# EMAX Skala Mais Crespos & Passion Fruit 2-in-1 Conditioning Treatment & Cream to Comb User Manual

Model: B0DJMSHDNQ

## 1. INTRODUCTION

---

Welcome to the user manual for the EMAX Skala Mais Crespos & Passion Fruit 2-in-1 Conditioning Treatment and Cream to Comb. This product is designed to provide comprehensive care for curly hair, focusing on hydration and frizz control. Please read this manual carefully to ensure proper usage and to maximize the benefits of this product.

## 2. PRODUCT OVERVIEW

---

The EMAX Skala Mais Crespos & Passion Fruit Combo is a versatile hair care solution that functions as both a conditioning treatment and a cream to comb. It is formulated to address the specific needs of curly hair, particularly Hair Type 4ABC, by delivering deep hydration and effectively managing frizz.

Figure 2.1: EMAX Skala Mais Crespos & Passion Fruit 2-in-1 Conditioning Treatment and Cream to Comb.

### 3. KEY FEATURES

---

This product offers several benefits for curly and coily hair types:

- **2-IN-1 COMBO:** Functions as both a conditioning treatment and a cream to comb, providing hydration and frizz elimination.
- **EXTRA LARGE SIZE:** Generous portions ensure a lasting supply of the Mais Crespos and Passion Fruit products.
- **NOURISHING FORMULA:** Infused with natural ingredients, including corn and passion fruit, to deeply condition and moisturize parched curls.
- **CURL DEFINING:** Enhances natural curl patterns, adding beautiful shine and bounce.
- **VERSATILE USAGE:** Can be used as a leave-in conditioner, a rinse-out treatment, or a styler for various curly and coily textures.

### 4. INGREDIENTS

---

The primary ingredient is water. The nourishing formula is infused with corn and passion fruit extracts to provide deep hydration and frizz control.

### 5. DIRECTIONS FOR USE

---

#### 5.1. Preparation (Setup)

Ensure your hair is clean and damp after shampooing. For optimal results, gently towel-dry your hair to remove excess water, leaving it moist but not dripping wet.

## 5.2. Application (Operating)

This product offers flexible application methods:

1. **As a Rinse-Out Conditioning Treatment:** Apply a generous amount to damp hair after shampooing. Distribute evenly from roots to ends. Leave on for a few minutes (typically 3-5 minutes) to allow for deep conditioning. Rinse thoroughly with water until the product is completely removed.
2. **As a Leave-In Conditioner:** After shampooing, apply a small to moderate amount to damp hair. Focus on the mid-lengths and ends. Do not rinse. Style your hair as desired. This method helps to maintain hydration and frizz control throughout the day.
3. **As a Cream to Comb/Styler:** Apply to damp or dry hair before styling. Use your fingers or a wide-tooth comb to detangle and define your curls. This method is ideal for enhancing curl pattern and providing a soft hold.

*For best results, experiment with both rinse-out and leave-in applications to determine what works best for your hair type and desired outcome.*

## 6. MAINTENANCE

To maintain the quality and effectiveness of your EMAX Skala Mais Crespos & Passion Fruit product:

- Store in a cool, dry place away from direct sunlight.
- Ensure the lid is tightly closed after each use to prevent contamination and drying out.
- Avoid extreme temperatures.

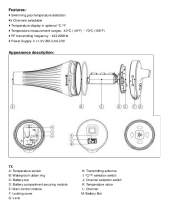

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Hair feels greasy or heavy after use.	Too much product applied, or not rinsed thoroughly (if used as rinse-out).	Reduce the amount of product used. If used as a rinse-out, ensure thorough rinsing. If used as a leave-in, apply only to mid-lengths and ends, avoiding the scalp.
Curls are not defined.	Insufficient product, or improper application technique.	Ensure even distribution. Try applying to wetter hair for better curl clump formation. Use scrunching or finger-coiling techniques.
Product consistency seems off (e.g., chunky).	Exposure to extreme temperatures or improper storage.	Ensure product is stored in a cool, dry place with the lid tightly sealed. If the product arrived with an unusual consistency, contact customer support.

## 8. SPECIFICATIONS

Attribute	Detail
Brand	EMAX (Skala Brasil)
Model Number (ASIN)	B0DJMSHDNQ
Product Dimensions	3 x 9 x 2.3 inches
