

Chipolino VKISL0241BL

Chipolino Isla Foldable Bathtub User Manual

Model: VKISL0241BL

1. IMPORTANT SAFETY INFORMATION

Please read these instructions carefully before use and keep them for future reference. Failure to follow these instructions could result in serious injury.

- **WARNING:** Never leave your child unattended in the bathtub, even for a moment. Drowning can occur quickly and in very shallow water.
- Always check the water temperature before placing your child in the bathtub. The ideal temperature is around 37°C (98.6°F).
- Ensure the bathtub is placed on a flat, stable, and non-slip surface before filling with water and placing your child inside.
- Do not overfill the bathtub. The water level should be appropriate for your child's age and size.
- Keep all bathing accessories and products out of your child's reach.
- Inspect the bathtub regularly for any signs of wear or damage. Discontinue use if any damage is found.

2. PRODUCT OVERVIEW

The Chipolino Isla Foldable Bathtub is designed for convenient and safe bathing of infants from birth. Its foldable design allows for easy storage and portability, while the integrated drain and anti-slip feet enhance usability and safety.

Key features include:

- Foldable design for compact storage.
- Integrated water drain with protective cap.
- Anti-slip feet for stability.
- Includes a soft bathing cushion suitable for newborns (0-6 months).

3. SETUP INSTRUCTIONS

1. **Unfolding the Bathtub:** Place the folded bathtub on a flat surface. Gently pull the side walls outwards to expand the tub. Extend the support legs on both ends until they click securely into their locked position. Ensure all four legs are fully extended and stable before use.
2. **Placement:** Position the unfolded bathtub on a firm, level, and non-slip surface, such as a bathroom floor or a sturdy changing table. Verify that the bathtub is stable and does not wobble.
3. **Bathing Cushion Installation (for 0-6 months):** If using the included bathing cushion, place it inside the bathtub. Secure the cushion's straps to the designated attachment points on the bathtub rim, ensuring it is firmly in place and will not shift during use.

Image 3.2: The soft bathing cushion, designed for newborns, placed inside the bathtub.

4. OPERATING INSTRUCTIONS

1. **Filling the Bathtub:** Fill the bathtub with water to an appropriate level, typically up to the child's waist when seated. Always check the water temperature with a thermometer or your elbow to ensure it is safe and comfortable for your child (around 37°C / 98.6°F).
2. **Bathing Your Child:** Gently place your child into the bathtub. For newborns (0-6 months), the bathing cushion provides support. Always keep one hand on your child for safety and never leave them unattended.
3. **Draining the Water:** After bathing, remove your child from the tub. Locate the integrated drain plug at the bottom of the bathtub. Remove the protective cap to allow the water to drain out.

Image 4.1: Detail of the integrated drain plug with its protective cap, located at the base of the bathtub.

5. FOLDING AND STORAGE

1. **Empty and Dry:** Ensure the bathtub is completely empty and dry before folding.
2. **Fold the Legs:** Press the release buttons or mechanisms on the support legs to unlock them. Fold the legs inwards until they are flat against the base of the tub.
3. **Collapse the Tub:** Gently push down on the flexible middle section of the bathtub to collapse it flat. Ensure the side walls fold neatly inwards.
4. **Storage:** Once folded, the bathtub becomes compact and can be stored in a closet, drawer, or hung by its integrated handle to save space.

Image 5.2: A side view demonstrating the slim profile of the bathtub when folded, ideal for space-saving storage.

6. MAINTENANCE

- **Cleaning:** After each use, clean the bathtub with mild soap and warm water. Rinse thoroughly to remove all soap residue.
- **Drying:** Always dry the bathtub completely before folding and storing to prevent mold and mildew growth.
- **Inspection:** Regularly check all parts of the bathtub, especially the folding mechanisms and drain plug, for any signs of wear, cracks, or damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or harsh chemicals, as these can damage the material and compromise safety.

7. TROUBLESHOOTING

- **Bathtub is unstable:** Ensure all four support legs are fully extended and securely locked into place. The bathtub must be placed on a flat, even surface.
- **Water not draining properly:** Check that the drain plug is fully open and free from any obstructions.
- **Difficulty folding:** Ensure the bathtub is completely empty and dry. Apply gentle, even pressure when collapsing the flexible middle section and folding the legs. Do not force any components.

8. SPECIFICATIONS

Feature	Detail
Model Number	VKISL0241BL
Assembled Dimensions (L x W x H)	80 x 50 x 21 cm
Product Weight	1.84 kg
Recommended Age	0 months and up
Material	Plastic
Color	Turquoise
