VIAGDO Twin Bed Frame with LED Lights and Storage Headboard

VIAGDO Twin Upholstered Platform Bed Frame User Manual

Model: Twin Bed Frame with LED Lights and Storage Headboard

1. INTRODUCTION

Thank you for choosing the VIAGDO Twin Upholstered Platform Bed Frame. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new bed frame. Please read this manual thoroughly before assembly and retain it for future reference.

2. SAFETY INFORMATION

WARNING: Exceeding the weight limit of 800 lbs and improper assembly may result in safety hazards and product damage.

- Ensure all components are securely fastened before use.
- Do not allow children to climb on the bed frame or headboard.
- Keep electrical components (LED lights, charging station) away from liquids.
- Regularly check all bolts and screws to ensure they remain tight.
- Use only the recommended mattress size (Twin) and thickness (8"-14").

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard

- Drawer components
- Bed frame slats
- Installation Manual
- Labelled Parts (hardware kit)

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. All necessary tools and numbered parts are included. It is recommended to assemble the bed frame with at least two people.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the included parts list and diagrams to identify each piece.
2. **Assemble the Headboard:** Follow the specific instructions in the provided installation manual to connect the headboard sections, including the storage shelf and charging station unit.
3. **Attach Side Rails:** Connect the side rails to the assembled headboard and footboard using the designated hardware. Ensure all connections are secure.
4. **Install Support Slats:** Place the wooden slats across the bed frame. The slats feature a Velcro design for quick and secure assembly. Ensure the EVA silent strip is correctly positioned to reduce noise.
5. **Assemble Storage Drawers:** Construct the storage drawers according to the manual. Insert the drawers into the designated under-bed spaces.
6. **Final Check:** Verify that all bolts are tightened and the frame is stable before placing a mattress on it.

TWIN SIZE

L x W x H : 80.3" x 42.9" x 43.3"

5. OPERATING INSTRUCTIONS

5.1. LED Lights Operation

The bed frame features a multifunctional RGB LED light strip around the headboard and bed frame. Control options include a remote control and a mobile application.

- **Power On/Off:** Use the designated button on the remote or within the mobile app.
- **Color Customization:** Select from a wide range of RGB colors to match your preference.
- **Brightness Adjustment:** Adjust the light intensity using the remote or app.
- **Dynamic Modes:** Choose from 29 dynamic modes for various lighting effects.
- **Timing Function:** Set a timer for the lights to automatically turn off.
- **Music/Mic Function:** The lights can sync with music or sounds detected by the microphone function, creating an immersive experience.

5.2. Charging Station Usage

The integrated charging station in the headboard provides convenient power access for your electronic devices.

- **Power Connection:** Ensure the 6.5-foot power supply cord is securely plugged into a functional wall outlet.
- **AC Outlets:** Two 125V/12A AC outlets are available for standard electrical devices.
- **USB Ports:** Includes one 5V/2A USB-A port and one 5V/3A USB-C port for charging mobile phones, tablets, and other USB-powered devices.
- **Placement:** The charging station is located on the 2-tier storage shelf of the headboard.

Large Storage Drawer

Image 5.2: Detail of the charging station with various ports.

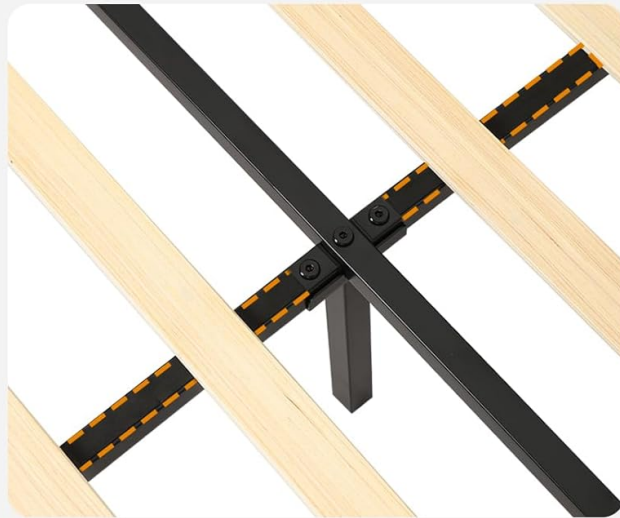

5.3. Storage Features

The bed frame offers multiple storage solutions to help keep your bedroom organized.

- **Headboard Shelf:** A 2-tier shelf on the headboard provides space for small items such as phones, glasses, books, and decorative items.
- **Under-Bed Clearance:** An extra 6.5 inches of clearance beneath the bed allows for additional storage of boxes or bins.
- **Storage Drawers:** Two integrated storage drawers are located at the foot of the bed, ideal for storing clothes, blankets, bedding, or other personal items.

Stable and Durable Structure

Provide weight capacity up to 1000lbs

Velcro Design Quick Assembly

Easy operation, time and energy saving

Image 5.4: Large storage drawer for bedding or personal items.

6. MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning Upholstery:** For routine cleaning, gently vacuum the upholstered surfaces. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner.
- **Cleaning Frame:** Wipe metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **LED Lights:** Keep the LED strip free from dust. Do not attempt to disassemble the LED unit.
- **Charging Station:** Ensure the charging ports are free of dust and debris. Do not insert foreign objects into the ports.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they are tight. Retighten as necessary.

7. TROUBLESHOOTING

If you encounter issues with your bed frame, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose connections; slats rubbing against frame.	Tighten all bolts and screws. Ensure EVA silent strips are correctly placed between slats and frame.
LED lights not working.	Power cord disconnected; remote control battery low; app connection issue.	Check power cord connection. Replace remote battery. Re-pair app if necessary.
Charging station not providing power.	Power cord disconnected; wall outlet not working; device cable faulty.	Ensure the bed frame's power cord is fully plugged into a live outlet. Test the wall outlet with another device. Try a different charging cable.
Drawers are difficult to open/close.	Drawer rails misaligned; obstruction; drawer overloaded.	Check drawer rail alignment. Remove any obstructions. Reduce the weight in the drawer.

If the problem persists after attempting these solutions, please contact VIAGDO customer support for further assistance.

8. SPECIFICATIONS

- **Size:** Twin
- **Product Dimensions:** 80.3"L x 42.9"W x 43.3"H
- **Color:** Dark Grey
- **Material:** Upholstered (Linen Fabric), Wood Slats, Metal Frame
- **Weight Capacity:** Up to 800 lbs
