2. SETUP

What's in the Box:

- Freightliner M2 106 Die-Cast Truck Model

Initial Steps:

1. Carefully remove the Freightliner M2 106 model from its packaging.
2. Inspect the model for any visible damage or loose parts.
3. Place the model on a flat, stable surface for display or play.

3. OPERATING

The Matchbox Freightliner M2 106 is a die-cast model designed for collection, display, and imaginative play. It does not require batteries or complex setup.

Usage:

- Place the model on a flat surface for static display.
- Roll the truck along smooth surfaces for play.

- Integrate the model into existing playsets or dioramas.

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your die-cast model.

Cleaning:

- Wipe the model gently with a soft, dry cloth to remove dust and fingerprints.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the paint finish.

Storage:

- Store the model in a cool, dry place away from direct sunlight.
- Avoid extreme temperatures or high humidity, which can affect the materials.
- Keep the model in its original packaging or a display case to protect it from dust and accidental damage.

5. TROUBLESHOOTING

This die-cast model is a simple, non-electronic toy. Most issues are related to physical handling.

Common Concerns:

- **Loose Parts:** If any small parts become loose, gently try to reattach them. If they cannot be reattached, keep them away from small children.
- **Scratches/Paint Chips:** These can occur with regular play or handling. They are generally cosmetic and do not affect the model's functionality.
- **Wheels Not Rolling Smoothly:** Check for any debris or obstructions in the axle area. Clean gently if necessary.

For significant damage or manufacturing defects, please refer to the Warranty & Support section.
