1. INTRODUCTION

Thank you for purchasing the Homleke CT10G Glass Coffee Table. This modern rectangular coffee table is designed to enhance your living space with its minimalist aesthetic and sturdy construction. Crafted with a tempered glass top and a durable metal frame, it offers both style and functionality. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new furniture.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions provided.
- This table may be heavy; ensure proper handling to prevent injury. It is recommended to have two people for assembly and moving.
- Always anchor the table to the floor to prevent tipping or collapse if such anchoring hardware is provided or recommended.
- Do not place excessively heavy items on the glass top. The maximum recommended weight capacity is approximately 30 lbs.
- Keep children and pets away from the assembly area.
- Avoid placing hot items directly on the glass surface without a protective coaster.
- Do not stand or sit on the table.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact Homleke customer service.

- Coffee Table Frame Components (Metal)
- Tempered Glass Top
- Assembly Guide
- Installation Tool (e.g., Allen wrench, screwdriver)
- Hardware Pack (screws, washers, adjustable feet, mute pads)

4. ASSEMBLY INSTRUCTIONS

The Homleke CT10G Glass Coffee Table is designed for effortless assembly. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the included assembly guide to identify each frame component (legs, crossbars) and hardware.
3. **Assemble Frame:** Connect the metal frame components using the provided screws and installation

tool. Ensure all connections are secure but do not overtighten initially.

4. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the table legs. These can be adjusted later to level the table on uneven surfaces.
5. **Place Mute Pads:** If included, place the mute pads on the top of the frame where the glass will rest. This protects the glass and prevents slipping.
6. **Install Glass Top:** Carefully place the tempered glass top onto the assembled metal frame. Ensure it is centered and sits securely on the frame and mute pads.
7. **Final Tightening:** Once the glass is in place, gently tighten all screws on the metal frame to ensure stability. Do not overtighten, as this can warp the frame.

5. OPERATION AND PLACEMENT

The Homleke CT10G Glass Coffee Table is designed for versatile use in various indoor settings.

- **Intended Use:** This table is suitable for use as a coffee table in living rooms, a tea table, or an accent table in offices or apartments.
- **Placement:** Position the table on a flat, stable surface. Use the adjustable feet to ensure the table is level and does not wobble.
- **Weight Distribution:** Distribute items evenly on the glass surface. Avoid concentrating heavy objects in one spot.
- **Environmental Conditions:** This table is designed for indoor use only. Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the glass and metal finish.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Homleke CT10G Glass Coffee Table.

- **Cleaning the Glass Top:** The tempered glass top is easy to clean. Use a soft, lint-free cloth with a glass cleaner or a mild soap and water solution. Wipe dry immediately to prevent water spots. Avoid abrasive cleaners or scouring pads, which can scratch the glass.
- **Cleaning the Metal Frame:** Wipe the metal frame with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Dry thoroughly to prevent tarnishing or water marks.
- **Spills:** Clean up spills immediately to prevent staining or damage, especially on the metal frame.
- **Protection:** Use coasters under drinks and placemats under decorative items to protect the glass surface from scratches and heat marks.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your coffee table, refer to the following common problems and solutions:

- **Table is Wobbly:**
 - Ensure all screws are securely tightened.
 - Adjust the leveling feet on the bottom of the legs to compensate for uneven floor surfaces.
- **Scratches on Glass:**
 - Minor scratches may be reduced with specialized glass scratch repair kits (follow product instructions carefully).
 - To prevent future scratches, always use coasters and avoid dragging objects across the surface.
- **Discoloration of Metal Frame:**
 - Ensure the table is not exposed to harsh chemicals or excessive moisture.
 - Clean regularly with a soft, dry cloth to maintain the finish.

- **Glass Top Slips:**

- Verify that the mute pads (or suction cups, if applicable) are correctly positioned between the glass and the frame.
- Ensure the glass is properly centered on the frame.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Homleke
Model Name	CT10G
