

## ZenZee NG-22021

# ZenZee Fireplace Safety Gate - Model NG-22021 - Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

## 1. INTRODUCTION

---

This instruction manual provides important information for the safe and effective use of your ZenZee Fireplace Safety Gate, Model NG-22021. Please read this manual thoroughly before assembly and operation, and retain it for future reference. This safety gate is designed to create a protective barrier around fireplaces and stoves, safeguarding children and pets from potential hazards.

## 2. SAFETY INFORMATION

---

Your safety is paramount. Always adhere to the following safety guidelines:

- **Never leave children or pets unattended** near hot objects, fire, or stairs.
- Ensure that the gate door is securely locked. Make sure children cannot reach the product when it is stored.
- Keep the safety gate away from hot surfaces, open flames, or heating elements.
- Regularly check all components for wear, damage, or loose connections. Do not use if any part is damaged.
- This product is intended for domestic use as a safety barrier around fireplaces and stoves. Do not use for other purposes.
- Ensure the gate is installed on a stable, flat surface.
- The gate must be installed at a safe distance from the heat source to prevent overheating of the metal.

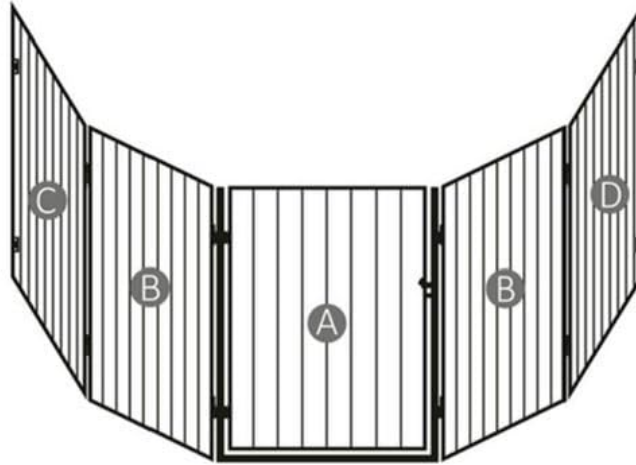

## 3. PACKAGE CONTENTS

---

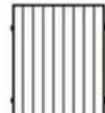

Verify that all parts are present before beginning assembly.

## Montage instructies - Assembly instructions- Montageanleitung

### Parts list

A	Door part	B	Middle part	C	Left wall part	D	Right wall part	E	Nail plug	
						1x	2x	1x	1x	8x

- NL** Gebruik de meegeleverde M6 bouten en moeren om de verschillende elementen met elkaar te verbinden. Gebruik hierbij een kruisschroevendraaier.

**EN** Use the M6 bolts and nuts provided to connect the various elements. Use a cross-head screwdriver to do this.

**DE** Verwenden Sie die mitgelieferten M6-Schrauben und Muttern, um die verschiedenen Elemente zu verbinden. Verwenden Sie dazu einen Kreuzschlitzschraubendreher.
- NL** U kunt ervoor kiezen om het scherm aan de muur te bevestigen voor extra stabiliteit. Monteer de scharnierbladen aan de achterste hekelementen met de meegeleverde M6 bouten en moeren. Gebruik voor de muurmontage de 8 meegeleverde pluggen of gebruik ander bevestigingsmateriaal dat het meest geschikt is voor uw ondergrond. Zorg ervoor dat u het hek en de scharnierbladen juist positioneert voordat u de boorgat posities aftekent op de muur.

**EN** You may choose to mount the screen to the wall for added stability. Mount the hinge blades to the rear fence elements with the M6 bolts and nuts provided. For wall mounting, use the 8 dowels provided or use other fasteners most suitable for your surface. Be sure to position the fence and hinge blades correctly before marking off the drill hole positions on the wall.

**DE** Sie können den Schirm für zusätzliche Stabilität an der Wand befestigen. Befestigen Sie die Scharnierblätter mit den mitgelieferten M6-Schrauben und Muttern an den hinteren Zaunelementen. Verwenden Sie für die Wandbefestigung die 8 mitgelieferten Dübel oder andere Befestigungsmittel, die für Ihren Untergrund geeignet sind. Vergewissern Sie sich, dass Sie den Zaun und die Scharnierblätter richtig positionieren, bevor Sie die Positionen der Bohrlöcher an der Wand anzeichnen.

### Veiligheid - Safety- Sicherheit

- NL** Laat kinderen of huisdieren nooit zonder toezicht achter in de buurt van warme voorwerpen, vuur of trappen. Zorg er altijd voor dat de deur van het hek goed vergrendeld is. Zorg ervoor dat kinderen niet bij het product kunnen komen als het opgeborgen is.

**EN** Never leave children or pets unattended near hot objects, fire or stairs. Always ensure that the gate door is securely locked. Make sure children cannot reach the product when it is stored.

**DE** Lassen Sie Kinder oder Haustiere niemals unbeaufsichtigt in der Nähe von heißen Gegenständen, Feuer oder Treppen. Vergewissern Sie sich immer, dass die Tür des Tores sicher verschlossen ist. Stellen Sie sicher, dass Kinder nicht an das Gerät gelangen können, wenn es gelagert wird.

### Parts List

Part	Description	Quantity
A	Door part	1
B	Middle part	2
C	Left wall part	1

Part	Description	Quantity
D	Right wall part	1
E	Nail plug (M6 bolts and nuts)	8

## 4. SETUP AND ASSEMBLY

Follow these steps for proper assembly and installation of your safety gate.

- Connect Elements:** Use the provided M6 bolts and nuts to connect the various elements (A, B, C, D). A cross-head screwdriver is required (not included). Ensure all connections are secure.
- Flexible Wall Mounting:** For additional stability, the outer elements of the gate can be flexibly mounted to the wall using the supplied M6 bolts, nuts, and wall plugs.
  - Position the gate around your fireplace or stove to determine the optimal placement for the wall mounting points.
  - Mark the drill hole positions on the wall.
  - Drill the holes and insert the wall plugs.
  - Mount the hinge blades to the rear fence elements with the M6 bolts and nuts provided.
  - Attach the gate to the wall using the M6 bolts and nuts, ensuring a firm and stable connection.

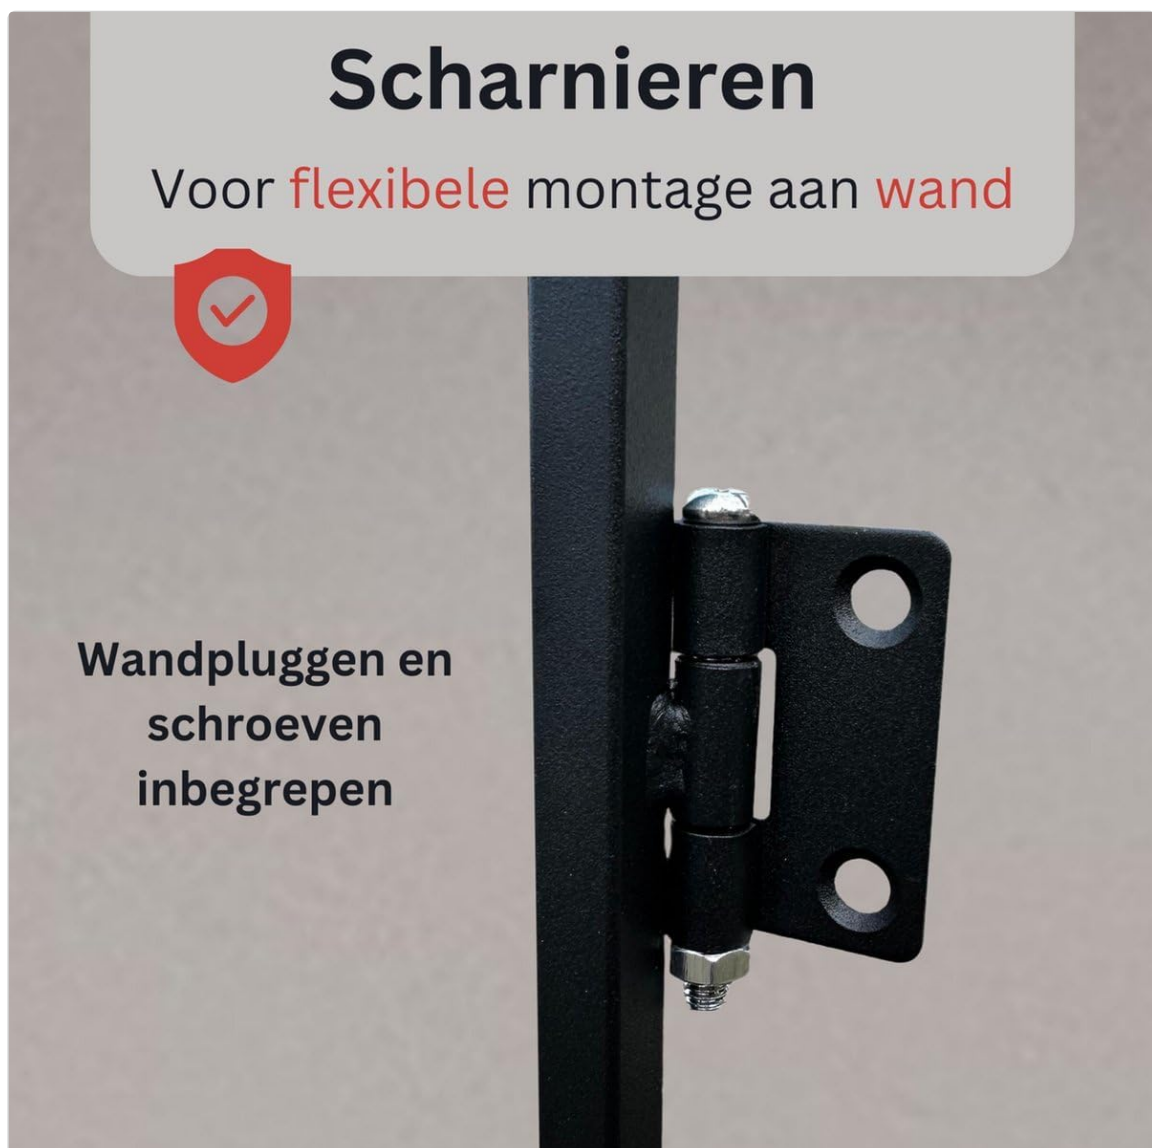

Image 3: Hinges for flexible wall mounting, with wall plugs and screws included.

- 3. Positioning:** The gate features plastic feet under each element, allowing for easy setup without damaging your floor. Position the gate to create a safe barrier around your fireplace or stove. The hinged elements allow for various configurations to fit your space.

## 5. OPERATING INSTRUCTIONS

The ZenZee Fireplace Safety Gate is designed for ease of use and maximum security.

- **Door Operation:** The gate includes a practical door for easy access to your fireplace or stove. To open, disengage the front lock.
- **Security Locks:** The gate is equipped with a front lock and an additional child lock on the back for enhanced security. Always ensure both locks are engaged when the gate is closed to prevent accidental opening by children or pets.

Image 4: Details of the front lock and the additional child lock for extra security.

- **Flexible Configuration:** The hinged elements allow the gate to be configured in various shapes to suit different fireplace sizes and room layouts.

## 6. MAINTENANCE

Proper maintenance will ensure the longevity and continued safety of your ZenZee Fireplace Safety Gate.

- **Cleaning:** Wipe the gate with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the matte black powder coating.
- **Inspection:** Regularly inspect all bolts, nuts, and hinges to ensure they are tight and secure. Check for any signs of wear, rust, or damage to the metal frame.
- **Repair:** Do not attempt to repair damaged parts yourself. Contact customer support for assistance or replacement parts.

Image 5: High-quality, robust steel construction with matte black powder coating.

## 7. STORAGE

When not in use, the ZenZee Fireplace Safety Gate can be easily stored.

- **Folding:** The hinged design allows the gate to be folded flat without disassembly. Simply fold the outer elements inwards for a compact storage size.
- **Storage Location:** Store the gate in a dry place, away from direct sunlight and extreme temperatures, to prevent damage to the finish. Ensure it is stored securely where children or pets cannot access it.

# Gemakkelijk opbergen

Plat opbergen **zonder** demontage

Vouw de achterste elementen naar binnen voor een vlakke opbergmaat van 180 x 76,5 cm

## 9. TROUBLESHOOTING

If you encounter any issues with your ZenZee Fireplace Safety Gate, refer to the following common solutions:

- **Gate feels unstable:** Ensure all bolts and nuts are tightened securely. If wall-mounted, verify that the wall plugs are properly installed and the gate is firmly attached to the wall. Check that the gate is placed on a flat, even surface.
- **Door not closing/locking properly:** Inspect the door and locking mechanisms for any obstructions or misalignment. Ensure the gate is assembled correctly and not warped. Check both the front lock and the child lock for proper engagement.
- **Damage to finish:** Avoid using harsh chemicals or abrasive materials for cleaning. For minor scratches, a touch-up paint suitable for powder-coated metal in matte black may be used.

## 10. WARRANTY AND SUPPORT

For warranty information or if you require further assistance, please contact ZenZee customer support. Keep your purchase receipt as proof of purchase.

**Manufacturer:** Zenzee

For support inquiries, please refer to the contact information provided with your purchase or visit the official ZenZee website.
