# Skechers Men's Max Cushioning Glide Step Advert Hands Free Slip-ins Sneakers

**MODEL: 220421**

## Product Overview

Experience ultimate comfort with these Skechers Max Cushioning sneakers for men. These innovative shoes feature an engineered mesh upper with adjustable laces and slip-in technology for easy wear. The Glide-Step design combines with an Air-Cooled Goga Mat insole and Goodyear Performance Outsole to deliver exceptional comfort and durability. They are designed for athletes seeking maximum cushioning with premium support and natural momentum technology.

## Key Features:

- **Maximum Cushioning Technology:** Superior comfort with Max Cushioning design, Air-Cooled Goga Mat insole, and Ultra Go cushioning.
- **Innovative Slip-in Design:** Hands-free slip-in technology with Heel Pillow design for secure foot hold and easy on-and-off.
- **Advanced Performance Features:** Natural Rocker Technology for smooth transitions and Goodyear Performance Outsole for enhanced traction.
- **Breathable Comfort:** Engineered mesh upper with quarter webbing overlay provides ventilation and support.
- **Easy Maintenance:** Machine washable design keeps your athletic shoes looking fresh.

## Getting Started

### Hands-Free Slip-in Technology

These sneakers are designed for effortless wear. Simply step into the shoes without needing to bend over or use your hands. The unique Heel Pillow design securely cradles your foot, ensuring a snug fit as you slide in.

### Adjusting the Fit

While designed for slip-in convenience, these sneakers also feature traditional laces. You can adjust the laces to achieve a more secure and personalized fit according to your preference. Ensure the laces are tied comfortably, not too tight to restrict circulation, nor too loose to cause slippage.

## Wearing Your Sneakers

### Max Cushioning Comfort

The Max Cushioning midsole, combined with Air-Cooled Goga Mat and Ultra Go cushioning, provides exceptional shock absorption and comfort. This design is engineered to reduce impact during walking or running, offering a soft and responsive feel with every step.

### Glide-Step Design

The unique Glide-Step geometric cushioned midsole promotes a natural rocking motion, facilitating smooth transitions from heel to toe. This design aids in maintaining momentum and reducing fatigue during extended periods of activity.

### Goodyear Performance Outsole

The Goodyear Performance Outsole provides enhanced traction, stability, and durability. This specialized rubber compound ensures reliable grip on various surfaces, contributing to a safer and more confident stride.

## Care and Maintenance

To keep your Skechers Max Cushioning Glide Step Advert sneakers clean, they are machine washable. Use a gentle cycle with cold water and air dry them. Do not use hot water, bleach, or tumble dry, as this may damage the materials and construction of the shoes.

## Troubleshooting

If you experience any discomfort or issues with your sneakers, first ensure they are properly sized and laced. Check for any debris inside the shoe. If problems persist, consult a footwear specialist or contact Skechers customer support for further assistance.

## Product Specifications

Feature	Detail
Product Dimensions	12.7 x 7.9 x 4.5 inches
Item Model Number	220421
Department	Mens
Manufacturer	Skechers
Sole Material	Rubber
Outer Material	Mesh
