from the Google Play Store.

*T&C apply. List of content providers subject to change.

5.4 Audio Settings

Adjust audio settings to enhance your listening experience. The TV features 12Wx2 box speakers and advanced noise reduction.

Dolby Audio support for enhanced sound.

5.5 Picture Settings

Customize picture settings such as brightness, contrast, color, and sharpness to suit your preferences. The TV features Color Re-master technology for natural and colorful images.

Color Re-master technology for improved picture quality.

High-grade optimization for fantastic viewing.

5.6 Connectivity

The TV supports various connectivity options:

- **Wi-Fi:** Connect to your home wireless network for internet access and streaming.
- **Bluetooth:** Connect compatible devices such as smartphones or speakers wirelessly.
- **Chromecast built-in:** Cast content from your mobile devices directly to the TV.

6. MAINTENANCE

Proper maintenance ensures the longevity of your TV.

- **Cleaning the Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution specifically designed for electronics. Do not spray liquid directly onto the screen.
- **Cleaning the Cabinet:** Use a soft, dry cloth to clean the TV cabinet. Avoid using abrasive cleaners or solvents.
- **Ventilation:** Ensure proper ventilation around the TV. Do not block the ventilation openings.
- **Power Off:** Always turn off the TV and unplug it from the power outlet before cleaning or if it will be unused for an extended period.

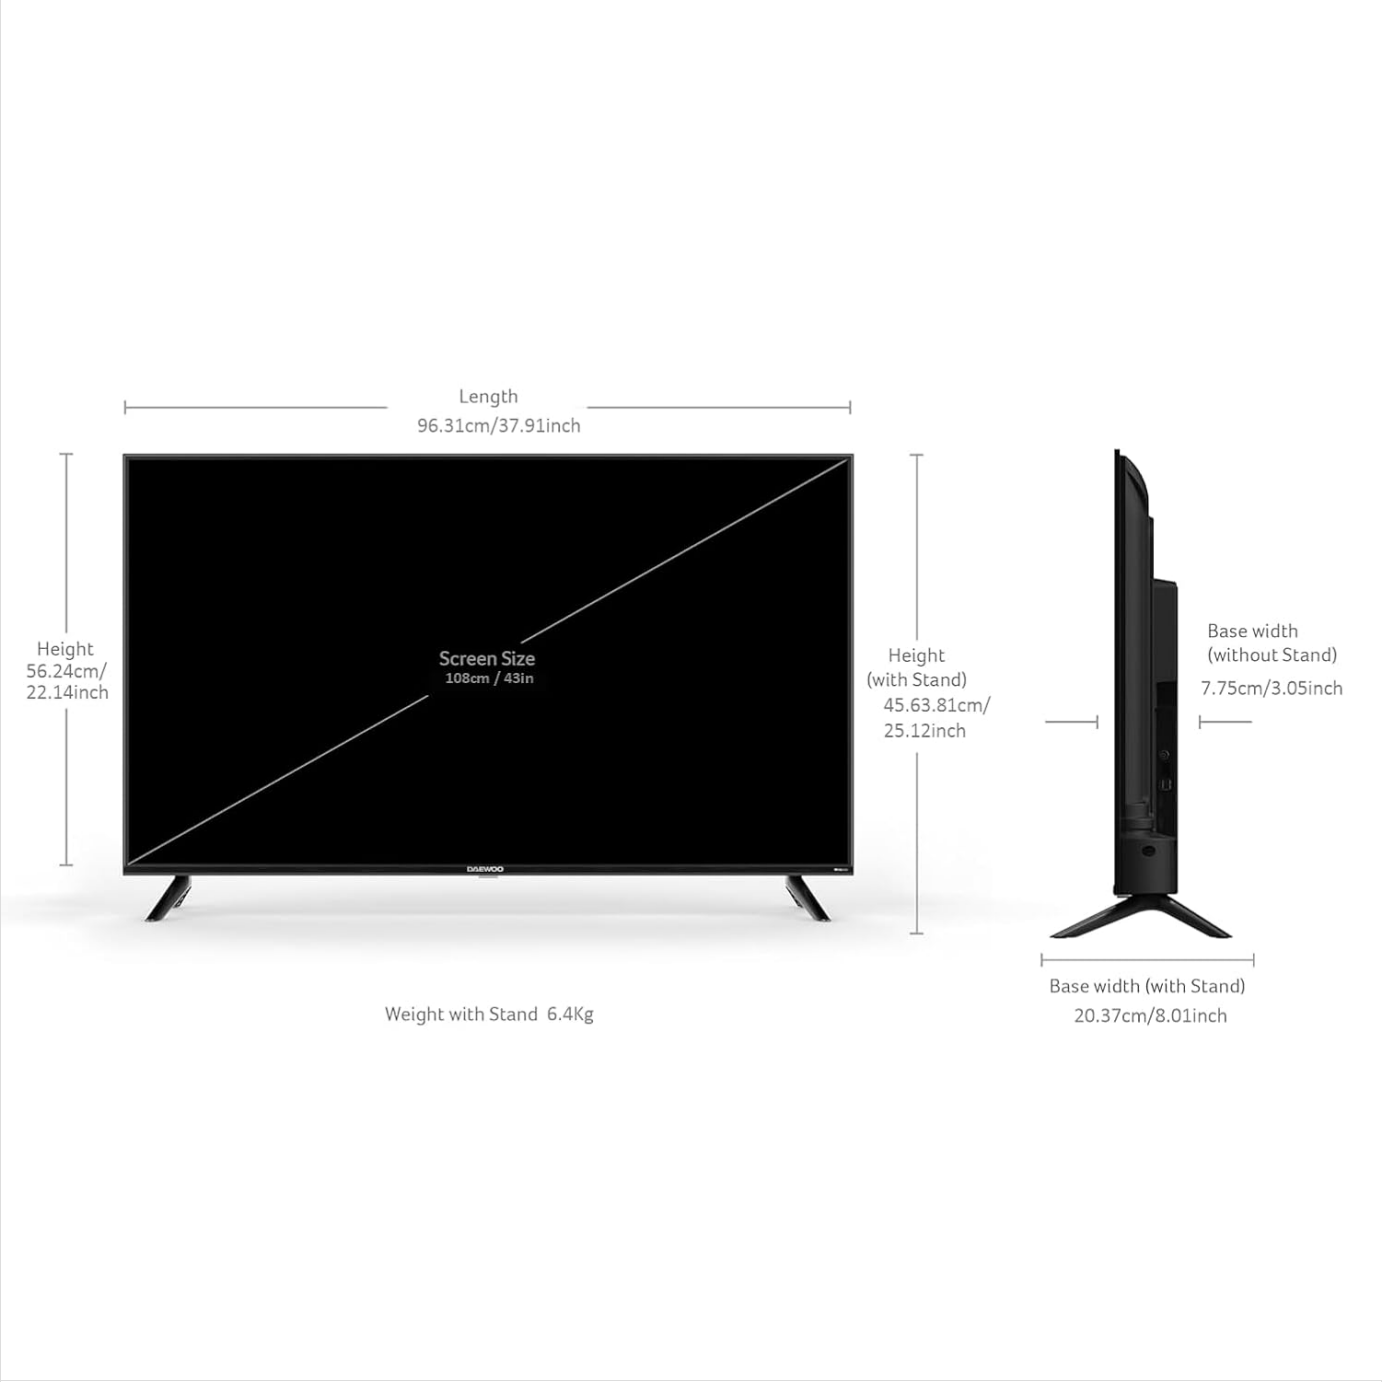

7. TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions:

Problem	Possible Cause / Solution
No power / TV does not turn on	Check if the power cord is securely connected to the TV and the power outlet. Ensure the power outlet is working. Try pressing the power button on the TV itself.
No picture / Poor picture quality	Check input source (HDMI, AV, etc.). Ensure cables are securely connected. Adjust picture settings (brightness, contrast, sharpness). If using an antenna, check signal strength.
No sound / Poor sound quality	Check volume level. Ensure Mute is not activated. Check audio cables if using external speakers. Adjust audio settings in the TV menu.
Remote control not working	Check batteries and replace if necessary. Ensure there are no obstructions between the remote and the TV's IR sensor. The maximum operating distance is 9.5 feet.
Cannot connect to Wi-Fi	Ensure Wi-Fi is enabled on the TV. Check if your router is working. Re-enter the Wi-Fi password. Try restarting both the TV and the router.
Apps are slow or crashing	Ensure a stable internet connection. Close unused apps. Clear app cache or data (via TV settings). Consider a factory reset if issues persist (note: this will erase all data).

If the problem persists after trying these solutions, please contact Daewoo customer support.
