Assembly Instructions

The Sluban Titani Model Building Set comes with a comprehensive, full-color instruction manual. Follow the steps outlined in the physical manual carefully for optimal assembly. The building blocks are organized into numbered bags, corresponding to various stages of the construction process.

1. **Unpack Components:** Carefully open the box and sort the numbered bags. It is recommended to open bags only as needed for each step to keep pieces organized.
2. **Follow Manual Steps:** Refer to the detailed illustrations and step-by-step instructions in the included manual. Pay close attention to the orientation and placement of each piece.
3. **Connect Pieces:** The blocks are designed to snap together securely. Ensure each connection is firm.
4. **Utilize Minifigures:** The two included minifigures can be placed on the ship's deck as you build, adding to the model's narrative.
5. **Assemble Display Base:** Construct the dedicated display base as instructed to provide a stable foundation for your completed model.

Note: Some steps may require careful observation due to similar-looking pieces or complex connections. If you encounter difficulty, review the previous steps or consult the manual's illustrations closely.

Operating and Display

Once assembled, your Sluban Titani model is ready for display.

- **Placement:** Position the model on its dedicated display base on a flat, stable surface. Ideal locations include shelves, desks, or display cabinets in living rooms, studies, or bedrooms.
- **Interaction:** The included minifigures can be placed on various parts of the deck to create different scenes. The adjustable smokestacks allow for minor customization of the ship's appearance.
- **Handling:** When moving the model, always support it from the base to prevent accidental disassembly or damage to delicate parts.

Maintenance

To keep your Sluban Titani model in excellent condition:

- **Cleaning:** The building blocks are made of washable ABS plastic. For light cleaning, use a soft, dry cloth to dust the model. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then rinse and air dry completely. Avoid harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.

Troubleshooting

If you encounter any issues during assembly or with the product:

- **Missing Pieces:** Double-check all packaging and bags. If pieces are genuinely missing, contact Sluban customer support (contact information not provided in product data).
- **Unclear Instructions:** Some users have noted that certain instruction steps can be challenging. Review the illustrations carefully, and if necessary, try to visualize the connection from different angles. Online communities or video tutorials might also offer additional visual guidance.
- **Loose Connections:** Ensure that pieces are firmly pressed together. The blocks are designed for a secure fit.
