

## Aroepurt Foxx Miro A67

# Aroepurt Hybrid Case and Tempered Glass Screen Protector for Foxx Miro A67 - Instruction Manual

Model: Foxx Miro A67

## 1. PRODUCT OVERVIEW

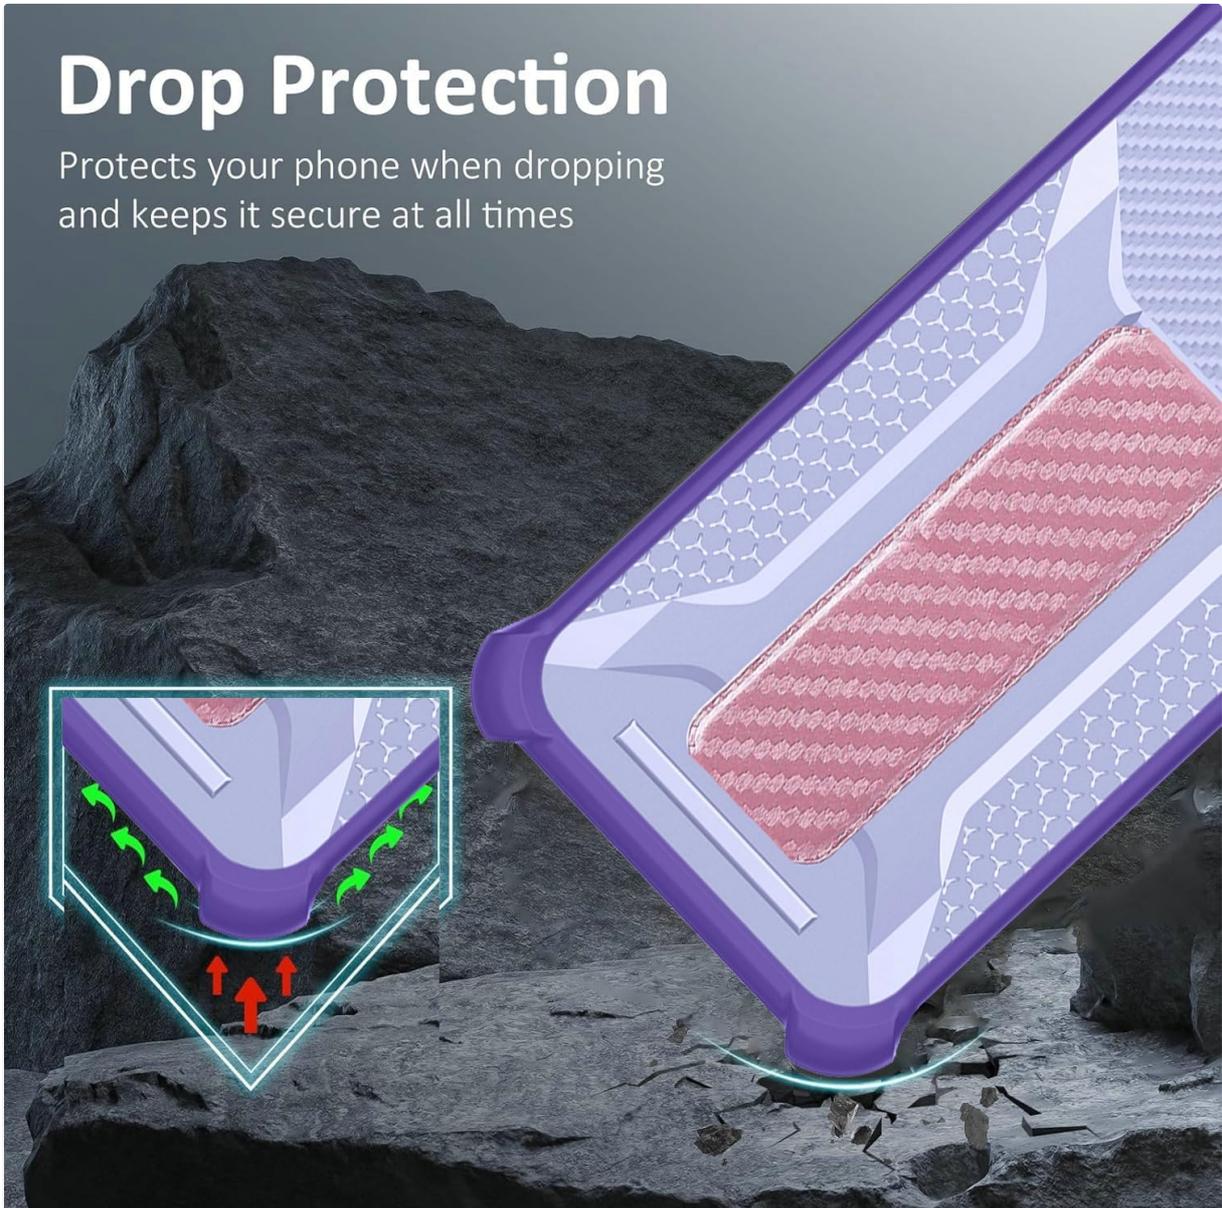

This manual provides instructions for the Aroepurt Hybrid Case and Tempered Glass Screen Protector designed for the Foxx Miro A67 smartphone. The product offers comprehensive protection and enhanced functionality for your device.

### Key Features:

- Hybrid construction: PC hard back panel combined with a soft silicone frame.
- Four-corner shock airbags for enhanced drop protection.
- Integrated folding multi-angle stand for hands-free viewing.
- Magnetic fastening for compatibility with car mounts.
- Frosted, fingerprint-resistant surface with carbon fiber texture.
- Raised edges around the camera and screen for flat surface protection.
- Includes a tempered glass screen protector for display defense.

# Drop Protection

Protects your phone when dropping and keeps it secure at all times

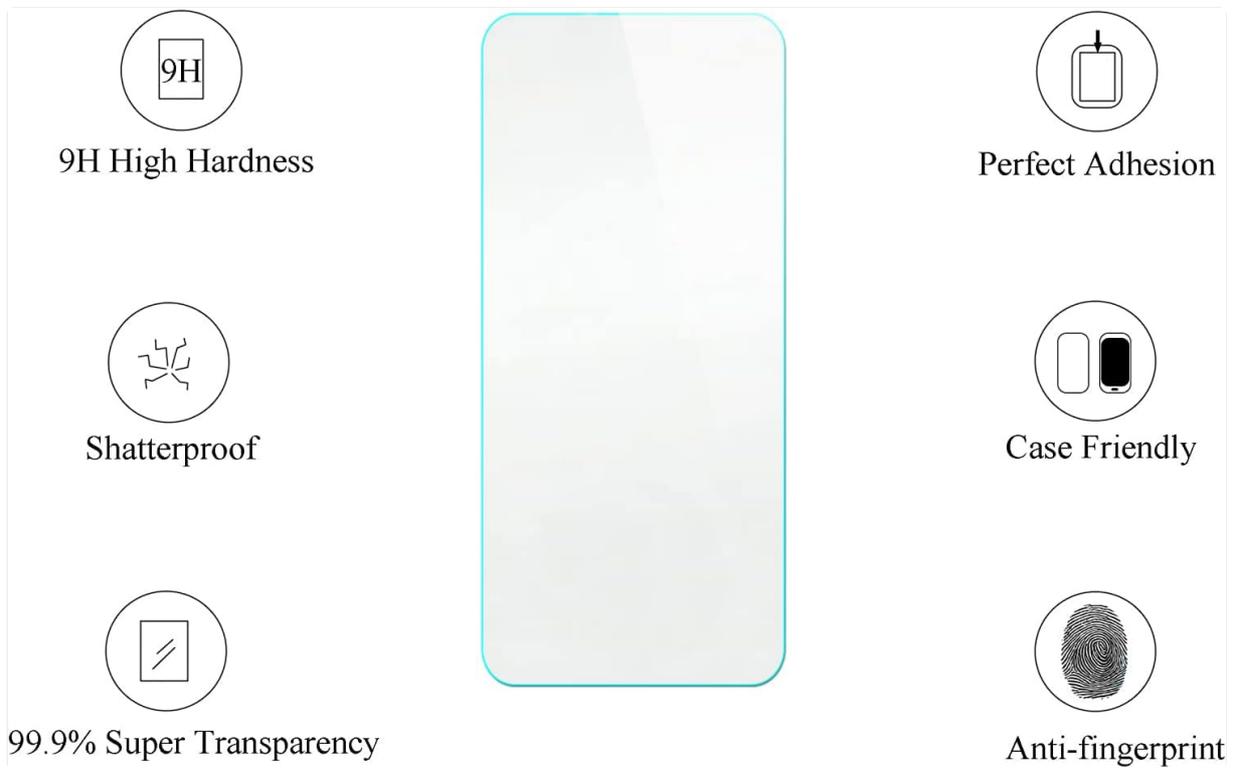

**Figure 1: Drop Protection Design.** This image illustrates the reinforced corners and hybrid material construction designed to absorb impacts and protect the phone from drops.

## 2. SETUP AND INSTALLATION

### 2.1 Installing the Phone Case

1. Ensure your Foxx Miro A67 phone is clean and free of dust or debris.
2. Align the phone with the soft silicone frame of the case.
3. Gently press the phone into the case, starting from one corner and working your way around, ensuring all edges are securely fitted.
4. Verify that all ports, buttons, and camera cutouts align correctly with the phone.

### 2.2 Installing the Tempered Glass Screen Protector

**Figure 2: Tempered Glass Features.** This image highlights the key attributes of the screen protector, including 9H high hardness, shatterproof design, perfect adhesion, case-friendly fit, 99.9% super transparency, and anti-fingerprint properties.

1. Clean your phone screen thoroughly using the provided cleaning wipes (if included) or a microfiber cloth. Ensure no dust particles remain.
2. Peel off the protective film from the adhesive side of the tempered glass screen protector.
3. Carefully align the screen protector with your phone's screen, ensuring the cutouts for the camera and sensors match.
4. Gently lower the screen protector onto the screen. It will adhere automatically.
5. Use a clean cloth or your finger to gently press out any air bubbles from the center outwards.

## Scratch Proof

Scratch proof screen effectively avoids sharp objects scratching or abrasion

**Figure 3: Scratch Protection.** This image visually represents the scratch-proof capabilities of the screen protector, showing its resistance to sharp objects and abrasion.

### 3. OPERATING INSTRUCTIONS

#### 3.1 Using the Folding Stand

The integrated folding stand allows for convenient hands-free viewing in both portrait and landscape orientations.

1. Locate the folding stand on the back of the case.
2. Gently pull the stand outwards until it locks into your desired viewing angle.
3. Place your phone on a flat surface.
4. To retract, push the stand back into its original position until it lies flat against the case.

#### 3.2 Utilizing the Magnetic Feature

The case features a magnetic fastening for secure attachment to compatible magnetic car mounts.

1. Ensure your car mount is magnetic and properly installed in your vehicle.
2. Simply place the back of your phone case onto the magnetic car mount. The integrated magnet will secure the phone in place.

### 3.3 Using the Wristband (if applicable)

Some versions of this case may include a wristband for added security and one-hand operation.

1. Slide your hand through the wristband on the back of the case.
2. Adjust for a comfortable and secure grip. This helps prevent accidental drops and facilitates one-handed use.

**Figure 4: Multi-function Stand Case.** This image demonstrates various uses of the case, including hands-free viewing with the kickstand and secure holding with the integrated strap.

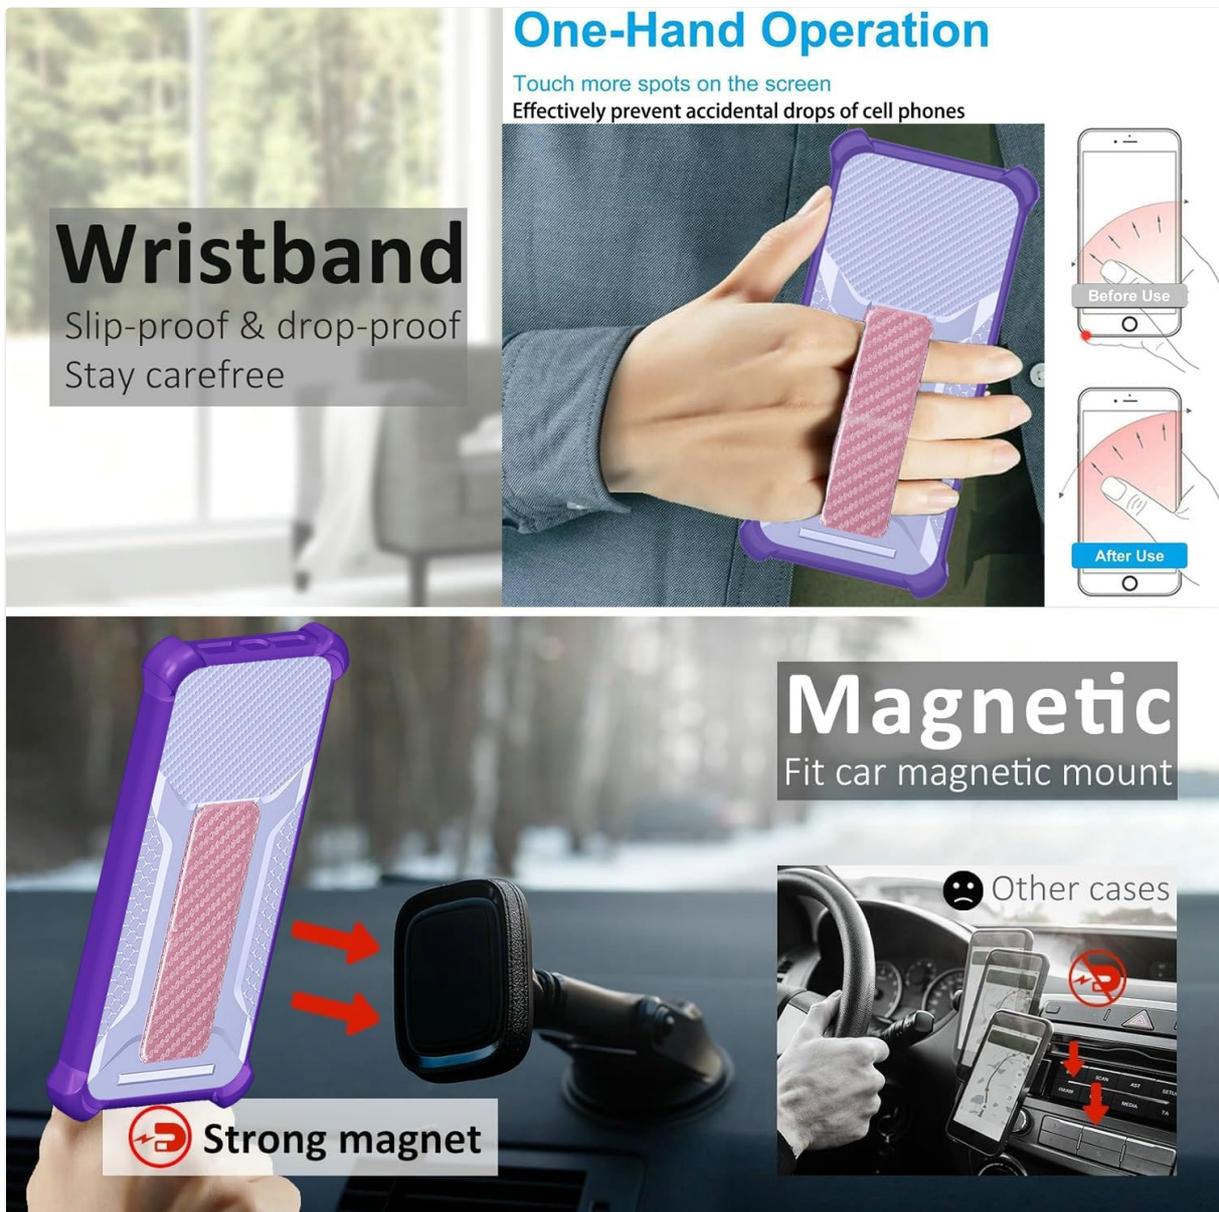

Figure 5: Wristband and Magnetic Functionality. This image illustrates how the wristband aids in one-handed phone operation and how the case securely attaches to a magnetic car mount.

## 4. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your phone case and screen protector.

- **Cleaning the Case:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. For tougher stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Screen Protector:** Use a microfiber cloth to gently wipe the screen protector. For fingerprints or smudges, a screen cleaner specifically designed for electronics can be used.
- **Avoid Extreme Conditions:** Do not expose the case or screen protector to extreme temperatures or direct sunlight for prolonged periods, as this may affect material integrity.
- **Inspect Regularly:** Periodically check the case and screen protector for any signs of wear or damage. Replace if significant damage is observed to maintain optimal protection.

## 5. TROUBLESHOOTING

### 5.1 Screen Protector Bubbles

- **Issue:** Air bubbles appear under the screen protector after installation.
- **Solution:** Small bubbles often disappear within 24-48 hours. For larger bubbles, gently lift the nearest edge of the screen protector and re-apply, pushing the bubble out with a clean cloth. Ensure the screen is dust-free before re-application.

## 5.2 Stand Not Holding Position

- **Issue:** The folding stand does not maintain its open position.
- **Solution:** Check for any obstructions or damage to the hinge mechanism. Ensure the stand is fully extended and locked into place. If the issue persists, the stand may be worn or damaged.

## 5.3 Magnetic Attachment Weak

- **Issue:** The case does not securely attach to a magnetic car mount.
- **Solution:** Verify that the car mount is functioning correctly and that there are no foreign objects between the case and the mount. Ensure the magnetic plate within the case is not damaged.

## 6. SPECIFICATIONS

<b>Product Name</b>	Aroepurt Hybrid Case and Tempered Glass Screen Protector
<b>Compatible Phone Model</b>	Foxx Miro A67
<b>Material</b>	PC hard back panel + soft silicone frame + metal support finger ring
