

## ketive Dog House 69

# ketive 43-inch Outdoor Extra Large Dog House Instruction Manual

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your ketive 43-inch Outdoor Extra Large Dog House. Designed for medium to large dogs, this durable wooden kennel offers a comfortable and secure shelter for both indoor and outdoor use. Please read all instructions carefully before beginning assembly or use.

## SETUP AND ASSEMBLY

---

Your ketive dog house is designed for straightforward assembly with pre-drilled holes and clearly identified components. Please follow these steps carefully.

Your browser does not support the video tag. This video provides a visual guide for the assembly process of the ketive dog house, demonstrating each step from unboxing to final construction.

Video: Assembly Guide for the ketive Dog House.

### Assembly Steps:

1. Attach the door curtain (#9) to the front panel (#1) using screws B.
2. Fix the small roof (#12), left support (#13), and right support (#14) to the front panel (#1) using screws B.
3. Connect the front panel (#1), back panel (#2), left panel (#3), right panel (#4), and middle upper panel (#11) using screws A to form the main structure.
4. Secure the support for the bottom panel (#10) to the left panel (#3) and right panel (#4) using screws A.
5. Place the bottom panel (#5) onto the wooden bar supports.
6. Attach the wooden nameplate (#15) to the front panel (#1).
7. Install the iron wraps (#16) on the back panel (#2) and front panel (#1) using screws E.

8. Fix the right roof (#8) to the front panel (#1) and back panel (#2) using screws D.
9. Attach the left roof (#7) to the left panel (#3) using screws C.
10. Install the metal support on the left roof (#7) and back panel (#2) using screws C.

## ADDITIONAL BOTTOM SUPPORT

Enhances stability, increases weight capacity

## OPERATING INSTRUCTIONS

The ketive dog house offers several features for your pet's comfort and your convenience.

### Ventilation and Protection

The flip-up window allows for adjustable ventilation, ensuring fresh air circulation. The detachable PVC curtains at the entrance help to block drafts and provide protection from wind and rain.

### Personalization

A dedicated space is provided for a DIY nameplate, allowing you to personalize your pet's home.

### Placement

This dog house is suitable for both indoor and outdoor environments. Ensure it is placed on a level surface to maintain stability and proper drainage.

## MAINTENANCE

---

Regular maintenance will ensure the longevity and hygiene of your dog house.

### Cleaning

The removable floor and hinged roof design facilitate easy and thorough cleaning. Simply lift the roof and remove the floor panels to access the interior. Use mild soap and water for cleaning, and ensure all parts are dry before reassembly.

## Durability

The solid fir wood construction and anti-chewing iron frame are designed for durability. Periodically inspect the structure for any signs of wear or damage and address them promptly to maintain its integrity and extend its lifespan.

## TROUBLESHOOTING

---

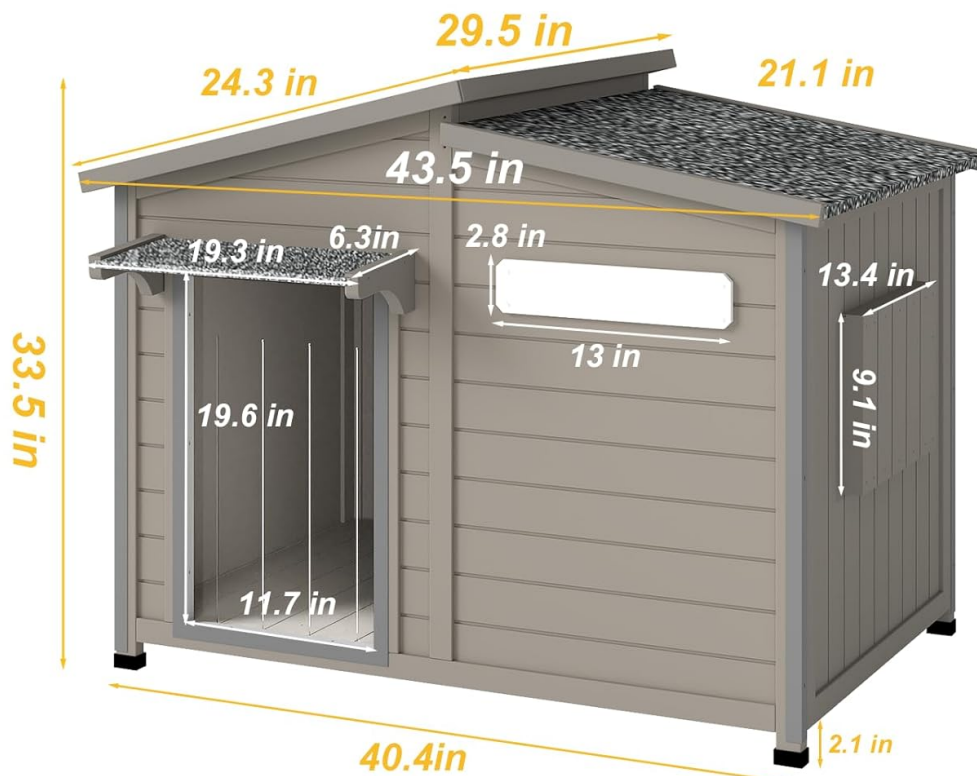

If you encounter any issues with your ketive dog house, please refer to the following general advice:

- **Assembly Issues:** Double-check all connections and ensure screws are tightened securely according to the assembly instructions. Refer to the assembly video and diagrams if needed.
- **Stability Concerns:** Ensure the dog house is placed on a flat, level surface. The raised feet are designed to prevent moisture and improve airflow, but a stable base is crucial for overall stability.
- **Weather Protection:** Verify that the asphalt roof is properly installed and the PVC curtains are in place to provide optimal protection from elements like rain and wind.

For further assistance, please contact customer support.

## SPECIFICATIONS

# COZY SAFETY HOME FOR YOUR PETS

**FOR PUPPIES AND SMALL DOGS**
