YITAHOME 11

YITAHOME Vanity Desk with LED Lighting - Instruction Manual

Model: 11

IMPORTANT SAFETY INFORMATION

- Always use two people to assemble and move the heavy vanity desk.
- Exercise caution during assembly to avoid sharp edges and pinch points.
- Ensure the vanity desk is securely fastened to the wall using the anti-tipping design to prevent overturning.
- Always turn off and unplug the LED lights before cleaning the mirror or making any adjustments.

PACKAGE CONTENTS

The YITAHOME Vanity Desk is delivered in two separate boxes, which may arrive at different times. Please ensure you have received both packages before beginning assembly.

Verify that all components listed in the assembly guide (provided separately with the product) are present

and undamaged. Typical components include:

- Vanity desk panels and frame parts
- LED mirror assembly
- Drawer components
- Hardware kit (screws, dowels, hinges, anti-tipping kit)
- Adjustable shelves

SETUP AND ASSEMBLY

Before You Begin

- Carefully read the entire assembly instruction manual provided with your product before starting.
- Identify all parts and hardware. Lay them out on a clean, soft surface to prevent scratches.
- Ensure you have the necessary tools (e.g., screwdriver, hammer).

Assembly Steps

Follow the step-by-step instructions in the included assembly manual. Key steps typically involve:

1. Assembling the main desk frame.
2. Constructing and installing the drawers.
3. Attaching the mirror cabinet and LED mirror.
4. Installing the adjustable shelves in the side compartments.
5. Securing the anti-tipping device to the wall and the vanity desk. This is crucial for stability and safety.
6. Connecting the LED lighting power supply.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated LED lighting system offers adjustable brightness and three color modes to suit your preference.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Adjust Brightness:** Press and hold the touch sensor to gradually increase or decrease the brightness. Release when the desired brightness is reached.
- **Change Color Mode:** Tap the touch sensor repeatedly to cycle through the three available color modes: Cool Light (8000K), Warm White Light (5000K), and Warm Light (3000K).

Control panel for LED lighting modes and brightness.

Adjustable Mirror

The side mirrors are designed to be adjustable, allowing you to view your reflection from various angles for precise makeup application and hairstyling.

- Gently pivot the side mirror panels to achieve your desired viewing angle.
- The mirrors can be fixed in position once adjusted.

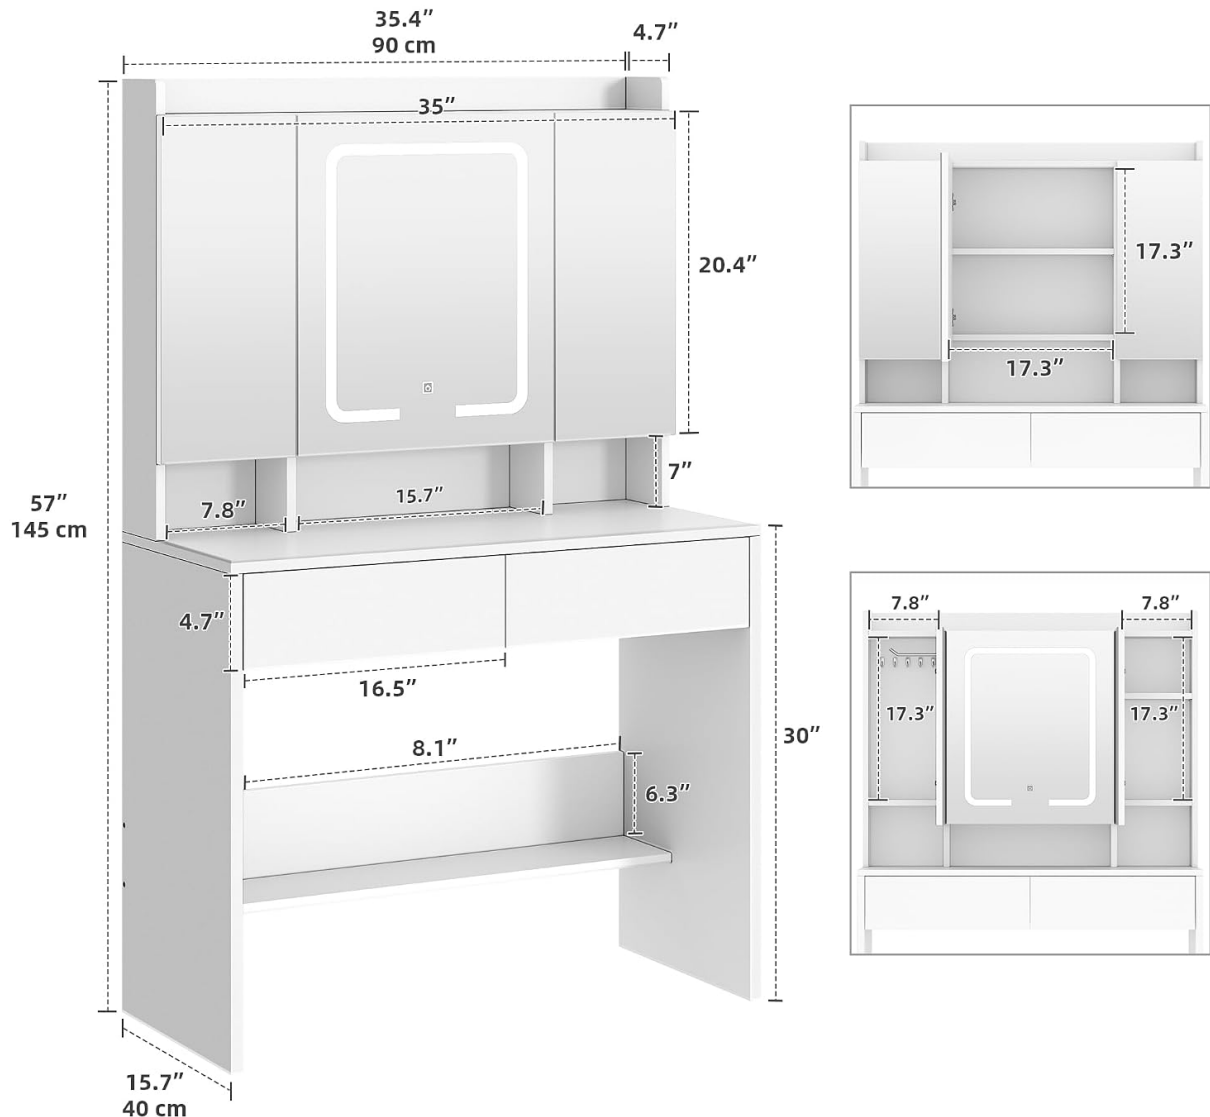

User adjusting the mirror for optimal viewing.

Adjustable Shelves

The vanity desk features adjustable shelves within its storage compartments, allowing for customized organization of items of different heights.

- To adjust a shelf, carefully remove any items on it.
- Lift the shelf slightly and slide it out of its current position.
- Reinsert the shelf into the desired set of shelf pin holes. Ensure it is level and securely seated.

Storage Features

The vanity desk is designed with various storage options to keep your beauty essentials organized:

- **Two Large Drawers:** Located beneath the main desktop, these provide concealed storage for larger items.
- **Open Layout Shelves:** Multiple open compartments around the mirror offer easy access to frequently used cosmetics and perfumes.
- **Jewelry Storage Cabinet:** Dedicated hooks and shelves behind one of the mirror doors provide a secure place for necklaces, bracelets, and other jewelry.
- **Bottom Shelf:** An additional shelf below the main desk offers space for bags or other accessories.

MAINTENANCE AND CARE

Cleaning

- **Surfaces:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Mirror:** Before cleaning the mirror, ensure the LED lights are turned off and unplugged. Use a glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electrical components.

General Care

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Avoid placing hot items directly on the surface. Use coasters or protective pads.
- Protect the vanity desk from excessive moisture and direct sunlight to prevent warping or discoloration.

TROUBLESHOOTING

Common Issues and Solutions

- **LED Lights Not Working:**

Check if the power cord is securely plugged into both the vanity desk and a working electrical outlet. Ensure the touch sensor is being pressed correctly. If the issue persists, contact customer support.

- **Mirror Appears Crooked:**

If a mirror panel appears misaligned, gently check if it can be adjusted. If it was fixed incorrectly during manufacturing or assembly, contact customer support for guidance.

- **Loose or Broken Screws/Hardware:**

Do not attempt to force or repair broken hardware yourself, as this may cause further damage. Contact customer support immediately for replacement parts or professional advice.

- **Missing Parts:**

If you discover any missing parts upon unboxing, please refer to the parts list in your assembly manual and contact customer support with the specific part numbers required.

- **Doors Not Aligning Properly:**

Review the assembly steps for the doors and hinges. Minor adjustments can often be made to hinges. If the problem persists after checking, contact customer support.

SPECIFICATIONS

Color	White
Overall Dimensions (H x W x D)	145 x 90 x 40 cm (approx. 57" x 35.4" x 15.7")
Material	Wood Composite
Item Weight	38.35 Kilograms
Number of Drawers	2
Model Number	11
UPC	197839297326
Included Components	Mirror

WARRANTY AND SUPPORT

Warranty Information

YITAHOME products are typically covered by a manufacturer's warranty. For specific warranty terms, conditions, and duration applicable to your vanity desk, please refer to the documentation included with your purchase or contact YITAHOME customer service directly.

Customer Support

For any questions, assistance with assembly or operation, troubleshooting, or to report missing or damaged parts, please contact YITAHOME customer support. Contact information can usually be found on the product packaging, the official YITAHOME website, or through your retailer.

YITAHOME is committed to providing competent customer service to ensure your satisfaction.
