CASCHO P98

CASCHO Smart Watch User Manual

Model: P98

For Smart Watch for Men Women, 1.96" Smartwatch (Answer/Make Call), IP68 Waterproof Fitness Tracker

Introduction

Thank you for choosing the CASCHO Smart Watch. This manual provides comprehensive instructions to help you set up, operate, and maintain your new smartwatch. Designed for both men and women, this 1.96-inch HD full-touch smartwatch offers a wide range of features including call answering/making, IP68 waterproofing, over 112 sport modes, heart rate and sleep monitoring, and a pedometer. Please read this manual carefully to ensure optimal performance and longevity of your device.

What's in the Box

Upon opening your CASCHO Smart Watch package, please verify that all the following items are included:

- CASCHO Smart Watch (Model P98)
- Magnetic Charging Cable
- User Manual (this document)

Setup

1. Charging the Device

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a standard USB power adapter (not included).

- Charging Time: Approximately 2 hours for a full charge.

- Battery Life: Up to 7 days in typical usage, 20 days in power-saving mode, and 30 days on standby.

Image: Illustration of the smartwatch being charged via its magnetic cable, alongside indicators for battery life and charging time.

2. Downloading the GloryFit App

The CASCHO Smart Watch requires the "GloryFit" companion app for full functionality and data synchronization. Scan the QR code below or search for "GloryFit" in your phone's app store (App Store for iOS, Google Play for Android).

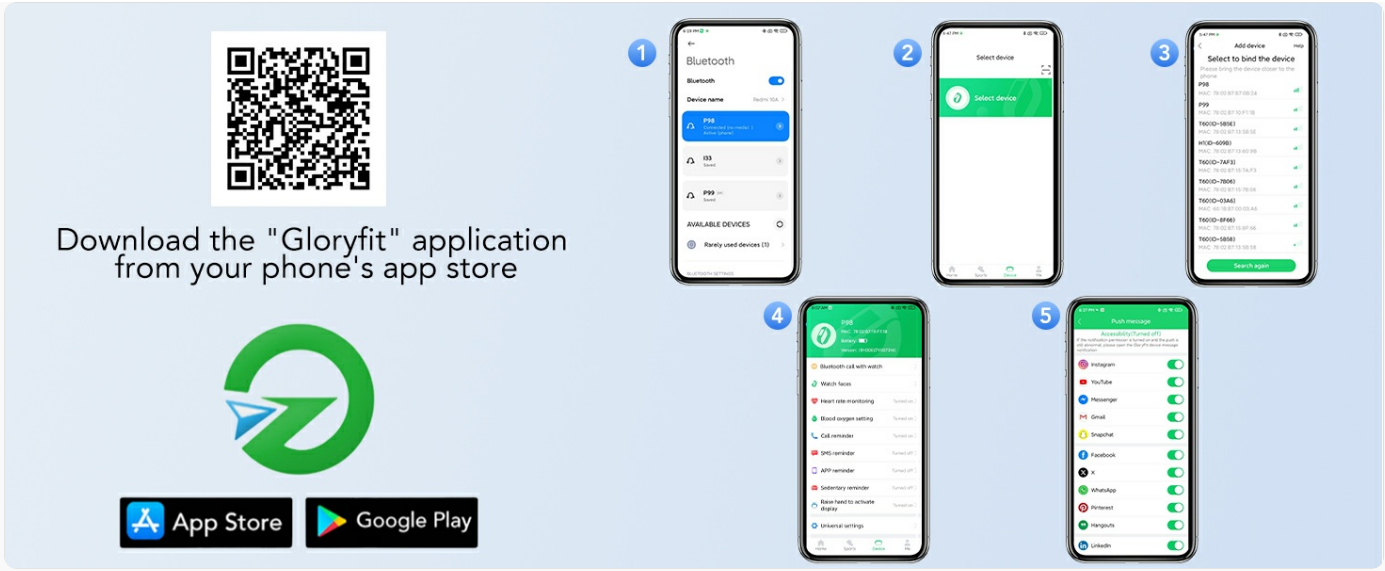

Image: A QR code for downloading the GloryFit application, with icons for Apple App Store and Google Play Store.

Alternatively, download directly from: GloryFit App Download Page

3. Pairing the Smartwatch

Follow these steps to pair your CASCHO Smart Watch with your smartphone via the GloryFit app:

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the GloryFit app and create an account or log in.
3. Navigate to the "Device" or "Add Device" section within the app.
4. The app will scan for available devices. Select "P98" from the list.
5. Confirm the pairing request on both your phone and the smartwatch if prompted.
6. Once paired, set up your personal profile and notification preferences within the app.

Operating Instructions

Basic Navigation

The CASCHO Smart Watch features a 1.96-inch HD full-touch color TFT screen for intuitive operation. Swipe left/right, up/down, and tap to navigate through menus and select functions. The side button typically serves as a power button or a

return-to-home screen button.

Making and Answering Calls

With its built-in HD speakers and Bluetooth connectivity, you can make and receive calls directly from your smartwatch once paired with your phone.

- **Answering Calls:** When an incoming call rings, tap the green phone icon on the watch screen.
- **Making Calls:** Access the "Dialpad" or "Contacts" function on your watch to initiate a call.

Image: A man demonstrating the Bluetooth call feature of the smartwatch, showing the ability to answer/make calls and receive notifications from social media apps.

Receiving Notifications

Enable message receiving privileges for your smartwatch in the GloryFit app to display notifications from various applications (e.g., Facebook, Instagram, SMS, WhatsApp) directly on your watch screen. This ensures you don't miss important messages or alerts.

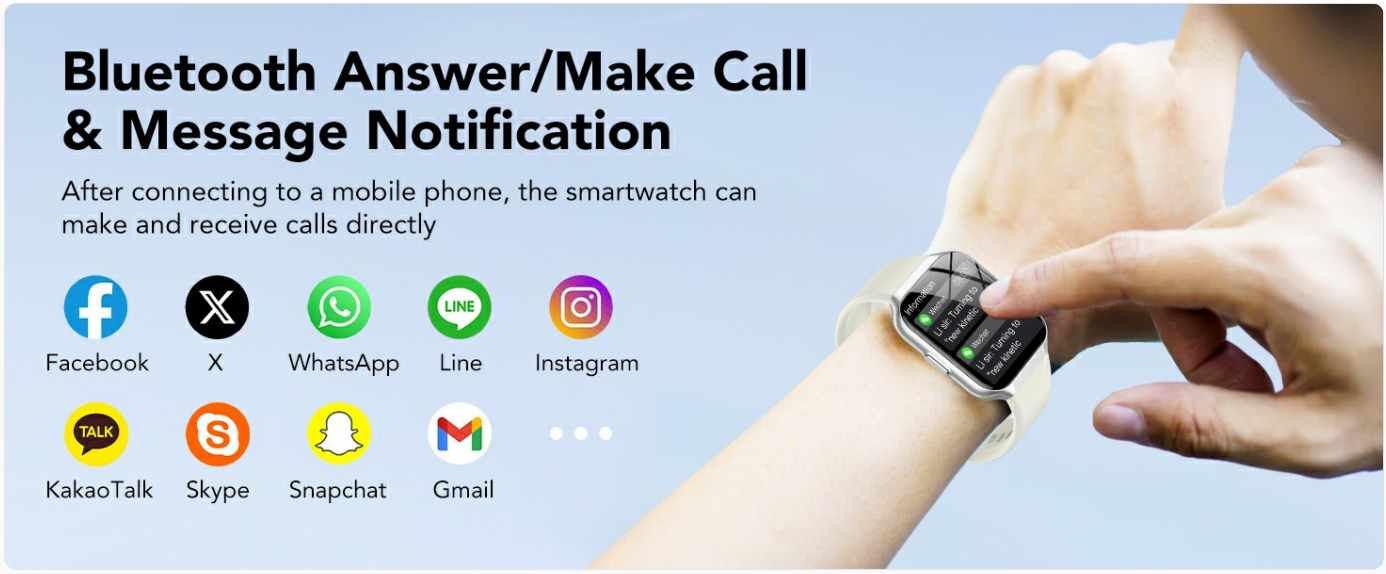

Image: The smartwatch showing how it receives and displays message notifications from popular social media and communication apps.

Health Monitoring

The smartwatch is equipped with high-performance optical sensors to monitor your health data throughout the day. Access these features via the watch or the GloryFit app:

- **Heart Rate Monitoring:** Provides real-time heart rate data.
- **Blood Oxygen (SpO2) Monitoring:** Measures your blood oxygen saturation levels.
- **Sleep Monitoring:** Tracks your sleep patterns, including deep and light sleep stages.
- **Pedometer:** Counts your daily steps and calculates distance covered.
- **Menstrual Health Tracking:** Available for female users to track menstrual cycles.

Image: Detailed view of the smartwatch's health tracking capabilities, including graphs for heart rate, blood oxygen, and sleep patterns.

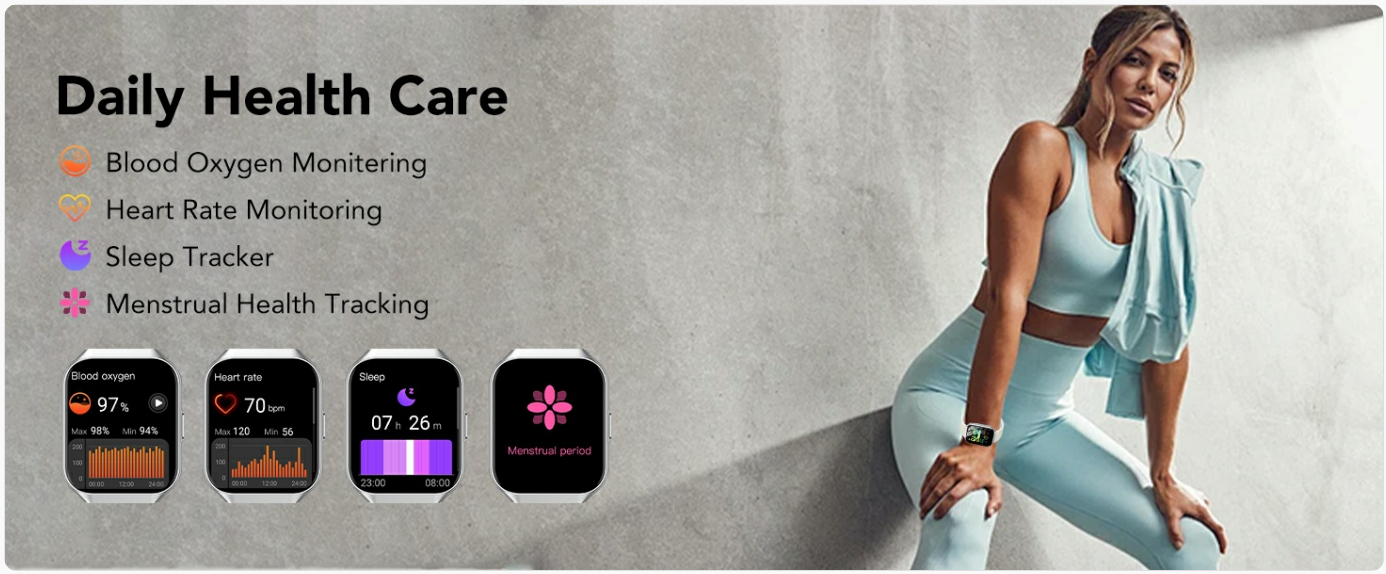

Image: A visual representation of the smartwatch's daily health care features, including blood oxygen, heart rate, sleep tracking, and menstrual health tracking.

Sport Modes

The activity tracker supports over 112 sport modes, allowing you to accurately record data during your workouts. Select your desired sport mode on the watch, and it will track real-time data such as heart rate, steps, calories burned, and distance.

- Includes: Running, Walking, Hiking, Basketball, Cycling, Fitness, Football, Yoga, and many more.

Image: The smartwatch interface showing a selection of its 112+ sport modes, designed for professional data recording during various physical activities.

Other Functions

Your CASCHO Smart Watch offers a variety of additional useful functions:

- **Timer & Stopwatch:** For precise timing of activities.
- **Alarm Clock:** Set multiple alarms for reminders.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Music Control:** Control music playback on your phone (play, pause, skip).
- **Weather Forecast:** Get real-time weather updates.
- **Remote Camera Control:** Use your watch as a remote shutter for your phone's camera.
- **Calculator:** Perform basic calculations directly on your wrist.
- **Find Phone:** Locate your misplaced phone by making it ring.

Maintenance

Cleaning Your Smartwatch

To keep your smartwatch clean and functioning properly:

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn smudges, slightly dampen the cloth with water.

- Avoid using harsh chemicals, abrasive cleaners, or solvents.
- Regularly clean the charging contacts on the back of the watch to ensure good connection.

Water Resistance (IP68)

The CASCHO Smart Watch has an IP68 waterproof rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. This makes it suitable for daily activities like washing hands, face, or engaging in sweaty activities.

Important Note:

- It is **not recommended** for use in hot water, saunas, or seawater.
- Avoid prolonged immersion or high-pressure water jets.
- Water resistance is not a permanent condition and may diminish over time with normal wear.

Image: An illustration demonstrating the IP68 waterproof capability of the smartwatch, showing its resistance to water during activities like surfing, rain, and sweat.

Battery Care

- Charge the watch regularly, avoiding complete discharge.
- Do not expose the watch to extreme temperatures (hot or cold).
- Use only the provided magnetic charging cable.

Troubleshooting

If you encounter issues with your CASCHO Smart Watch, please refer to the following common problems and solutions:

- **Watch not turning on:**
  Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Unable to pair with phone:**
  - Make sure Bluetooth is enabled on your phone and the watch is within range.
  - Restart both your phone and the smartwatch.
  - Ensure the GloryFit app is updated to the latest version.
  - Forget the device in your phone's Bluetooth settings and try pairing again through the app.
- **Notifications not appearing:**
  - Check notification permissions for the GloryFit app in your phone's settings.
  - Ensure notifications are enabled within the GloryFit app for specific applications.
  - Verify the watch is properly connected via Bluetooth.
- **Inaccurate health data (steps, heart rate):**
  - Ensure the watch is worn correctly, neither too tightly nor too loosely, allowing sensors to make proper contact with your skin.
  - Clean the sensor area on the back of the watch.
  - Update the GloryFit app and watch firmware if available.
- **Screen unresponsive:**
  Try restarting the watch by pressing and holding the side button. If unresponsive, allow the battery to fully drain and then recharge it.

Specifications

Feature	Specification

Submit question

Answered questions about this manual

How do I clear the call log on my CASCHO P98 smart watch?

While the CASCHO P98 manual confirms the watch can view call history, it does not provide a specific button sequence for clearing the log directly on the device. Typically, for watches using the GloryFit...
