ioion Electric Salt and Pepper Grinder Set Instruction Manual

Model: KYMQ-44B-AH-BS | Brand: ioion

INTRODUCTION

Thank you for choosing the ioion Electric Salt and Pepper Grinder Set. This automatic grinder set is designed for convenience and precision, allowing you to effortlessly season your meals with freshly ground spices. Featuring adjustable coarseness levels, a built-in LED light, and one-hand operation, it enhances your cooking experience. Please read this manual carefully before use to ensure proper operation and maintenance.

SAFETY INFORMATION

- Keep out of reach of children.
- Do not immerse the motor unit in water or other liquids.
- Use only the specified 4 AAA batteries (not included). Ensure correct polarity when inserting batteries.
- Remove batteries if the grinder will not be used for an extended period.
- Avoid contact with moving parts during operation.
- Do not use the grinder for substances other than dry salt crystals or whole peppercorns.
- Clean the grinding mechanism regularly to prevent clogging and maintain performance.

PACKAGE CONTENTS

- 2 x Electric Salt and Pepper Grinders
- 1 x Storage Base
- 1 x Cleaning Brush
- 1 x User Manual

SETUP

1. Installing Batteries

To install the batteries, gently twist the top section of the grinder counter-clockwise to unlock and remove the battery compartment cover. Insert 4 AAA batteries (not included) according to the polarity markings inside the compartment. Replace the cover and twist clockwise to lock it securely.

Figure 1: Battery installation showing the top compartment opened with 4 AAA batteries inserted according to polarity markings.

2. Filling the Grinder

Rotate the transparent spice container counter-clockwise to detach it from the motor unit. Fill the container with your desired dry salt crystals or whole peppercorns. Do not overfill. Reattach the spice container by aligning it with the motor unit and twisting clockwise until it locks into place.

360° TRANSPARENT LARGER CAPACITY

Reducing the Need for Frequent Refills.

OPERATING INSTRUCTIONS

1. One-Touch Grinding

To operate the grinder, simply press and hold the button located on the top of the unit. The grinding mechanism will activate, and the LED light will illuminate, allowing you to see the amount of spice being dispensed. Release the button to stop grinding.

MAINTENANCE

Cleaning the Grinder

To ensure optimal performance and prevent clogging, regularly clean the grinding mechanism. Use the provided cleaning brush to remove any residual spice particles from the ceramic blades and surrounding areas. The exterior can be wiped clean with a damp cloth. Do not use abrasive cleaners or immerse the grinder in water.

Figure 5: Components of the grinder, highlighting the ceramic grinding blades and the included cleaning brush for maintenance.

TROUBLESHOOTING

- **Grinder not operating:** Check if batteries are inserted correctly with the right polarity. Ensure batteries are not depleted and replace if necessary.
- **Grinding slowly or inconsistently:** The grinding mechanism might be clogged. Use the cleaning brush to clear any blockages. Ensure the spice container is not overfilled.
- **LED light not working:** Check battery levels. If the grinder operates but the light does not, contact customer support.
- **Spice not dispensing:** Ensure the spice container is securely attached and the adjustment knob is not set to the tightest (finest) setting, which might prevent dispensing if clogged.

SPECIFICATIONS

Brand	ioion
Model Number	KYMQ-44B-AH-BS
Material	Acrylic, Ceramic, Plastic

Color	Black/Black
Product Dimensions	2"W x 7.36"H
Item Weight	1.39 pounds (0.63 Kilograms)
Operation Mode	4 AAA Battery (Not Included)
Capacity	3.88 Pounds (approx. 100mL for spices)
