3. SETUP INSTRUCTIONS

Follow these steps for proper assembly. It is recommended that two people perform the assembly.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
- 2. Attach Sofa Legs:** Locate the pre-drilled holes on the underside of each sofa module and ottoman. Screw the sofa legs into these holes. Ensure they are tightened securely.
- 3. Connect Modules:** Arrange the sofa modules and ottomans in your desired configuration. Use the provided connectors (if applicable) to secure the modules together, preventing them from shifting.
- 4. Place Cushions:** Position the double-layer seat cushions onto the sofa bases. Then, place the back cushions and armrest pillows. Allow cushions to fully expand if they were compressed during shipping.

4. OPERATING INSTRUCTIONS

Modular Configuration

The VINGLI Sectional Sofa features a modular design, allowing you to customize its layout to suit your living space and preferences. The individual modules and ottomans can be rearranged to create various seating arrangements, such as a U-shape, L-shape, or separate seating units.

Versatile Ottomans

The included movable ottomans offer enhanced flexibility. They can be used as:

- **Footrests:** Extend your comfort by placing an ottoman in front of a seat.
- **Extra Seating:** Provide additional seating for guests.
- **Coffee Table:** When paired with a sturdy tray, an ottoman can serve as a convenient surface for drinks or snacks.

5. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille upholstery. Test the cleaner on an inconspicuous area first.
- **Removable Covers:** The seat and back cushion covers are removable. Refer to the care label on the covers for specific washing instructions. Typically, machine wash cold on a gentle cycle and air dry. Do not bleach or tumble dry.

- **Fluffing Cushions:** Regularly fluff and rotate cushions to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Protect from Pets:** If you have pets, consider using protective covers to prevent scratches and stains.

6. TROUBLESHOOTING

If you encounter any issues with your sofa, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Sofa feels unstable or wobbly.	Loose legs or uneven floor.	Ensure all legs are securely tightened. If the floor is uneven, use furniture pads or shims under the legs to level the sofa.
Cushions appear flat or misshapen.	Normal compression over time; lack of regular fluffing.	Regularly fluff and rotate seat and back cushions to restore their loft and shape.
Modules are separating.	Connectors are not properly engaged or missing.	Ensure all module connectors are securely fastened. If connectors are missing, contact customer support.
Fabric has minor wrinkles or indentations.	Result of packaging or normal use.	Lightly steam the fabric or allow time for the wrinkles to naturally relax. Regular fluffing of cushions can also help.

If you experience issues not covered here, please contact VINGLI customer support for assistance.
