JOYMOR BC

JOYMOR 8-in-1 Convertible Crib Model BC User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the JOYMOR 8-in-1 Convertible Crib, Model BC. This crib is designed to adapt to your child's growth, offering multiple configurations from infancy through toddlerhood. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and the assembly instructions could result in serious injury or death.

- Always ensure all parts are correctly assembled and tightened before use. Regularly check for loose hardware.
- Do not use this crib if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- The crib is constructed with 100% pine wood and features a non-toxic, lead-free painting process. It exceeds ASTM International and U.S. CPSC safety standards.
- Maximum weight recommendation: 50 pounds. Maximum height recommendation: 35 inches.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not use a mattress thicker than 2 inches for the included coconut fiber mattresses. Ensure the mattress fits snugly without gaps.
- Never leave a child unattended in the crib.

4. SETUP AND ASSEMBLY

Assembly Difficulty Level: Medium. It is recommended to have two adults for assembly. Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all connections are secure before use.

Key Assembly Points:

- Identify all components and hardware.
- Assemble the base frame first, ensuring it is level and stable.
- Attach the side panels, making sure they are oriented correctly for the desired configuration.
- Install the mattress support at the appropriate height setting.
- Attach the wheels, ensuring they can lock for stability.

5. OPERATING INSTRUCTIONS

5.1. 8-in-1 Convertibility

The JOYMOR Convertible Crib seamlessly transforms into 8 different configurations without the need for additional conversion kits. Simply add or remove panels as instructed in the assembly guide to achieve the desired mode.

- **Bassinet (0-3M):** For newborns, providing a compact sleeping space. (Dimensions: 29.78" x 19.85" x 35.93")
- **Mid-Size Crib (0-36M):** For older babies, offering more space. (Dimensions: 35.73" x 29.78" x 35.93")
- **Mid-Size Daybed (12-24M):** A transitional bed for toddlers.
- **Mid-Size Playard (12-24M):** A secure enclosed space for play.
- **Full-Size Crib (6-36M):** The largest crib configuration. (Dimensions: 53.99" x 29.78" x 35.93")
- **Full Toddler Bed (18-30M):** A low bed with a safety rail for toddlers.
- **Full Daybed (30M+):** A sofa-like bed for older children.
- **Full Playard:** A large play area.

Note: The bassinet and mid-size crib are not standard sizes.

8-in-one crib that grows and changes with your little one

Mini crib (0-3M)

Mid size crib (0-36M)

Mid size playard(12-24M)

Mid size daybed(12-24M)

Full crib(6-36 M)

Full playard(6-36 M)

Toddler bed(18-30M)

Full daybed(30M +)

5.2. Adjustable Height Levels

The crib features 8 adjustable height settings for the mattress support, allowing you to customize the height to suit your needs and your baby's developmental stage. This ensures optimal comfort and accessibility for caregivers.

Image: A crib positioned next to a bed, demonstrating its adjustable mattress height with 8 distinct levels, measured from the floor (e.g., 22.43", 20.43", etc.).

5.3. Portability

Equipped with wheels, the crib can be easily moved between rooms. The mini-size configuration is designed to fit through standard room doors. Ensure the wheels are locked when the crib is in a stationary position to prevent accidental movement.

Image: A woman demonstrating the ease of moving the JOYMOR crib, which is fitted with 360-degree rotating wheels. An inset graphic shows an "on/off" switch for the wheel locks.

6. MAINTENANCE

To maintain the quality and longevity of your JOYMOR Convertible Crib, follow these simple care instructions:

- **Cleaning:** Wipe the crib frame with a dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Hardware:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Do not overtighten.
- **Mattresses:** The coconut fiber mattresses can be spot cleaned with a mild detergent and air-dried. Ensure they are completely dry before placing them back in the crib.
- **Storage:** If storing the crib, disassemble it according to the instructions and store all parts in a dry, cool place.

7. TROUBLESHOOTING

If you encounter any issues with your JOYMOR Convertible Crib, please refer to the following common solutions:

- **Crib feels unstable:** Ensure all assembly hardware is securely tightened. Check that the mattress support is correctly seated in its height adjustment slots.
- **Difficulty converting modes:** Review the assembly instructions for the specific conversion you are attempting. Ensure all panels are aligned correctly and hardware is loosened or tightened as required for the conversion.
- **Wheels not rolling smoothly or locking:** Check for debris in the wheel mechanisms. Ensure the wheel locks are fully engaged or disengaged as intended.
- **Missing or damaged parts:** Do not attempt to use the crib. Contact JOYMOR customer support immediately for replacement parts.
