MadeiraMadeira Soho 70cm Double Pantry Cabinet

MadeiraMadeira Soho 70cm Double Pantry Cabinet (White/Graphite)

Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your MadeiraMadeira Soho 70cm Double Pantry Cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference. The Soho kitchen line is inspired by the charm and simplicity of New York's SoHo district, offering a design that harmoniously blends traditional and modern elements. This cabinet is designed for efficient kitchen organization, featuring ample internal space, smooth-gliding telescopic drawers (if applicable), robust doors with 35mm reinforced hinges, and an overhead cabinet suitable for installation above refrigerators or stoves. The aluminum handles with epoxy paint provide a contemporary design touch and daily resistance. Adjustable 14.5 cm PVC feet ensure stability on uneven floors, and removable baseboards simplify cleaning.

SAFETY INFORMATION

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the cabinet shelves. Distribute weight evenly to prevent tipping.
- Keep small parts and hardware out of reach of children during assembly.
- Use appropriate tools for assembly. Do not use power tools unless specifically instructed, as they may damage the product.
- If mounting to a wall, ensure the wall material can support the weight of the cabinet and its contents. Consult a professional if unsure.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Soho 70cm Double Pantry Cabinet (main structure)

- 1 x Hardware Kit (screws, dowels, hinges, handles, etc.)
- 1 x Assembly Manual (this document)

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for assembly. Please refer to the included detailed assembly manual (physical copy) for step-by-step instructions. Ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer, measuring tape).

Key Assembly Features:

- **Adjustable Feet:** The 14.5 cm PVC feet are adjustable, allowing for easy alignment of the cabinet on uneven floors.
- **Removable Baseboards:** Baseboards are designed to be removable for easier cleaning underneath the cabinet.
- **Reinforced Hinges:** Doors feature 35mm reinforced metallic hinges for durability.
- **Telescopic Slides:** Drawers (if applicable to your specific model configuration) are equipped with smooth-gliding telescopic slides.

OPERATING INSTRUCTIONS

Once assembled, your Soho Double Pantry Cabinet is ready for use. This cabinet is designed for storing kitchen items, pantry staples, and small appliances.

- **Door Operation:** The doors open and close smoothly. Avoid forcing them. The upper cabinet may feature a gas piston for assisted opening (check your specific model configuration).
- **Shelf Adjustment:** If your model includes adjustable shelves, carefully remove items, lift the shelf, and reposition the shelf supports to the desired height. Ensure shelves are securely seated before placing items back.
- **Weight Distribution:** Distribute the weight of stored items evenly across shelves to maintain stability and prevent damage.

MAINTENANCE

Proper care and maintenance will extend the life of your pantry cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish. For the UV painted top, use a mild cleaner.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Re-tighten if necessary.
- **Baseboards:** The removable baseboards can be detached for easier cleaning of the floor underneath the cabinet.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem | Possible Cause | Solution |
|---|---|--|
| Cabinet is wobbly or unstable. | Uneven floor; loose assembly hardware. | Adjust the PVC feet to level the cabinet. Check and tighten all assembly screws. |
| Doors do not close properly or are misaligned. | Loose hinge screws; cabinet not level. | Check and tighten hinge screws. Ensure the cabinet is level using the adjustable feet. |
| Drawers (if applicable) are stiff or do not slide smoothly. | Debris in slides; misaligned slides; overloaded drawer. | Clean the telescopic slides. Check for proper alignment during assembly. Reduce drawer load. |
