## Hello Kitty HKLEDBTHP2-WH-MFN

# Hello Kitty Wireless Bluetooth Light-Up Headphones (White) Instruction Manual

Model: HKLEDBTHP2-WH-MFN

### INTRODUCTION

---

This manual provides comprehensive instructions for the safe and efficient use of your Hello Kitty Wireless Bluetooth Light-Up Headphones. Please read this manual thoroughly before operating the device and retain it for future reference.

## WHAT'S IN THE BOX

---

Verify that all items are present upon unboxing:

- Hello Kitty Wireless Bluetooth Light-Up Headphones
- USB Charging Cable
- User Manual (this document)

## PRODUCT FEATURES

- **Bluetooth Connectivity:** Seamless wireless pairing with compatible devices.
- **Light-Up LED Earcups & Cat Ears:** Features Hello Kitty graphics on earcups and colorful LED lights in the ears. Lights can change with music or be turned on/off as desired.
- **Foldable & Portable Design:** Easy to store and carry, ideal for travel.
- **Built-in Microphone:** Enables hands-free calls, voice chats, and gaming communication.
- **Adjustable Headband:** Provides a custom and comfortable fit for various head sizes.

## SETUP

## 1. Charging the Headphones

Before first use, fully charge the headphones. Connect the included USB charging cable to the charging port on the headphones and to a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status and turn off or change color when fully charged.

## 2. Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Hello Kitty Headphones" from the list of devices.
5. Once paired, the LED indicator will typically show a solid blue light or flash slowly.

*Note: If prompted for a password, enter "0000".*

## OPERATING INSTRUCTIONS

---

### Power On/Off

- **To Power On:** Press and hold the Power button for approximately 3 seconds.
- **To Power Off:** Press and hold the Power button for approximately 5 seconds.

### Volume Control

- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

### Music Playback

- **Play/Pause:** Press the Multi-function button (often the Power button when not powering on/off).
- **Next Track:** Press and hold the '+' button.
- **Previous Track:** Press and hold the '-' button.

### Call Management

- **Answer/End Call:** Press the Multi-function button.
- **Reject Call:** Press and hold the Multi-function button.
- **Redial Last Number:** Double-press the Multi-function button.

### LED Light Control

The LED lights on the earcups and cat ears can be controlled independently. Locate the dedicated light button (refer to the diagram in the included quick start guide if available). Press the button to cycle through light modes (e.g., blinking, solid, off).

### Adjusting and Folding

- **Adjust Headband:** Gently slide the earcups up or down along the headband to achieve a comfortable fit.
- **Fold for Storage:** The earcups can be folded inwards towards the headband for compact storage and portability.

Image: The Hello Kitty Wireless Bluetooth Light-Up Headphones shown in their folded position, demonstrating their portability.

## MAINTENANCE

---

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Utilize the foldable design for compact and safe storage.
- **Battery Care:** To prolong battery life, charge the headphones regularly, even if not in frequent use. Avoid fully discharging the battery for extended periods.

## TROUBLESHOOTING

---

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect to a power source and try again.

Problem	Possible Solution
Cannot pair with device.	<p>Make sure headphones are in pairing mode (flashing blue/red LED).</p> <p>Ensure Bluetooth is enabled on your device.</p> <p>Move headphones closer to your device.</p> <p>Forget the device from your Bluetooth list and try pairing again.</p>
No sound or low volume.	<p>Check volume levels on both headphones and your connected device.</p> <p>Ensure headphones are properly paired.</p> <p>Try playing different audio sources.</p>
LED lights not working.	<p>Press the dedicated light control button to cycle through modes or turn them on.</p> <p>Ensure headphones have sufficient battery.</p>
