SETUP

Initial Charging

1. Open the charging case and place both earbuds inside.
2. Connect the provided Type-C charging cable to the charging port on the case and a power source.
3. Allow the earbuds and case to fully charge before first use. The indicator light on the case will show charging status.

Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "Oraimo FreePods Neo OTW-330S" in the list of available Bluetooth devices.
4. Select the earbuds to pair. A voice prompt will confirm successful connection.

OPERATING INSTRUCTIONS

Wearing the Earbuds

The FreePods Neo are designed for a comfortable half-in-ear fit. Gently insert each earbud into your ear canal until it feels secure and comfortable. Adjust as needed for optimal sound and stability.

Touch Controls

Action	Function
Single Tap (Left/Right)	Play/Pause Music, Answer/End Call
Double Tap (Right)	Next Track
Double Tap (Left)	Previous Track
Triple Tap (Left/Right)	Activate Voice Assistant
Long Press (Left/Right)	Reject Call, Switch between Normal/ANC/Transparency Mode (if applicable)

Using the Oramo Sound App

Enhance your experience by downloading the Oramo Sound App. The app allows for custom equalizer settings, game mode activation, and other personalized controls.

- Download the "Oraimo Sound" app from the App Store (iOS 12.0 or above) or Google Play (Android 6.0)

or above).

- Connect your FreePods Neo to the app to access advanced features.

The advertisement features a bright yellow background. At the top left is the 'oraimo' logo. Below it, the text 'oraimo sound App' is displayed. A large, bold headline reads 'Get Smart for Your FreePods Neo'. In the center, a smartphone displays the app's 'Edit Equalizer' interface, showing a frequency response graph. To the right, another smartphone shows the main app dashboard with options for 'Equalizer', 'Earphone Cont.', 'Game Mode', and 'Sound360 Spatial Audio'. A small cartoon character stands next to the second phone. In the foreground, the black FreePods Neo earbuds are shown in their open charging case. A QR code and system requirements are listed in a white box: 'iOS 12.0 or above', 'Android 6.0 or above', and 'Download the app: Scan the QR code or search "oraimo sound" in App Store or Google Play.' The text 'FreePods Neo | OTW-330S |' is positioned to the left of the earbuds. At the bottom left, the copyright notice '© 2024 Garena. All Rights Reserved.' is visible.

MAINTENANCE

Cleaning Your Earbuds

Regularly clean your earbuds to maintain optimal sound quality and hygiene. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Do not use harsh chemicals or abrasive materials.

Water and Sweat Resistance

The earbuds are IPX4 water-resistant, meaning they are protected against splashing water from any direction. This makes them suitable for workouts and light rain. **Note: The charging case is NOT water-resistant.**

IPX4 Water-resistant & Sweat Protection

Not Afraid of Water and Sweat

*Water and sweat resistance is only for earbuds and not for the charging case.

FreePods Neo | OTW-330S |

Image: Oraimo FreePods Neo earbuds with water droplets, illustrating their IPX4 water-resistant and sweat protection. A note clarifies that water and sweat resistance applies only to the earbuds, not the charging case.

Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage, and to keep them charged.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close the lid, then open it again to re-enter pairing mode. Turn Bluetooth off and on on your device.
Only one earbud working	Ensure both earbuds are charged. Try resetting the earbuds (refer to the Welcome Guide for specific reset instructions). Re-pair with your device.
Low volume	Adjust volume on both your device and through the earbuds' touch controls. Clean any debris from the earbud speakers.

Problem	Possible Solution
Poor call quality	Ensure earbuds are properly seated. Move closer to your device. Check for environmental noise interference.

SPECIFICATIONS

Feature	Detail
Model Name	OTW-330S
